Here at CupidsPulse.com, taking care of ourselves while protecting our planet and its surroundings is an important part of our everyday routine. As ladies, we use multiple beauty products without realizing what harmful ingredients might be in them. In keeping up with Earth Day this month we

wanted to give a shout out to green&glam, an all-natural company that you can trust. They carry top-quality collections of natural hair and skin care items that don't sacrifice performance for the sake of being 100 percent natural.

Tara Verkuil, founder of green&glam, was a mom who became fed up with all the toxic ingredients found in beauty products and felt that well-known brands were jumping on the eco-friendly bandwagon and "greenwashing" consumers. This feeling ultimately inspired her to create green&glam, a collection of natural beauty products that rival the performance of the biggest names in beauty while keeping the world beautiful and pure. The products are all formulated with certified organic ingredients and sustainably sourced essential oils. They're sulfate-free, paraben-free, vegan, cruelty-free and toxin-free.

One of our favorite items from green&glam is their Body Care Kit. This 24-ounce kit, which includes Shea Body Butter, Body Wash, Body Oil and your very own body sponge is good for all skin types. With three fantastic scents available – Inspire, Harmonize and Unwind – you can choose the mood and essential oils that you desire. These Body Care Kits are indulgent and super luxurious, offering a perfect organic beautifying treatment. Now, one lucky CupidsPulse.com readers will win their very own green&glam Body Care Kit. They say that scent is one of the primary forms of attraction. Lucky for you, in today's perfume world, there are so many fragrances to choose from that you're sure to find one that pleases your partner's senses. For those of you who have yet to discover a scent that screams (or smells like) "you," Valentine's Day is a wonderful time to continue your search. Two fragrances that you must try are Britney Spears's *fantasy*

*twist* and Juicy Couture's *Couture La La*.

*fantasy twist* gives you not one but two scents to make your own. Joining two of Spears's best-selling fragrances in one unique package, it includes *fantasy*, a potion of succulent fruits, white florals and creamy musk that results in a cupcake accord, and *MIDNIGHT fantasy*, an intoxicating blend of woody musks, vanilla and exotic fruits. As the pop star said, "I wanted to combine two of my favorite fragrances into a sophisticated bottle, giving my fans the power to choose the scent they desire at any given moment."

With *Couture La La*, Juicy Couture introduces their second fragrance, which reveals the daring and unexpected side of the well-known Juicy girl. "She's confident and fearless but at the same time flirty and feminine," LeAnn Nealz, President and Chief Creative Officer of Juicy Couture, explains. "*Couture La La* evokes her free spirit, and in turn, she makes a statement without even trying." If this woman sounds like you, this fragrance, which blends sparkling fruits, white florals and smooth wood, is the perfect one to spray.

And now for the fun part: we're giving away two bottles each of these two delightful fragrances. Four CupidsPulse.com readers will win a bottle of either Britney Spears's *fantasy twist* or Juicy Couture's *Couture La La* – just in time to impress your man after Valentine's Day!

While the season of gift giving is upon us, it is also the season of stress and crowded malls and last minute shopping. With the endless options of presents, how do you ever decide what to get your sister, best friend and co-worker? One idea –

something that is unique and smells good to boot – is purchasing a new perfume. With that thought in mind, we decided to round up the best celebrity fragrances of 2012 – and hopefully help you out with some of your holiday shopping. Plus, two lucky CupidsPulse.com readers will win a bottle of Wonderstruck by Taylor Swift!

**1. Girlfriend by Justin Bieber:** It's no surprise that the pop superstar's first scent, Someday, was the biggest celebrity fragrance launch in history. The name of his second fragrance, which debuted in June of this year, captures a dream-come-true for so many of his fans: to be Justin Bieber's girlfriend. Perfect for the Belieber in your life, Girlfriend combines fruity notes of mandarin and blackberry with exotic scents of pink freesia and star jasmine, topped off with vanilla orchid and luminous musk.

**Related Link:** [Extravagant Celebrity Gifts Within Reach of Your Budget](#)

**2. FAME by Lady Gaga:** Of course, this musical sensation makes sure everything she does is one notch above the rest – and the development of her first fragrance was no different. FAME is the first-of-its-kind black Eau de Parfum: using fluid technology, it is black in the bottle but invisible once airborne. Created with her little monsters in mind, it smells of belladonna, incense and apricot and empowers its wearer with its mysterious scent.

**3. Pink Friday by Nicki Minaj:** Nicki Minaj partnered with Elizabeth Arden for her debut fragrance, named after her 'Pink Friday' album and world tour. Building off of her signature sound and style, she wanted this scent to be a celebration of her life and a reflection of herself. The fragrance includes mouth-watering fruits, pink foral petals and the warmth of vanilla, musk and woods. If the smell isn't enough to grab the attention of Minaj's Barbz, the outrageous bottle design will

surely do the trick.

**4. Nude by Rihanna:** Described as “sassy and feminine” by the songstress herself, this fragrance – the third one by Rihanna – is a sweet floral and fruity scent with a vanilla background. With a base of sandalwood, orchid and “second skin” musk, the fragrance offers a feeling of intimacy and bare skin to its wearer. The simple yet beautiful bottle design adds a touch of sophistication to the scent as well. As Rihanna said at the fragrance’s launch, “It’s subtle but makes a statement no matter what.”

**Related Link:** [Top 3 Pre-Date Primping Rituals](#)

**5. Wonderstruck Enchanted by Taylor Swift:** The newest scent in this country crooner’s Wonderstruck fragrance collection, this perfume smells of creamy flowers, like peonies and white freesia, mixed berries and vanilla musk. Of Wonderstruck Enchanted, Swift says, “Wonderstruck is about that moment when you instantly feel a connection to someone, but then there’s that feeling of being completely enamored – enchanted – when you know a little more about that someone.” It’s a perfect present for anyone who loves Swift’s honest and heartfelt lyrics.

You know you have to dress to impress, but winter's on its way, and with it comes the death of all your favorite outfits. After months of begging your girlfriend to help make it happen, you finally score a date with the tall, handsome

coworker you've been eyeing in her office. He finally takes notice and asks you out on an incredibly romantic date to a fantastic Italian restaurant. The only problem is that every meal on the menu features your worst enemy: garlic. How are you supposed to impress this guy when bad breath is getting in the way?

While this scenario may be your worst nightmare, there's an easy solution. Binaca breath fresheners, including Breath Drops and AEROblasts Breath Spray, will save the day in sticky situations just like this one. After all, Binaca breath fresheners are the only fresheners that have passed the "kissalicious" test. These products kill the germs that cause bad breath and dissolve lingering aftertastes instantly to make you ready for that kiss at the end of the night.

The best part about Binaca breath fresheners is that you can carry them around with you anywhere. In one small bottle, you'll get 150 drops or sprays of instant breath freshener in a cool, refreshing and kissable flavor of peppermint, spearmint or cinnamon. Just one drop or spray on your tongue after a meal, and you won't have to worry about your breath being anything less than fresh.

These breath drops come in handy beyond date night too. With all the great feast-filled holidays coming up, it will be hard to escape breath-killing foods. Garlic mashed potatoes, candied yams, stuffing, egg nog, and cranberries can leave you with less than fresh breath. If you want to impress your sweetheart and his family or friends, you need to keep your breath fresh – without missing out on all the festive treats.

For one week only, one lucky CupidsPulse.com reader will be getting a YEAR'S supply of Binaca breath fresheners to save them from a dating crash-and-burn. That's right, one year! Check out the giveaway below.

**GIVEAWAY:** To enter, "like" the [Cupid's Pulse fan page](#) on

Congratulations to Shannon Pacella for winning a year's supply of Binaca breath fresheners!

Ladies, let's face it. No matter what frustrating gender-based challenges still exist in this male-dominated world, women have more rights and freedoms than ever before, thanks to the hard work of our ancestors. That is not to say that everything is perfect; such a concept may never exist. However, in this day and age, it is finally possible to have your cake and eat it too. We are better women, better lovers and better mothers. If history has any knowledge of our future, chances are, we are only going to get better with time.

One woman familiar with the concept of having it all is Nicki Minaj. With her creative musical abilities, iconic sense of style and star originality, she set out to succeed in the male-dominated hip hop world – and has done an incredible job thus far. Minaj continually pushes through boundaries to

Pink Friday captures her vivacious personality and effervescence in both its intoxicating notes and thrilling presentation. The unique bottle design (seen below) is another example of her 'wow' factor.

We've all been there: it's your first date with your tall, dark and handsome crush from the accounting department. You want to look perfect for this guy and have picked out your favorite date outfit to wear to a movie in the city. Unfortunately, as you're getting ready for the night, it begins to downpour outside. You want to make a good impression for your new man but can't see yourself trekking through puddles in 3 inch open-toe heels. Clunky old rain boots aren't an option either. Luckily, the new Laguna boot from [Ahnu](#) can save your date night from being a fashion disaster and keep your feet dry and warm, no matter what the weather brings.

The Laguna puts a modern spin on your average rain boot. Rather than your typical boxy slab of rubber, these patent leather boots come in a streamlined shape that lean less

towards puddle-jumping in the schoolyard and more towards walking through the water in the city. Wear them on a rainy date or even just on a romantic stroll with your sweetheart after a storm.

The boots are not only waterproof for practicality, but they also come in three wonderful colors for the fashion-minded bunch: Golden Brown, Black and Wine Tasting. Plus, the front laces help you secure the boots and keep you extra comfortable – and the side zipper provides an easy on/off for when you get home.

Now is the perfect time to try them out before the wet weather begins. Ahnu is giving away a pair of Laguna boots to one lucky CupidsPulse.com reader! Enter the giveaway below and never worry about the weather ruining your romantic night again.

Whether you're divorced, married or single we can all relate to the heartbreak and fury one in every two married couples are facing these days. One thing to keep in mind is that it's "better to be mad than sad" – as Ruthe Ponturo, creator and co-producer of [Divorce – The Musical](#), says.

After a blissful, 34-year marriage Ponturo had her life turned upside down the day her husband unexpectedly told her that he no longer wanted to be married to her. She was left in complete shock with many thoughts running through her mind: Is he having an affair? Is there a younger woman? Is this just a part of his mid-life crisis? Instead of spiraling into depression, getting plastic surgery or wallowing in self pity, Ruthe made the bold choice to express her boiling emotions through comedic songs.

Partnering up with musical director, John Thomas Fischer, they created 'Divorce – The Musical': a cabaret show which showcases Ponturo's "get on with life" attitude through a variety of hilarious songs all from different genres. The musical offers something for everyone, especially an opportunity to laugh until you cry.

Dying to see how this strong woman triumphed despite hardship and heartache? Well, one lucky CupidsPulse.com reader will have the chance to win two tickets to see the show in NYC by following the details below:
