Holiday outfits are oftentimes overlooked as an essential aspect of the holiday season. You want to look cute, but also feel comfortable enough to focus on holiday activities. Our tips will help you figure out how to land your holiday outfit on the nice list:

1. Add a pop of color: Whether it's a bold purse or a vibrant necklace, adding a subtle pop of color is an easy way to elevate your outfit. Choose to focus on a specific bright color such as blue or pink (or red and green for the holiday season). You want to focus on one color so you don't overdo it. Remember, aside from the colorful accessory you've chosen the rest of your outfit should remain neutral.

2. Coats: If you live in a colder climate, you know that coats are your best friend. A chic coat can warm you up, but also serve as an entire outfit. You can pair comfy clothes with a gorgeous coat to achieve a fashionable yet comfortable look.

3. Suits: A matching suit set is very trendy, but also super easy to style. Checked or earth-toned suits are in this season, so pair the suit with a neutral and comfortable t-shirt.

4. Oversized sweaters: Oversized sweaters are by far the comfiest things in existence. They go wonderfully with some

stretchy leggings or your favorite pair of jeans. Take your holiday spirit up a notch by getting a holiday-themed outfit.

5. Combat boots: They're back! The shoes always seem to in and out of style every few years, but right now they're back. Combat shoes are very easy to incorporate into your outfit, while also making you look totally cool!

This device can jump-start 4 and 6 cylinder engines up to four liters. It even has a flashlight function in case you break down in the car. Non only does it act as a power source for your car, you can also use it to charge any of your devices with a USB port, which will definitely come in handy on those long car rides.

[Skinnies Sungel SPF 30](#), \$33

Skinnies Sungel SPF 30

If you are escaping to warmer weather, or even if you are just going to be spending a lot of time outside, you definitely need sunscreen. If you are from a colder climate and haven't been outside much the past few months, your skin is not at all prepared for UV Rays. You need a strong and reliable SPF to protect you.

We love the Skinnies Sungel in SPF 30. This sun gel is totally revolutionary. It is not made with water like a typical sunscreen so it is better for the Earth and you only need a small amount to last you all day long!

[Pure Biology's Total Eye – Complete Anti-Aging Eye Cream](#), \$18

Pure Biology's Total Eye Complete Anti-Aging Eye Cream

Traveling is exhausting and can wreak havoc on your skin. No matter what form of transportation you are using, you are trapped in a confined space with lots of people and recycled oxygen, talk about an aging experience! On top of that, how often do you get somewhere and actually have time to take a nap, rest and rejuvenate before doing anything? Never? So then you end up looking even more tired!

This is why you need Pure Biology's Complete Anti-Aging Eye Cream. This product provides both immediate and long-lasting benefits. "Fision Instant immediately begins to improve the appearance of the under eye area while Baobab Tien promotes long-term benefits and encourages healthier-looking under eye skin." You can purchase this on Amazon Prime for just under \$18 and have it on your doorstep before Christmas!

[EarPlanes](#), Adult & Child, \$9 each

EarPlanes

EarPlanes are the product you didn't realize you were missing out on until you try them! One of the most frustrating thing about plane rides is that horrible ear discomfort you get from the altitude change and cabin pressure. This product takes all of that irritating pain away and prevents your ears from popping! They even help to reduce loud noises too (I'm looking at you screaming baby).
