

Beauty Trend: The Best of Spring Hairstyles

By Megan McIntosh

Spring is all about rebirth and renewal. After a harsh winter of keeping your hair and body covered, it's time to let your hair down. There's no better way to step into Spring and Summer than by sporting a new hairstyle. Every new season, old hair trends come back into play. You'll see them on everyone from the locals to celebrities on TV and in movies. This Spring, some hair [beauty trends](#) have made a comeback on celebrities like Zendaya and [Chrissy Teigen](#), but it's clear it's all about making the cut.

With a new season, comes the time to cut into a new hairstyle. Cupid has many new Spring hairstyles for you to debut with a bang.

It's not always easy to make the cut when it comes to your hair. Sometimes it can be hard to even give yourself a trim. But it's clear that snapping off some inches is the trend this season, so what better way to build that confidence than to emulate the most confident of stars?

1. Sweeping bangs: Sweeping bangs are so named because they're not as harsh or as much of a commitment as full-on bangs. They're all the fun of a fringe with none of the regret. Because these bangs are able to sweep to the side, you can have bangs on the days you want and go without on the days you don't. It's clear though, bangs are here to stay this Spring.

2. Get blunt with a bob: Blunt bobs have made a comeback this Spring season. There's something sophisticated yet wild about this look. You can rock this hair cut in the office or a night on the town. Jenna Dewan and Sarah Paulson make it look easy, but just make sure that the blunt bob you go for fits your face shape and jawline.

3. Curly with a bang: Some people think it's impossible to rock bangs with curly hair. Stars like Zendaya and Natasha Lyonne have been all about the curly bangs this season, and they've been doing it well. The key is finding the right stylist who can work with your curl pattern to find the bangs that fit perfectly.

4. Groovy baby: Looks like the 70s are making a comeback this Spring with a shaggy look. Celebrities like Chrissy Teigen make this hairstyle look carefree and easy with textured layers. No doubt it took careful planning and moose distribution to create this messy look, though. This layered cut can also make your hair look fuller if you have thinner hair.
