Elisabeth Moss to Divorce Fred Armisen

After less than a year of marriage, *Mad Men* star Elisabeth Moss and *SNL* cast member Fred Armisen are calling it quits, reports [The Huffington Post](#). Moss originally met Armisen when her fellow *Mad Men* cast member Jon Hamm hosted *Saturday Night Live* in 2008. The two got married in October of last year and separated on June 26, citing “irreconcilable differences.”

Rumor has it that the split may actually have been due to Moss practicing Scientology. “Her religion was as important to her as their marriage, if not *more*,” a friend of Armisen’s told [Us Weekly](#). Armisen is reportedly now dating *SNL* co-star Abby Elliott. **What are three important things to know about your partner before marriage?**

Cupid’s Advice:

When you get married, you promise to cherish another person “until death do you part.” That’s why it’s so important to really get to know your partner before walking down the aisle. Cupid shows you what you absolutely must know about your partner before saying “I do”:

1. Beliefs and values: A person’s religious beliefs and moral

values make up a large part of who they are. While you probably won't agree on everything, at least be open to your partner's views. If your beliefs and values differ too much, you might want to rethink taking such a huge step in your relationship.

2. Goals in life: You and your partner should have similar goals if you want to spend the rest of your lives together. For example, finding out that he doesn't want children *before* getting hitched might make you change your mind.

3. Bad habits: It may sound insignificant, but get to know his habits before settling down together. If he has some habits that you just can't learn to live with, it's best to find out before you tie the knot.

Fred Armisen Already Moved on From Mad Men Star

SNL regular Fred Armisen seems to have moved on rather quickly from Elisabeth Moss, star of the Emmy Award-winning drama, *Mad Men*. The former couple married in October, but officially separated in May after only seven months. According to [E! Online](#), Armisen was spotted getting cozy with fellow *SNL* comedian Abby Elliott at a Los Angeles restaurant.

How do you keep your cool when your ex moves on shortly after a split?

Cupid's Advice:

It's easy to get infuriated when it comes up in your Facebook feed that your ex is already seeing someone else directly after a breakup. Here are some tips from Cupid on how to handle it when your ex has moved on rather quickly:

1. Think before you react: It's normal to want to confront your ex about how angry you are, and wonder if your romance ever meant anything to him or her in the first place. However, the best reaction in this case is usually no reaction.

2. Get your mind off things: When you first discover your ex's new relationship, it may linger on your mind. Try to focus on other things, such as hobbies or work. Keeping your focus somewhere else will keep your feelings in check.

3. Seek the company of friends and family: Even if you aren't ready to move on, that doesn't mean you have to be alone. Spend time with close friends and family. If you want to get out your feelings, these are the people who will listen.
