Find Your ‘Clutch’: Relationship Advice from Author Lisa Becker

By Samantha Vlahos

Being a single gal gets difficult from time to time. There are only so many failed date ideas one can endure before wanting to give up on the idea of finding the one. Lisa Becker's hit new romance chick lit, titled *clutch: a novel*, follows protagonist Caroline Johnson as she endures many dating misadventures. The single purse designer compares her unsuccessful relationships and love to different styles of handbags, and with her best friend by her side, she wears her heart on her sleeve and continues to search for her "clutch," that special someone that she wants to hang onto.

In our exclusive author interview, the dating expert gives us a glimpse behind the evolution of *clutch* and reveals her best [relationship advice](#) about online dating and having the courage to find true love. And the best part? If you're still searching for the perfect gift this holiday season, the Takashi bag by Harper Avenue is a must-have holiday item. Use the discount code below for 20 percent off!

The Takashi bag by Harper Avenue.

Relationship Advice to Help You Find Your Clutch

We're so excited to read your fourth book *clutch: a novel!* What inspired you to write about Caroline and her dating misadventures?

I'm a sucker for a good love story and enjoy creating fun and engaging tales that are filled with lots of heart and humor.

Why did you decide to compare men to handbags?

When I was writing the *Click* trilogy, (*Click: An Online Love Story*, *Double Click*, and *Right Click*), I was obsessed with *NCIS* re-runs and would have the show on in the background as I wrote. There was an episode when one of the characters mentioned that men were like purses: something useless to hang on a woman's arm. I started thinking about that, and the idea grew from there. I believe that everyone deserves a happily

ever after and would like to think there's a "clutch," or someone worth holding onto, out there for everyone.

Related Link: [Clicking to Find Love](#)

What surprising revelations about love does Caroline learn throughout the novel?

Throughout her handbag-themed journey to find her "clutch," Caroline learns a few important lessons. Most notably, she realizes that being able to talk honestly with your partner is the cornerstone of a solid relationship. Also, there's never anything wrong with being with someone that makes you happy.

What is the main message that you hope readers take away from your book?

Sometimes, the love you want, deserve, and need is right there in front of you all along. You just need to be open to it.

You've been married for over 10 years. How does that influence or help shape your writing?

I never thought I would get married, so some days, I still pinch myself that I've got a loving, hilarious, and intelligent husband. Writing these books reminds me of how lucky I am to have met him.

What suggestions do you have for women who repeatedly find themselves on unsuccessful dates or are searching for the courage to find love?

In the modern classic film, *The Shawshank Redemption*, Tim Robbins' character, Andy Dufresne, says, "Get busy living or get busy dying." That quote comes to mind when I think about searching for the "clutch." If you feel like it's not going to happen, then my relationship advice is to just give up. You heard me. GIVE UP! Surrender to that notion that you'll end up alone. If that's truly the case, do you want to spend the next 30, 40, or even 50-plus years wallowing in misery? Sitting

around and lamenting your singleness? Or are you going to get busy living? Buy your own home. Travel to all of the places you want to visit. Adopt a child. Write that novel. Engage in hobbies and activities that bring you joy.

Chances are, when you start focusing on *what* will make you happy – not *who* will make you happy – you *WILL* be happy. Happiness is evident and infectious. Happiness makes you more interesting and more attractive to someone else. And when that happens, you're more likely to meet the right person who's going to complement the amazing life you've created for yourself.

Related Link: [Four Dates and a Wedding](#)

You met your husband through an online dating site. What is your best tip for our readers who are struggling to get past the creeps and find a genuine guy?

Connecting with the right person online starts with you. When writing your online profile, be honest. Don't say you're an exercise junkie if you're really a couch potato. Don't post a photo from 10 years earlier. Don't downplay your intelligence or success because you think men will be intimidated by the real you. While you might garner a lot of interest early on, the truth will eventually come out. Nothing stunts a budding relationship and love more than deception and lies.

Also, my love advice is to let your personality shine through and be specific about the things that make you special, including hobbies and interests. It's your chance to make a positive first impression while being in complete control of the messages you are delivering.

The main character in my novel, *Click: An Online Love Story*, writes in her profile: "I cry at Hallmark commercials, sing (sometimes off key) with the radio while driving, own more pairs of black shoes than should be legal, and my fear of flying is rivaled only by my love for chocolate."

My relationship advice is to tell someone who you *really* are, including your sense of humor, interests and confidence level. Be creative!

You balance working and writing with being a full-time mom – not an easy task! Any advice for other working moms?

Organization is key! I have a master to-do list that I update weekly to keep track of school projects, sports practices and games, and after-school activities as well as all of my personal deadlines and appointments. I also use a spreadsheet to map out meals for the week along with groceries needed so that I never have to worry about what to make for dinner or spend time making multiple trips per week to the store. Shopping online is also a big time saver. If I'm writing and enduring a bit of writer's block, I can quickly click over to Amazon and order things I need.

What would we find if we looked in your handbag right now?

Aside from the standard wallet, keys, sunglasses, and hand sanitizer, you'll always find snacks for the kids. Never (ever!) leave home without snacks for the kids.

Related Link: [Looking for Love is Like a Job Search](#)

If you were given an offer to turn *clutch* into a movie, who would you want to see playing the roles of Caroline and Mike?

I think Eloise Mumford, who played Kate in *Fifty Shades of Grey*, would make an outstanding Caroline. She has the right mixture of warmth, gumption, vulnerability, and beauty to bring this character to life. I still can't decide on who would play Mike, although I know I'd love to sit in on those casting sessions.

Do you have any other upcoming projects or anything else you'd like to share with our readers?

clutch actually started out as a screenplay that was under

option at a major studio, but it fell out of development. I turned it into a short novel so I could share this charming and hilarious tale. I'm eager to see if there's interest from someone else on bringing this fun and quirky story to the big screen. So if you happen to be a well-to-do movie producer looking to make a new romantic comedy, please get in touch!

Celebrity Interview & Giveaway: Florist David Goldstein Says to "Go the Traditional Route" for Valentine's Day

This post is sponsored by BloomNation.

By Shannon Seibert

Named by *Entrepreneur* as a Top 5 Silicon Beach Startup to Watch, BloomNation caters to an exclusive and extensive clientele. The florists create and sell unique and hand-crafted original designs. More specifically, My Beverly Hills Florist, owned by celebrity florist David Goldstein, guarantees arrangements that stay away from the cliché, cookie cutter options. In 2004, he opened his floral studios in Los Angeles and Beverly Hills, and since then, he has catered to some big names in Hollywood, including Dennis Quaid, Russell Simmons, and OWN (the Oprah Winfrey Network). Business flourished due to his European flair, contemporary trends, and stunning style of floral expressions for all occasions and affairs. In our celebrity interview, Goldstein shares his best dating advice and offered his expertise to ensure that your relationships and love thrive on Valentine's Day!

Florist Shares Dating Advice in Celebrity Interview

During the season of love, the floral industry is quite busy! There are a lot of criteria to consider when choosing what flowers to purchase, but there's one major focal point according to Goldstein. "People know about color," he says. "They know about reds, hot pinks, purples, and all of the other passionate colors. These are the colors of flowers that people are most likely to pick." For first dates, people tend to stick to light pinks and softer colors since they're generally safer. "And for new relationships, I would go for hot pinks, specifically peonies," the floral expert advises.

Related Link: [Expert Dating Advice: Valentine's Day Tips](#)

For Valentine's Day, though, he recommends a time-honored flower: "Roses are very common, but they are always classy. The holiday is all about love, so I would definitely go the traditional route," he says.

If you're still struggling with making a decision, Goldstein encourages you to consider your loved one's personality and tastes. "Every flower, in my opinion, is beautiful, but everyone is different," he shares. "English garden roses are definitely my favorite because they're really hard to get your hands on."

The florist agrees that flowers are the go-to gift for women, but this begs the most important question of this celebrity interview: Do men want to receive flowers too? Goldstein thinks so! "Calalillies and darker colors are very manly," he reveals.

No matter what, go with your gut when selecting the perfect arrangement for your love. "Stay away from daisies and carnations," he says. "Otherwise, you can pick out any flower

you want, and it will be appreciated.”

What Flowers Do Celebrities Prefer?

Being centered in Los Angeles and Beverly Hills has its perks, thanks to the many famous residents! This florist has covered a wide variety of events from celebrity weddings to baby showers, and some are more unusual than others. “I did the wedding for George Pajon Jr. of the Black Eyed Peas in Mexico,” he excitedly reveals. “It was right after Valentine’s Day, and we did thousands of red roses inside a cave!”

Related Link: [Former ‘Bachelorette’ Desiree Hartsock Shares Celebrity Wedding Photos](#)

It’s no surprise that Goldstein prefers the one-of-a-kind events to the more traditional ones. “Large events are fun, but I personally like more unique occasions, like intimate parties,” he explains. His newest project is for nearly 100 celebrities in the music and modeling industries. “Naomi Campbell might show up, and maybe Tyra Banks and Kim Kardashian too,” he says about the super-exclusive event.

So what flowers do celebrities enjoy most? “They do a lot of white flowers, like gardenias, orchids, casablanca lilies, and peonies, which are rare,” he shares. “We have a couple of celebrities who just don’t do roses.”

10 Celebrity Love Affairs with "Normal" People + 'Beyond the Lights' Giveaway!

This post was sponsored by Beyond the Lights.

By [Sarah Batcheller](#)

We all love to see it when a person who lives in the limelight finds love with someone who is so-called “normal” – someone who does their own grocery shopping and works regular hours to make a regular paycheck. Maybe it’s because we like to fantasize about the possibility of finding love with a celebrity ourselves...or maybe it’s because romances like these prove that love knows no boundaries.

In the new film *Beyond the Lights*, premiering on Friday, November 14, pop star Noni falls in love with a police officer named Kaz, assigned to protecting her. In honor of the unlikely yet heartwarming relationship depicted in the movie, we’ve decided to pay tribute to 10 celebrity love affairs with normal people.

'Beyond the Lights' movie poster.

1. Kevin Jonas and Danielle Deleasa: Jonas spotted the former Jersey hairdresser while both were on vacation in the Bahamas with their families. He approached her, and their love blossomed from there. The two are now married and have a daughter.

2. Elizabeth Banks and Max Handelman: The *Hunger Games* star met her now-husband, a sportswriter and producer, in college in 1992. Banks converted to Judaism upon marrying her true love, and the couple has two sons.

3. Anne Hathaway and Adam Shulman: Hathaway's own princess diaries came true when she married the jewelry designer in 2012, a few years after her previous beau was sent to prison on serious fraud charges.

6. Jimmy Fallon and Nancy Juvonen: Everyone's favorite comedic TV personality married his lover, a film producer, back in 2007. The two, who were introduced by Drew Barrymore, are proud parents to their daughter and golden retriever.

7. Julia Roberts and Danny Moder: Roberts met her cameraman-hubby on set in 2000 while both were still in other relationships. Since marrying in 2002, the couple has welcomed three children.

What's Your Sign? Get Gel Nails With NaiLuv At-Home Professional Gel Kit & Zodiac Collection

This post is sponsored by NaiLuv.

By Liz Kim

Think that you can get fabulous gel nails only at the salon? Think again! CupidsPulse.com and [NaiLuv](#) have teamed up to bring you the ultimate gel nail giveaway. With their easy-to-use Gel Nail Polish 9-Piece Complete Kit and their Zodiac

Collection of 12 colors, you'll have fabulous and long-lasting gel nails all year-round.

Gel polish has been a beauty buzzword for quite some time now – and for good reason. It's a safer alternative to acrylics because, even when the gel polish is removed, your nails are left stronger and harder than with acrylics, which can leave nails feeling thin and brittle. Gel polishes are created to stay on longer and don't wear off or dent as easily as regular manicures. You're also left with a shiny and smoother looking manicure.

But gel nails can be on the pricey end, especially if you regularly go to the salon. With NaiLuv's kit, you'll save money *without* having to sacrifice beautiful nails. If you're the type that loves to have a new nail color with every outfit, these products give you the polished look of painted nails without the commitment to a color.

The Gel Nails Starter Kit includes all of the essentials to achieve a perfect manicure at home, including: a four-watt Battery Powered LED lamp, NaiLuv gel polish "Homebody Not" (15 mL), dual purpose base/top coat (15 mL), bonder (15 mL), cleanser (60 mL), remover (60 mL), cuticle stick, and nail file. The directions couldn't be simpler! Prep your nails with the cuticle stick and buffer. Then, apply a thin layer of the bonder, followed by the "Homebody Not" polish. Place your nails under the LED light. Add the topcoat and place your nails under the LED light again. You'll have a salon-worthy manicure that won't smudge or dull in just about 10 minutes.

If you're into astrology, you can share your sign with your nails! Along with the at-home gel kit, NaiLuv is also giving away their Zodiac Collection polish set. The 12 shades are heavily pigmented and guaranteed to satisfy even the most stubborn of Tauruses. NaiLuv's polishes last for up to two weeks, and with such smooth application, you won't have to worry about bubbling, inconsistent drying, or runniness.

After a long winter of gloves and hands stuffed into coat pockets, it's time for you to show off your nails and welcome summer with bright, beautiful gel manicures. With NaiLuv, achieving a professional look is as easy as 1-2-3!

~~GIVEAWAY ALERT: To enter for a chance to win the NaiLuv At-Home Professional Kit and Zodiac Collection, go to our [Facebook](#) page and click "like." Then, email cupid@cupidspulse.com with your full name, address, email, and daytime phone number BEFORE 5 p.m. EST on Monday, June 9th. Be Fun, Flirty, and Confident with Juicy Couture Malibu Collection!

This post is sponsored by Juicy Couture.

By Laura Seaman

Give everyone around you a taste of your free spirit with Juicy Couture's Malibu Collection fragrances. With your fresh and fruity smell, there'll be no doubt that you're a

fun-loving girl ready to go out and seize the day. That's exactly who single guys are looking for this summer: someone who's flirty and ready for anything!

Be the confident star you always knew you could be with these two scents that will take you back to the California coast – even if you're in a tiny East Coast bar trying to catch that cutie's attention. Let his mind wander past the smell of beer and over the sound of the baseball game and into the image of you two sitting on a sunny Los Angeles beach with strawberry daiquiris in your hands.

Put on a spritz of Juicy Couture Malibu before you leave for your first date. He might be expecting to see you all dolled up, but what he *isn't* expecting is a blast of watermelon, pink passion fruit, and jasmine flowers to announce your presence. When you walk over to greet him, he probably won't know how to react, so just be ready to pick his jaw up off the floor.

When he asks to see you again (which we know he will), keep him guessing with a completely new scent. Spray a little Couture La La Malibu to entice him with the smell of red currant, orange blossom, and pink sugar crystals. Don't be surprised when he sticks to your side all night – he just can't get enough of you!

Now, for the best part: CupidsPulse.com is giving away both of these fragrances, Juicy Couture Malibu and Couture La La Malibu, to one lucky reader! These perfumes are sure to bring out that confident and sexy California girl in anyone, and no man can resist that. Let yourself stand out and shine this summer!

Giveaway: Get Your Best Skin with Savane Organic Skincare

This post is sponsored by Savane Organic Skincare.

By Louisa Gonzales

It's no secret that you spend a lot of time outdoors in the summertime and are thus exposed to the harsh rays of the sun, which can be damaging to your skin. That's not what you want when you're hoping to get that sun-kissed tan that will have you looking hot for your beau. But don't worry! [Savane Organic Skincare](#) will rejuvenate your skin and give you a fresh look that's perfect for the warmer season.

The Savane Range collection blends together ancient and traditional knowledge with modern green science to give you Africa's unique botanicals in their most natural form. The products work hard to penetrate the skin to help restructure, regenerate, and revitalize it. The main goals of these items are to protect your skin, to help in the fight against premature aging, and to restore the skin to its natural balance.

There's no need to let unhealthy skin get in the way of your summer romance. Instead, invest in the Gentle Exfoliant, Purifying Toner, and Protective Moisturizer from the Savane Range collection. First, the exfoliant, made with Rooibos flakes and sugar, will gently polish your skin without damaging it. It'll also stimulate cell rejuvenation and soften your skin, thanks to the Marula and Jojoba oils.

The toner, which is one hundred percent natural, will brighten up tired and dull skin. It's job is to refresh and even out your complexion. The product's powerful antioxidants – aspalathin and super-oxide dismutase – will help prevent premature aging and fight to protect your skin against all of the hazardous things that we face daily, like pollution, smoke, sun exposure, and stress.

Finally, lather up with the moisturizer. It will give your skin the deep hydration it needs to look radiant. The antioxidants from Rooibos and Baobab protect the skin against damaging free radicals, while the Manketti and Yangu oil protect it from the sun. Plus, the Kigelia tightens your skin

and can repair the damages caused by the sun.

CupidsPulse.com will be giving away these three Savane products to one lucky reader. Before you know it, you'll have healthier and smoother skin. You'll also have the confidence you need to attract the attention of your crush *and* to feel comfortable in your own skin!

~~GIVEAWAY ALERT: To enter this giveaway, email cupid@cupidspulse.com with your full name, address, email, and daytime phone number BEFORE 5 p.m. EST on Monday, May 19th. In the subject line, please write "Savane." You can enter the contest only once. Good luck!~~

Giveaway: Harness the Power of Antioxidants with derma e Skincare Bundle

This post is sponsored by derma e.

By Elizabeth Kim

Even after eating a balanced diet, exercising, getting enough sleeping, and drinking plenty of water, the amount of toxins we're exposed to each day is astounding. Sun exposure, secondhand smoke, and even stress can build up these harmful chemicals that are absorbed by the body. Free radicals try to compensate, but because they damage the cells, we end up with wrinkles. Luckily, CupidsPulse.com is teaming up with derma e to share with you five of their bestselling products aimed at bringing back the glow and firmness of healthy, nourished skin.

Dr. Linda Miles, the co-founder and chief formulator of derma e, considers herself first and foremost a healer and believes that our skin is the "outward expression of our inner health." Using her 30 years of experience with oriental medicine and holistic practices, Dr. Miles formulated products that do more than cover up your problem areas: They optimize your skin's

health and give you visible, glowing results.

Antioxidants serve as the body's natural protectors against free radicals and stop them before they damage the cells, which is why derma e products are antioxidant-rich. When applied topically, they are the quickest way to protect skin. Fine lines and wrinkles are smoothed out; inflammation and hyper-pigmentation are soothed; and texture and elasticity are greatly improved.

Our giveaway bundle includes the **Evenly Radiant Brightening Day Creme with SPF 15**, **Evenly Radiant Brightening Night Creme**, **Evenly Radiant Brightening Serum**, **Evenly Radiant Dark Circle Eye Creme**, and **Microdermabrasion Scrub**.
