Here at CupidsPulse.com, taking care of ourselves while protecting our planet and its surroundings is an important part of our everyday routine. As ladies, we use multiple

beauty products without realizing what harmful ingredients might be in them. In keeping up with Earth Day this month we wanted to give a shout out to green&glam, an all-natural company that you can trust. They carry top-quality collections of natural hair and skin care items that don't sacrifice performance for the sake of being 100 percent natural.

Tara Verkuil, founder of green&glam, was a mom who became fed up with all the toxic ingredients found in beauty products and felt that well-known brands were jumping on the eco-friendly bandwagon and "greenwashing" consumers. This feeling ultimately inspired her to create green&glam, a collection of natural beauty products that rival the performance of the biggest names in beauty while keeping the world beautiful and pure. The products are all formulated with certified organic ingredients and sustainably sourced essential oils. They're sulfate-free, paraben-free, vegan, cruelty-free and toxin-free.

One of our favorite items from green&glam is their Body Care Kit. This 24-ounce kit, which includes Shea Body Butter, Body Wash, Body Oil and your very own body sponge is good for all skin types. With three fantastic scents available – Inspire, Harmonize and Unwind – you can choose the mood and essential oils that you desire. These Body Care Kits are indulgent and super luxurious, offering a perfect organic beautifying treatment. Now, one lucky CupidsPulse.com readers will win their very own green&glam Body Care Kit. It's time to treat yourself, ladies!

Finally, be worry free and trust that your products' ingredients are natural and safe – good for both you *and* the environment. green&glam will transform your hair and skin from the inside out.
