How do you know when it's time to call off an engagement?

Cupid's Advice:

When you're set to marry, it can be difficult to just call

everything off ... especially after you've already told everyone about your wedding plans. Here are some ways to know it's time to say "no" to marriage:

1. Wedding plans have ceased: If you don't feel like planning your wedding and your partner feels the same way, it's probably a sign that neither of you are ready to tie the knot. It doesn't necessarily mean you have to break up, but there's no reason to rush into marriage right away.

2. You have doubts: Pay minor doubts no mind, as everyone has worries. But when you start having major doubts about the future of your relationship, it's time to start questioning why you're getting married in the first place.

3. You're not excited: Weddings are a joyous occasion and if you're not anxious for yours, that's not good. Sometimes peer pressure and family obligations can lead you into a marriage you're not ready for, so beware of that and stand your ground.

What are some ways to enjoy a relaxing birthday weekend?

Cupid's Advice:

Though life can be stressful, your birthday is a time to relax and have fun. Here are a few tips for a relaxing birthday weekend:

- 1. Outsource your work:** Instead of hosting a party, take friends out to dinner. By going out, you eliminate all the cooking, cleaning, and prepping that needs to be done before and after a party.
- 2. Keep it small:** Though you may be happy to see all of your friends, socializing with many people may wear you out. By inviting only a few, close friends, you can converse together in a small group, without having to worry about your other guests.
- 3. Enjoy yourself:** Your birthday is one of the only days that

revolves around you. Enjoy the day and do whatever you want. Sleep in, get a massage, go shopping or indulge in a mani/pedi. Don't let anybody else plan your schedule for you.

What are some romantic birthday gifts?

Cupid’s Advice:

Birthdays are a great opportunity to show your special someone how much you care for them. Cupid has some ideas to make their big day unforgettable:

1. Reminisce: Birthdays are a good time to reflect on some of your favorite memories. Revisit some of the special locations where your relationship took flight, like the restaurant where you went on your first date or the place where you shared your first kiss. Remembering these moments together will make the day one your partner will never forget.

2. Arts and crafts: Putting time into hand making a gift for your beau shows them how dedicated you are to the relationship. Scrapbooks and photo albums are always a sweet touch to any celebration. Or, if you enjoy doing crafts together, consider taking a birthday trip to a pottery making or art class and making each other gifts. You’ll undoubtedly come out with new memories!

3. Home cooking: Make your partner their favorite meal. The old adage, “the way to a person’s heart is through their stomach” may actually prove to be true.
