What are some ways to balance a demanding career with your relationship?

Cupid's Advice:

To make the most of your career and love life, Cupid has some advice to keep a healthy balance:

1. Do not talk about it: Instead of talking about work later in the day with your beau when the day is over, find other topics. Although you may have things to do that are crucial to your job, take a break for some quality time.

How do you know if someone is boyfriend material?

Cupid's Advice:

With so many personalities in this world, finding a boyfriend may not always be sugar and spice and everything nice. Here

are some things to consider when searching for a new love interest.

1. Communication is key: When you speak, does he hear you? Better yet, does he remember what you've said? Good communication starts with an open space to express your thoughts and includes someone on the other end listening, being able to understand, and even challenge you in a positive manner.

2. Attraction: Good communication without attraction is the same as having a relationship with your brother – sure you love each other, but not in the romantic way. In order to have a boyfriend, there must be a mutual intimate connection to each other, and that starts with physical attraction.

3. You've bettered yourself: Another thing to consider is who you were before you met him and who you have become. With all this physical attraction and communication between you two, thoughts and feelings are inevitably going to change. Have you changed for the better? If spending this much time with him encourages you to be a better you, then it looks like you may have a keeper!
