According to *UsMagazine.com*, sources say the reason Jolie is revving up the custody battle is because, “She sees the writing on the wall: Joint custody is a done deal, and there is nothing she can do to stop it.” Pitt was the subject of a child services investigation immediately following Jolie’s divorce filing, but he was cleared of any wrongdoing. Though Jolie has held primary custody of the kids, Pitt has been granted increased visitation rights. In June, Pitt was granted temporary shared custody for the summer by an L.A. judge. He is going to trust his lawyers and inner circle of friends to continue to be there for him – and get him joint custody of the kids.”

## **Fitness Trend: Cold Therapy**

By [Haley Lerner](#)

Cold therapy, or cryotherapy, is one of the coolest (pun intended) [fitness trend](#) going on right now. Cold therapy is when you apply something frozen or cold to an area of your body to treat pain. There are various methods of cold therapy, such as icepacks, ice massage, whirlpools, ice baths or coolant sprays. We've got some reasons why cold therapy is one of the best ways for managing pain.

**Check out our [fitness tips](#) on why cold therapy is a great pain management option for you!**

**1. Pain relief:** Cold therapy is a great pain relief option instead of pain relievers. Cryotherapy can reduce swelling and sensitivity to pain. Cold therapy is very useful directly following an injury, as it constricts blood vessels to reduce blood flow to the area, limiting inflammation and muscle spasms.

**2. Burn fat:** By exposing yourself to the cold, you activate brown adipose tissue, or BAT. BAT helps produce energy and oxidize fat in muscle tissue. By using cold to activate BAT, your body generates heat, raises your metabolism and burns off fat.

**Related Link:** [Fitness Secrets: Chia Seeds Are the Superfood You Need In Your Life](#)

**3. Be more alert:** Nothing wakes you up more than a cold shower. Cryotherapy can be a great option to help you focus and stimulate your mind to be more awake during the day.

**4. Better your mood:** Some studies show that cold therapy can actually increase your mood. Since there are a high density of cold receptors in the skin, a cold shower can actually send a huge amount of electrical impulses from peripheral nerve endings to the brain. This can then result in an anti-depressive effect.

**Related Link:** [Fitness Tips: How to Stretch In the Morning](#)

**5. Increased immunity:** Cold therapy can apparently help your immune system, as thermal stimulus to cold gives your body an increased tolerance to stress on your body. So, your body is better equipped to handle any diseases thrown at it.

## **Food Trend: Benefits of Eating Local**

By [Haley Lerner](#)

Looking for a way to spice up your diet? One of the hottest new [food trends](#) is eating local. Eating local is when you eat food that is locally grown and produced and is not moved long distances to market. If you're looking for an easy celebrity diet, eating local may be the perfect thing for you and your family to try out. We've got some [food advice](#) on why eating local is a great choice for you. After reading this, you'll want to head straight to your local farmers market.

**Check out our reasons why eating local is a perfect food trend for you to try!**

**1. Fresher food:** One reason you should opt to eat local is

that your produce is going to be so much fresher than when you buy it from a chain supermarket. Fruits and vegetable begin to lose their nutrients as soon as they are picked, so buying food locally cuts down the time it takes for your food to get from the farm to your table.

**2. More flavor:** Another reason to eat local is that produce is being picked in their peak state of ripeness, so you'll get to eat your food when it'll be tasting the greatest. You'll also be only eating food that is in season, so there won't be any artificial ingredients or preservatives in your produce.

**Related Link:** [Food Trend: 3 Reasons Why Low Carb is an Effective Diet](#)

**3. Support your local economy:** One of the best parts of eating local is that your money will go towards local farmers and sellers. You'll be promoting your local economy and helping businesses and services in your community stay afloat.

**4. Environmentally friendly:** Buying locally grown foods help maintain lots of farmland and green space in your community. You can thus help your town become greener and more environmentally friendly.

**Related Link:** [Food Trend: Meal Ideas On the Go](#)

**5. Know what you're eating:** Eating local is a lot safer than buying food from a regular grocery store. You know where your food comes from so there is less of a chance of contamination and safety issues from food traveling from far off locations. You also can ask your local growers about their growing practices so you are really comfortable with what you are eating.

# Why Celebrity Couple Prince Harry & Meghan Markle Are Ignoring Royal Rules

By [Haley Lerner](#)

In [celebrity news](#), royal [celebrity couple](#) Prince Harry and Meghan Markle are apparently ignoring some big royal rules. A source told *People* that Meghan “has found certain rules in the royal household difficult to understand, like the fact that the Queen prefers women in dresses or skirts rather than trouser suits, and is often asking Harry why things have to be done a certain way. I think she finds it a little frustrating

at times, but this is her new life, and she has to deal with it." It appears Meghan is willing to challenge some of the rules of the monarchy, such as public displays of affection. According to *EOnline.com*, Meghan held on tightly to Harry when they made their first public appearance at the 2017 Invictus Games. Meghan has also made it clear she's not afraid to voice her political opinions, proclaiming that she is proud to be a woman and a feminist on her page of the official British monarchy website. She also voiced her opinions at the first-ever Royal Foundation Forum this past winter, "I hear a lot of people speaking about girls' empowerment and women's empowerment; you will hear people saying they are helping women find their voices. I fundamentally disagree with that because women don't need to find their voices, they need to be empowered to use it and people need to be urged to listen. I think right now in the climate we're seeing with so many campaigns, with #MeToo and Time's Up, there's no better time than to really continue to shine a light on women feeling empowered and people really helping to support them—men included in that." Meghan also hasn't shied away from more modest clothing, opting to bear a sliver of her shoulder at her Trooping of Colour debut in June and often wearing suits instead of only wearing the traditional attire of a skirt or dress. Meghan and Harry also chose to make personal decisions regarding their wedding in May. The couple personalized their wedding vows, had a lemon elderflower cake instead of a traditional fruitcake and chose Reverend Michael Bruce Curry, a Chicago native and the first black presiding bishop of the Episcopal Church, to deliver a sermon on their special day.

## **It looks like John and Nikki are experiencing a celebrity break-up yet again. What are some factors to consider before reconciling with an ex?**

### **Cupid's Advice:**

Are you feeling like you might want to reconcile with an ex? Cupid has some factors for you to consider:

**1. Will it last?:** Before getting back together with an ex, you want to make sure that the reconciliation will actually last. For Bella and Cena, their reunion was short-lived. Getting back together just to break up again shortly after can cause you more pain than the initial break up did. If you reunite with your ex, make sure you are completely committed to doing so and you are sure things will last for the long term.

**Related Link:** [On-Again! Celebrity Couple Nikki Bella & John Cena Are Back Together After Calling Off Wedding](#)

**2. Have things changed?:** You shouldn't get back together with someone if all the problems that made you two break up are still there. If you choose to reconcile with your ex, all former arguments should be quelled and you two need to have worked through your problems. If a past issue is still present, it's likely to cause more trouble for you further on in your relationship.

**3. Are you ready?:** It's important you make sure that you are emotionally ready to be in a relationship again after already getting your heartbroken before. You need to make sure prior to reconciling with your ex that you are confident in yourself and are ready for what could happen if the relationship fails again. Don't get back with your ex if you think you won't be able to handle a potential negative outcome from it.

## Beauty Tips: How to Treat Oily Skin

By [Haley Lerner](#)

Sometimes, your skin can really do its best to frustrate you to no end. Perfect skin is nearly impossible to achieve, and dealing with skincare issues can be incredibly trying. One of the most annoying skincare dilemmas is oily skin. No matter how much matte powder you put on your face, sometimes it's difficult to avoid. Oily skin results from the overproduction of sebum from sebaceous glands under the skin's surface. While sebum can help protect and moisturize your skin, too much of it can lead to oily skin, clogged pores and annoying acne. Luckily, we've got the [beauty tips](#) to help solve your oily skin problems and give you the [celebrity look](#) you deserve.

## Check out our beauty tips on how to combat oily skin!

**1. Find the perfect face wash:** The first step to battling oily skin is to make sure you have an effective way of cleaning your face. Sometimes, oil cleansers can actually help greasy skin. The oil in the cleanser can attract your skin's sebum

and rinse it away. You can also go for a face wash containing salicylic acid that will exfoliate your face and help your oily skin. You should also make sure to wash your face twice a day.

**2. Moisturize:** It might seem weird to combat oily skin with more moisture, but it's actually a really important step. Moisturizer can keep the skin's barrier intact and prevent more oil build up on the outside. But, opt for an oil-free moisturizer without any heavy ingredients that will clog your pores.

**3. Be careful with makeup:** Obviously, the best way to help your oily skin is by going makeup free, but sometimes that isn't an option. So, it's important you avoid any foundations that are heavy and will clog your pores. Go for a product that has a light texture and has a matte finish. A good matte powder can also go a long way in minimizing your oily skin.

**4. Blotting papers:** Even if you follow a strict skincare regimen, your skin can still get oily during the day no matter what. That's why you should always keep blotting papers in your purse for an emergency fix. Blotting papers can help you blot any excess oil from your face and are the perfect summer must-have.

**5. Talk to a dermatologist:** Sometimes, no matter how many products you try, it may seem like there's nothing to help your skin. Instead of struggling, consult an expert. Visit a dermatologist so they can look at your skin and figure out what type of treatment is right for you.

Valderrama is the first celebrity guest to visit Lovato in the hospital after she was rushed to the hospital by ambulances from her home in Hollywood Hills on July 24 after suffering an apparent overdose. Some of the information being reported is incorrect and they respectfully ask for privacy and not speculation as her health and recovery is the most important thing right now."

## **These celebrity exes still clearly hold love for one another. What are some ways to support your ex during a trying time?**

### **Cupid's Advice:**

In difficult times, sometimes the right thing to do is to be there for your ex. Cupid has some tips on how to support them:

**1. Show up:** Just like Valderrama did, sometimes the best thing you can do when your ex is struggling is to show up and be there for them. Just because you are no longer in a relationship doesn't mean you don't have to be supportive of them when they are going through something difficult. Just going to them to offer your support and presence is a huge help.

**Related Link:** [Celebrity Exes Demi Lovato & Wilmer Valderrama Haven't Ruled Out Reconciliation](#)

**2. Keep it platonic:** One thing to remember when supporting your ex during a trying time is to not let things go too far and end up getting romantic. Your ex is going through a lot and a past relationship is easily something they can turn to for comfort, but you could end up getting hurt in the end if it doesn't work out. Make sure to support your ex only as a friend and make your boundaries clear.

**3. Rally their friends:** If you actually being around your ex might be too stressful for them, maybe try supporting your ex in a different way. If you still have mutual friends, contact them and let them know they should reach out to them. You can also try to organize a get together where you all can be there for him, without things being as awkward as meeting with just the two of you.
