## Cupid's Advice:

New relationships are so much fun, but there's always a rush to get that deeper connection. If you're in a new relationship and looking to grow your bond, Cupid has some advice for you:

**1. Introduce them to your family:** When you bring your partner to meet the people who are closest to you, your family, it brings you two closer. It tells your partner that you're serious about your relationship and that you're in it for the long haul.

**2. Spent time getting to know each other:** In new relationships, you don't know everything about your partner. The more time you spend just talking and asking each other random questions, the faster you will know everything about one another. Knowing your partner inside and out will only build a foundation for a long-lasting relationship.

**3. Make memories together:** When you look back on some great moments you've had and your significant other was there experiencing those great times with you, you will be able to reminisce. Whether it's taking a vacation or even going to an amusement park together, looking back on the good times you

spent together will bring you two closer together.
