

Celebrity Break-Up: Gerard Butler & Longtime Girlfriend Morgan Brown Split

 By Kayla Garritano

Looks like they're going their separate ways. After their off-again, on-again relationship, [celebrity couple](#) Gerard Butler and longtime girlfriend Morgan Brown have split up. According to [UsMagazine.com](#), the former pair started their relationship in September 2014 when they were seen on a PDA-filled trip to a beach in Malibu. They then often showed themselves for the next two years, including in July when they were spotted on a [romantic getaway](#) in Capri, Italy.

These two were in an on-again off-again relationship before their [celebrity break-up](#). What are some factors to consider before finding yourself in an unsteady relationship?

Cupid's Advice:

Relationships can be tricky, especially if you're trying to convince yourself that you want this relationship to work out. However, you may not be finding yourself as happy as you wanted. Cupid has some [relationship advice](#) to make sure you're in a steady place with your partner:

1. Fighting: How often do you fight with your partner, and what is it usually about? Are they just little things, where you start to get annoyed with each other for anything they do? Or are they bigger issues? If the arguments are constant, and nothing seems to be getting fixed, that may be a red flag telling you to back away. You probably wouldn't want to get back together and keep the same pattern of fighting.

2. Happiness: You may think you love your partner because you've been together for so long. You also need to ask yourself if you are happy in the relationship you're in. If you've been dating your significant other for a long time, but you seem to be feeling worse, or you're at this constant, steady, boring state and you can't get out of it, you should rethink where you stand in the relationship.

3. Past Relationships: Take a look at who your significant other had dated in the past. Did the relationship end rocky? Or was it a relationship where they were on and off again? Maybe you also had a past relationship that is too similar to the unsteady one you're in now. Don't let history repeat itself and jeopardize a healthy relationship.

Single Celebrities We Want to See Hitched

 By Nic Baird

Whether single by choice or by broken heart, the prospect of marriage for the unattached seems distantly hypothetical. If you're a free spirit looking for flings, fun and flirting, you'll avoid even the thought of it at all costs. For those recovering from a lost love, it's important not to give up, because Prince Charming will come again. In fact, there are some Hollywood bachelors and bachelorettes who are in desperate need of true love as well. Others are devoted to such a carefree life of casual hookups that it makes one wonder if even the most glamorous single celebrity could lock them down. Here are the stars we'd like to push down the aisle:

1. Robert Pattinson: Shying away from public appearances, steady drinking and tales of heartbreak characterize the media vampire since his split from Kristen Stewart. Robert Pattinson is known for his legion of Twi-hards, and it's only a matter of time before a Hollywood lady gets close to Team Edward. Katy Perry, a mutual friend of Robsten, took the bruised *Twilight* hunk out to cheer him up shortly after news of Stewart's affair broke. Whether it's a shoulder to cry on or, less likely, a fresh love to sink his fangs into, Pattinson deserves the fairy tale romance he portrays.

2. Cameron Diaz: She's been romantically linked to the likes of Matt Dillon, Jared Leto, Justin Timberlake and Alex

Rodriguez, but Cameron Diaz is currently single. The freshly 40-year-old actress is still a blonde bombshell at the box office, but her most recent appearance in the pregnancy comedy *What To Expect When You're Expecting* makes us wonder if a family is on the horizon. "I've never said I don't want children," Diaz explained to *InStyle* magazine. "I just haven't had children yet." The simple truth is that a long marriage seems daunting to the powerful starlet, according to a *Stylist* interview. "Have someone for five years and another person for another five years. Life is long and lucky and yes, love might last forever, but you don't always live with the person you love forever."

3. Gerard Butler: While his adoring female fan base would probably send truckloads of hate mail his way if it happened, we all wonder what type of woman could get this Hollywood bad boy to commit. Party antics got Butler fired as a lawyer and have also kept him from serious coupling. "*I'm not a big relationship guy,*" the *300* actor told *Men's Journal*. "One of my vices is, I'm too wrapped up in myself and not always in a good way." That said, as of last spring, Butler has been seen with Madalina Ghenea, a Romanian model who helped him promote a brand of razors. Is the rowdy Scott breaking his old habits?

4. Katie Holmes: Not that the young actress has to start rehearsing her dating scene so soon after her summer divorce, but Katie Holmes still has plenty of time for future love, and even marriage. As a single mother with Tom Cruise's powerful shadow looming over her, future suitors might have an easier time trying to date Batman's ex. Last week, she insisted in *Women's Wear Daily* that the important things were to keep trying and not be afraid to fail. Holmes has welcomed some male attention since her split: a friendly kiss from an unidentified dinner date. It would be nice to see a happy ending follow her foray into Scientology.

Brandi Glanville Admits to Hooking Up with Gerard Butler

 Brandi Glanville has come out and admitted to fooling around with Gerard Butler in Malibu last August. According to [UsMagazine.com](https://www.usmagazine.com), Glanville revealed the secret to Andy Cohen on *What Happens Live*. Although it was denied in September when rumors surfaced, it is now confirmed by Glanville that the couple “had a little week of fun.” Glanville even admitted that Butler was an 11 on the lover scale of one to ten. A source said the “fooling around” occurred shortly after Glanville was left by ex-husband Eddie Cibrian.

What do you do if a former partner starts bragging about hooking up with you?

Cupid's Advice:

It might seem like flattery when an ex brags about being with you, but it can also be a little too over the top and way too much information. Here are some tips on how to handle the situation:

1. Politely ask your ex to stop: Without causing unnecessary drama, talk to your ex and request that they stop discussing your private matters. This is easier said than done, but if you are polite, patient and understanding towards your former partner the showdown should run smoothly.

2. Make sure the facts are straight: If your ex does not stop, be sure he is at least blabbing the right story to the public. If his word is coming out sideways against yours, go ahead and set the tale straight.

3. Warn your current lover about what they might hear: Dealing with exes in new relationships is a sticky subject. If your current beau is clueless about your past lover, be sure to tell him before someone else does. Even the hard stuff sounds better coming from your own lips.

Eddie Cibrian's Ex Brandi Glanville is Dating A-List Actor Gerard Butler

 It looks like Brandi Glanville has moved on! Eddie Cibrian's ex was spotted on August 27th at a beach party, getting hot and frisky with A-list actor Gerald Butler, according to [Hollyscoop](#). Glanville has a spot on Bravo's 'The Real Housewives of Beverly hills' and has traded her TV actor ex for a movie star. It's not too bad for a girl who got cheated on and dumped.

How do you make it clear to your ex that you've moved on?

Cupid's Advice:

It's important to show your ex that you have moved on when a relationship ends. We're not talking about busting his car windows in or posting shameless pictures of you making out with random guys on Facebook. Cupid has some classy ways to go about it:

1. Change your relationship status: If social networking is your thing, than make it known on Facebook or with a quick Twitter post that you are now a single lady. Note: This should be the last post about you and your ex left behind in the cyber world.

2. Take a hint from Brandi Glanville: If you're not ready to date, why not have a little fun? A fling or make out session with a hot guy says you've moved on and are focusing on you.

3. Get a new look: Get a new haircut, wardrobe or hobby; celebrities do it all the time! It's time to let loose and have some fun.

It’s Serious Between George Clooney & Elisabetta Canalis

Despite rumors from an Italian newspaper that the couple

had separated, George Clooney and Elisabetta Canalis are still going strong. Canalis opened up to [Vanity Fair's](#) Italian edition, dismissing any rumors that they have split as jealousy, [People](#) reported this week. In fact, she told the magazine, "Those who criticize or invent stories about us are just jealous."

What should you do when people try to meddle with your relationship?

Cupid's Advice:

Finding love can be like winning the lotto! However, one's happiness and luck can often lead to jealousy from the outside world. Read on for Cupid's tips on how to deal with this situation:

1. Don't fuel the fire: Jealousy can harm a relationship, even if it comes from the outside. The best thing anyone can do is to not repeat the rumors you hear. Most of the time, like in Clooney and Canalis' case, rumors are false.

2. Be happy: Jealousy and rumors can only harm a relationship if those involved let it. As Canalis said, "the best revenge over these jealous people is to be happy."

3. Time cures all wounds: In the end, rumors don't last long. The more untrue they are, the less time it takes for them to fizzle away all together.
