Cupid's Advice:

Break-ups can be stressful and often come with a lot of heartaches. The best ways to cope with a recent split can be different for everyone, from hanging out with your friends to eating ice cream from the carton. Cupid has some advice on coping with a recent break-up:

1. Lean on your friends: Sometimes the worst thing you can do after a split is to sit at home alone and dwell on the past. Take this time to spend time with your friends. Go out, dance, and let them help you take your mind off of your break-up; let them be there for you the way you'd be for them if the roles were reversed.

2. Stick to a routine: A break-up can make you feel like the rug has been pulled from beneath your feet. It can be easy to get lost in your sadness and focus on the loss, but sticking to a schedule will help you avoid getting lost in a long crying abyss even if it is something as simple as setting your alarm, taking a shower at a specific time each night, or whatever helps you keep moving forward.

Celebrity Couple Predictions: Ariel Winter, Bradley Cooper and David Foster

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. One of which is new celebrity couple is stepping out in young Hollywood, while a more seasoned couple is prepping for a celebrity baby, and another is just getting things started. . But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Ariel Winter and Levi Meaden: Looks like there's a hot young couple alert, because Ariel Winter and Levi Meaden have stepped out on the red carpet together making their celebrity relationship official after months of speculation. Winter is very smitten with Meadan, though it's not hard to blame her.

He's cute, tall, and he's quite charming. She's a great catch as well. Both of them want to experience a fun, yet respectful relationship. Winter has no time for childish men. Being wise beyond her years makes it a bit difficult for her to find man that she connects with. That's where Meaden comes in. He has no problem with a smart woman whose fiery so they are a good match. Fun is the theme of this celebrity couple and they may even learn a thing or two about love. After Meaden, Winter will end up dating an older man.

Bradley Cooper and Irina Shayk: With a baby on the way and rumors swirling, Cooper and Shayk have everyone wondering if they are engaged. Shayk has a new mystery ring on her finger. But since she hasn't had the baby yet, it's safe to say that it's probably not a push gift. My psychic senses say that they plan to have a secret celebrity wedding to seal the deal. Cooper is all about family and he thinks it's time for him to settle down now that a baby is on the way. He wants to give married life a try since he's seen it work for other longtime Hollywood bachelors. Babies bring about happiness and emotions so it's a wonderful time for Cooper and Shayk. While I would love to say it will be all unicorns and rainbows for these two, that's not the case. They are a bit like a roller coaster. There's a lot of up and down. Right now things are up due to the excitement of the baby. There needs to be a discussion about that each one of them wants in a marriage or they will last about three years tops.

David Foster and Christie Brinkley: Looks like David Foster and Christie Brinkley are spending some quality time together. Actually it's more like there's been one date or two. However with celebrities, one date could mean an engagement in two

months. It's safe to say that Foster has a thing for models since some of his ex-wives were models or beauty queens. While Brinkley seems to like a man with some musical talent since her longest marriage was to singer Billy Joel. This isn't Foster or Brinkley's first time at the rodeo, both of them have a lot of relationships under their belt. If they get married it will be the fifth wedding between each. Maybe the fifth time's the charm? Hold up on the celebrity wedding invitations. This relationship is simply two good looking, age-appropriate people enjoying each other. Marriage does not look like it's in the cards. That is not to say that this romance won't last. It's always nice to have a "maintenance person" on speed dial when one is looking for love. I predict that we won't ever know all the details of their romance, they will keep us guessing.
