In celebrity baby news, Gigi and Zayn have welcomed their first child, a girl. What are some perfect “push presents” to give the mother of your recently born child?

Cupid's Advice:

Every mother deserves a little something after a difficult delivery journey. If you're looking for some perfect “push presents” to give the mother of your recently born child, Cupid has some advice for you:

1. A baby book journal: A baby book is something most sentimental moms will love. Especially if she is a new mom, writing down all of her experiences of her pregnancy and birthing story will be an important memory for her, and your child may love to read it one day!

2. Mom jewelry: A push present doesn't have to be something for the baby; this gift can be about celebrating the mother and everything she has been through in this special time in her life. Think about buying some sort of jewelry that symbolizes motherhood, like a birthstone ring, interlocking necklace pendants, or something engraved with “Mama.” These types of gifts will make her feel so special as she enters into motherhood.

3. A day of relaxation: If your baby comes unexpectedly, or if

you don't have enough time to plan out your push present, a spa day is a great idea for a new mother. Buy a gift card so that she can use it whenever she pleases once she has recovered from delivery. Plan a day to watch the baby while she gets some rest and relaxation for all of her hard work.

By Meghan Khameraj

In [celebrity news](#), *The Bachelorette* star Tyler Cameron supported girlfriend and model Gigi Hadid at her grandmother's funeral. According to *EOnline.com*, the [celebrity couple](#) was spotted alongside Bella Hadid, Anwar Hadid, Anwar's girlfriend and pop singer Dua Lipa. Hadid's grandmother passed away at the age of 76 after battling cancer six times throughout her life. The celebrity couple began dating last month, but have grown extremely close during their short time together. Cameron has also grown closer with Hadid's friends, such as *Lover* singer [Taylor Swift](#) and world-renowned tennis star Serena Williams.

In celebrity couple news, Tyler is supporting his new love during a tough time. What are some ways to show your support for your partner

amid tragedy?

Cupid's Advice:

Although they've only been together for a month, Tyler Cameron supported his girlfriend Gigi Hadid during an extremely personal and difficult time. Cupid has some advice to help you be there for your partner without overstepping:

1. Listen: When your partner is going through a difficult time, the best thing you can do is to just listen to them. If they need to vent or cry, offer a shoulder to cry on, but don't make the situation about you or how you're feeling.

2. Give them space: No one wants to be coddled when all they want is some alone time. Allow your significant other to work out their issues alone if they need to, but be sure to let them know that you're always there if they happen to need you. It might be difficult, but finding the right balance of space and support will make your partner feel less alone and not suffocated.

Celebrity News: Hannah Brown's 'Bachelorette' Runner-Up Goes On Date with Gigi Hadid Days After Spending Night with Hannah

By Ashley Johnson

In each and every season of *The Bachelorette*, former bachelors and bachelorettes alike (along with a few athletes) inevitably make their highly anticipated return to the show to drop some

relationship truth. Whether it's Ben Higgins having a one-on-one with Colton Underwood or Hannah Brown sitting court-side with Jaylen Brown, the singles are coached on "finding the one" and what to look for in a significant other. However, this is no simple task and may include a lot of casual dating before getting serious with anybody and making that commitment. According to *UsMagazine.com*, on Sunday, August 4, in [celebrity news](#), Tyler Cameron and Gigi Hadid were spotted together on what appeared to be their first [date night](#) ever in NYC, just two days after *The Bachelorette* runner-up was seen leaving Hannah Brown's apartment in L.A.

In celebrity news, Tyler Cameron isn't committed to Hannah and is dating around. What are some things to be careful about when you're dating around?

Cupid's Advice:

While Tyler seems to have been getting cozy with more than one woman (Gigi Hadid being one of them) and seems to be living a true *bachelor* life outside of reality TV, Cupid has some dating advice on how to date around like the model himself and other single celebrities:

1. Be transparent: Being transparent means being truthful and being clear about your intentions. Sometimes being honest with people can be difficult, but you are not going to get what you want out of any relationship by hiding your true feelings. Relationships only work when the people involved are on the same page and have both of their wants and needs met.

2. Have patience: As we know from many years of *The Bachelor* and *Bachelorette*, you do not just fall in love on the first date (or maybe you do), and dating is a process. It is highly unlikely you are going to commit to one person after just one date, and you may find yourself going on numerous dates with numerous people until you find what you are looking for, and that is okay. You just have to be patient!

3. Take the time to discover yourself: Use the opportunity of getting to know various new people to also get to know more about yourself. By intimately being exposed to all different personalities and behaviors, you are going to find some that you absolutely love, and others that you absolutely cannot stand. Dating different people only reaffirms your own wants and needs, and helps you figure out what you want more of (or less of) in life.

But wait...didn't the former [celebrity couple](#) end their relationship about two months ago? Yes, they did. Now, we are not so sure what is going on in this [celebrity relationship](#). The two had their [celebrity break-up](#) on March 13 after two years of being together. Both of the stars shared some very kind words on social media in regards to their break-up at the time. They seemed to have left off on a positive note, but maybe it was too much of a positive note. It is unclear if the pair is officially back together.

This [celebrity news](#) definitely made some fans happy. How do you know if it is beneficial to go back to your

ex?

Cupid's Advice:

As we all know, break-ups are hard. Sometimes they are so hard that you just wish you could get back together with your ex and bring that happiness back again. But, is that the best idea? There is no right or wrong answer, but here are some signs that it might not be too bad if you got back together with your ex:

1. Your relationship was not toxic: After you have had enough time to reflect on your past relationship, you may come to the conclusion that it was truly a wonderful time. Make sure you are not blinded by a toxic relationship and then throw yourself back into that same sticky situation. If you have a clear view that maybe it just wasn't the right time to be together with your partner but you want to try again now, then go for it.

2. You believe you made a mistake: If you genuinely believe that it was a mistake breaking-up with your partner, then maybe you should reach out to them and let them know that. You go through your life enjoying it but also knowing that if your ex was by your side, you would be enjoying it a little more. Maybe your mind was clouded when you were together but you can see clearly now.

3. You think it is worth the backlash: You need to be prepared that even though you think it may be a good idea to get back together with your ex, they may have completely moved on.

Also, there is sure to be some family and friends who are going to criticize getting back together with your ex. Are these possibilities worth it for you? If you truly feel that whatever comes your way is worth it as long as there is a slim chance that you may end up back together with the love of your life then it may not be a bad idea to reach out and try again.

Relationship Advice: How to Handle Engagement Envy

By Dr. Jane Greer

Fashion model Gigi Hadid really wants her boyfriend, Zayn Malik, to propose after she found out her ex, Joe Jonas, just got engaged. This is a common response of feeling envious when your ex has moved on from being with you and gets engaged to someone else. It's difficult to feel like you are a step behind when you see a former partner move forward with increased commitment, planning a future life together with someone else. This can be even more challenging if you are either at a standstill in your current relationship or worse if you're not in one at all. Engagement envy can strike and push you ahead when in fact you might not be ready to get engaged, as well as lead to pressure that can create conflict.

How, then, can you handle envy and see the potential good you have right now instead of focusing on

what could have been or forcing what isn't meant to be yet? Here's some relationship advice.

Even though a relationship is over, there can be that urge to look back and wonder what you could have done differently. There might be a lot of bad that led you to the breakup, but somehow people tend to remember that pot of good that brought and kept you together, no matter how small it might be. With that in mind, it is hard not to wonder what you might have been able to do to work things out with your ex. Should you have tried harder, or given the love you once shared a second chance? These feelings can really come to the forefront when your ex becomes engaged to another person. You might even think that could have been, maybe should have been, you.

Related Link: [Celebrity Couple News: Gigi Hadid's Family Calls Zayn Malik a 'Great Guy' and Says 'She's Happy'](#)

Those negative feelings swirl around the sense that you've been cheated. You were the one who put up with so much negativity and worked at getting your partner to change for the better, and now someone else is going to reap the benefits. Or you might feel it's not fair that your ex so easily found another partner while you might still be looking for Mr. or Mrs. Right. Or, as in Gigi's case, you might actually be part of a new couple, but seeing your ex get engaged to someone else stirs up your own desire to do the same. This could be stemming from not wanting to see your former lover be more successful than you, resulting in your forcing your new partner to take the next step before either of you are ready.

Related Link: [Celebrity Wedding: Joe Jonas & Sophie Turner Are Engaged](#)

All of these scenarios have the undercurrent of envy, which is never a pleasant place to be. So what can you do? First and foremost, remember what was different about the relationship you used to have and why you chose to end it in the first place. Trust your gut that you were taking care of yourself, and the breakup was in your best interest. If your ex was the one to call things off it might help to realize that the expectations he or she had for you were probably unrealistic, and take comfort in the fact that you are now free from that conflict and disappointment.

If you are currently not involved with somebody, it is really important to keep in mind that the connection you had with your ex served a purpose in helping you grow and discover what you are looking for in someone and what you're not. Even though they are now involved with someone else, try to keep that separate from your life and instead let it shed a light on what you want in your next relationship. Rather than getting caught up in feeling left behind or abandoned, or a failure that you and your ex couldn't make it work, focus on what you took out of it to better judge and choose your next partner.

Finally, if you are in a relationship as Gigi is, and your ex is already engaged to someone else, consider that this new situation for your ex may perhaps be a rebound romance. They might be in a hurry to have a commitment, and it still might be just as fraught with the complex issues you had together. Just because he or she is choosing to get married now does not mean it will necessarily be smooth sailing ahead. If you can, sit back and maybe find some relief in the fact that it is not you on the road to marriage with someone you already know brings discontent and hard times to the table.

Hopefully Gigi and Zayn will get engaged when the time is right for them, not her ex.

Being young and in love is never easy, especially for people in the public eye. [Celebrity couple](#) Zayn Malik and Gigi Hadid are no exception. In a recent interview with [UsMagazine.com](#), Malik opened up about his [celebrity relationship](#) with the model. When asked about how he and Hadid handle the public attention, he stated that the two of them try to ignore all the comments. Instead, they focus on each other and “do right” by one another. He also shared that since they both love to cook, many of their date nights are spent cooking for one another and trying out new meals.

We can't get enough of this celebrity relationship! What are some other date night ideas for longtime couples?

Cupid's Advice:

When you have been with someone for a long time, date nights can seem tedious: You cook the same meals, go to the same restaurants, and watch the same movies. If you want to spice it up, check out these fun date ideas:

1. Get out of your comfort zone: When things start to feel too comfortable in your relationship, do something daring! If you and your partner love to dance, go to a new club. If you end up loving it, you have a new go-to spot, and if it's not quite your thing, you have a fun new memory to share with each other. Or take a cue from this celebrity relationship and simply try out a new recipe – it's as easy as that!

2. Get intimate: It is easy to get into a routine with your partner: You come home, eat dinner, watch television, and go to bed, only to repeat it all the next day. Often, we forget that intimacy matters in a relationship. To get back into that romantic zone, try getting a couples massage. This way, you will be able to relax from the stresses of your life and also feel closer to one another.

3. Get competitive: There is nothing more fun than beating your partner in a heated round of a board game. While this date idea may be simple, it is also extremely overlooked. Having a game night is the perfect way to show off both your competitive and flirty sides. You could even make it interesting and make bets. Winner gets to choose a romantic dinner destination!

"As long as she's happy in a relationship, that's all we want." Safai said sweetly, "So I'm just happy that she's happy."

This celebrity couple is happy as can be! What are some things you can do about an unhappy relationship?

Cupid's Advice:

When it comes to famous celebrity couples, it's great to see ones like Hadid and Malik who have officially achieved romantic bliss. But sometimes in relationships, things don't go as smoothly. Here are Cupid's top tips for dealing with an unhappy relationship in your own life:

1. Talk it out: First things first, prioritize communicating clearly with your partner. If there's building resentment, frustration or some issue that's become a roadblock to your happiness as a couple, sit them down and hash it out. It may be painful or angering in the moment, but ultimately it will do nothing but benefit your relationship and each other to know where both of you stand and that you're both seeking resolution.

2. See a counselor: While many couples cringe when they think about sharing their problems with a relationship expert and therapist, there are many upsides to bringing an unbiased third party into your discussions. Try to see this not as a sign that your relationship is not going as planned, but that you and your partner are both committed to talking your feelings out in healthy and fair ways. If anything, it's an indicator of how dedicated you both are to preserving your relationship, not the other way around.

3. Know when it's time to walk away: As painful as break-ups can be, there is nothing so painful as spending all your time trying to repair something that will simply never be truly fixed. If your partner isn't doing their share to deal with your issues as a couple or if you feel that they've permanently damaged your trust in them, don't be afraid to

just say the words out loud; “It’s not working.” It may seem scary and sad in the moment, but ultimately you’ll be happier on your own and eventually with someone else than you would be staying in a relationship that isn’t meant for you.
