## Travel Tips: How to Plan a

# Special Vacation

# Mother-Daughter

By

[Ivana Jarmon](#)

What's more special and memorable than taking your mom on a special mother-daughter trip? There is something about taking a vacation and experiencing new things that creates a special travel bond between you and your mother. We have the perfect [travel tips](#) so you can plan a special mother-daughter getaway.

**Checkout out travel advice on how to plan a special mother-daughter**

# vacation!

**1. Be realistic:** If you're mother-daughter trip rookies, be realistic in the kind of vacation you plan. If you and your mom aren't the type to drink wine, Napa Valley wouldn't be the place for you. Consider your likes and dislikes, and make a list of destinations that fit into both your desires and budgets.

**Related Link:** [Travel Tips: How to Make the Most of Time on Your Vacation](#)

**2. Pick a meaningful destination:** Make a list of dream destinations. Make sure it's a destination that is on both of your bucket lists. Perhaps you want to see where your parents got engaged and your mom would love to see it again, too. That's perfect, because there's meaning behind it.

**Related Link:** [Travel Tips: Indulge in a Romantic Getaway in Tuscany](#)

**3. Research:** Research, research, research! Before you leave, you should know the ins and outs of you're going to do. This means everything from how you're going to get there to where you are staying to (at least loosely) what your plans are while you're there.

**4. Budget:** There are good deals out there! This trip may be special, but you don't want to blow a hole in your wallet. Also, there's no secret that the mother-daughter dynamic may involve an unspoken power struggle. It might be easy and fun to allow your mom to pay for everything at first, but that may come with strings attached. First: There are a lot of websites that have inexpensive plane tickets. Also, there are often times deals that come with buying these tickets in a package, like 20% off your hotel stay. Second: Instead of your mom paying for everything, split the cost. This way you're not

bickering on who paid for what and there aren't any unexpected attached strings.

**5. Compromise:** Embrace change, and try something your mom wants to do. A good option is to choose places you both want to visit and then also have places you want to go on your own respectively. It's good to spend time together, but also make sure you take breaks from each other!

**6. Above all have fun:** Take pictures, try new experiences, and eat lots of new foods! Enjoy each others' presence, and just have fun!

## Cupid's Advice:

It's not easy breaking up, but is it that easy to get back together with an ex? Cupid has some tips on what to consider before getting back together with an ex:

**1. The break-up:** Ask yourself, did the break-up end badly? Why did you break up? Can what was broken be fixed? Were you a better person while with this person, or worse? You must reevaluate your old relationship, and really give some thought to everything you have been through – the good, the bad and the ugly.

In the latest [celebrity news](#), Tate Donovan broke his silence on his break-up from [celebrity ex Jennifer Aniston](#). In 1994, the *Argo* actor guest starred on the famous NBC comedy show *Friends* for a six-episode arc. During that time, Donovan and Aniston were unfortunately breaking up in real life. Reporting

exclusively to [UsMagazine.com](http://UsMagazine.com), Donovan said, "I was just happy to be on the team. The only bummer was Jennifer and I were breaking up at the time. And so that was tricky to sort of act like we are just meeting each other, and falling in love, when we're sort of breaking up. That was tough." Donovan went on to say that because of the break-up, the arc for his character Joshua, a personal shopping client of Rachel Green's (Aniston) at Bloomingdale's, only lasted six episodes. #### **Cupid’s Advice:**

If you go through a break-up, the last thing you want is for it to be the talk of the town. Cupid has some tips:

**1. Privacy is key:** The truth is, no one needs to know about your split. Keep your lips sealed. It’s your business and your business alone. Of course you’ll want to tell a trustworthy few like family and close friends, but no one else needs to know your business. Don’t confirm anything unless you feel ready. Don’t ever feel pressured to confirm something or make any announcements.

**2. Don’t bash each other:** After a break-up, make a pact with your ex to not throw each other under the bus no matter the circumstances. No bashing each other in public or on social

media. Why? The fact is, it's plain rude and shows you have no respect for that person or yourself.

**Related Link:** [Jessica Simpson Runs Into Ex Nick Lachey](#)

**3. Platform:** Your break-up is only news if you put your relationship on such a platform where people will see it. A real relationship doesn't belong in the public eye; it's between two people. Keep your relationship and lack thereof to yourself! It doesn't belong on social media, television or anything that lets others sneak a peek into your personal life.
