In celebrity couple news, Sofia Richie may be moving on after her split from Scott Disick with Jaden Smith. How do you know you're ready to move on after a break-up?

Cupid's Advice:

Moving on after a break-up can be one of the hardest things to do. There are a few ways to tell if you're ready to start thinking about moving on, so if you're thinking of trying to start dating again, Cupid has some advice for you:

1. Make sure you're over your ex first: The last thing you want to do is start up a new relationship when you're still not healed from your old one yet. This will make it harder to fully invest in someone new and might cause problems if you're still hung up on your ex. Before rushing into a rebound, focus on taking care of yourself and making sure you've had time to heal before starting something new.

2. Take it slow: If you think you're ready to start dating again, but you're still feeling hesitant, try to take it slow. It's okay to try and put yourself back out into the dating game, but consider moving your next relationship slowly, so you're able to stop at any time.

3. Reflect on what you've learned: Think about your past relationship and figure out what went wrong. Try and focus on what you have learned and how you've grown, so you'll be ready to start a new, healthier relationship.

Celebrity Children Who Are Just Like Their Parents

By Laura Seaman

When you're raised in the spotlight with your celebrity parents, it's difficult not to get pulled into the industry one way or another. Take the Kardashians, for instance, with their entire family being in the public eye 24/7. Some celebrity children take these opportunities to make a career

for themselves and make their parents proud. Here are three famous children who followed their parents' examples and made a name for themselves in the entertainment industry:

1. Jaden Smith, son of Will Smith and Jada Pinkett-Smith

Jaden Smith is becoming a big time actor just like his dad. Will Smith helped his son break into the business from a very young age, having his son star alongside him in *The Pursuit of Happyness*. Since then Jaden has gone off on his own and starred in films such as *The Karate Kid* and *The Day the Earth Stood Still*. However, he still takes time to work with the man who taught him the ropes, starring with his father in the sci-fi film *After Earth*. Just one look at the movie's poster of the duo side-by-side and you can see that the young Smith is just like his dad, not just in acting ability but in his looks. Jaden Smith has gone from the small screen to the Imax, and it's doubtful he'll stop there. It's been announced that he's working on *The Karate Kid 2*, and who knows what the young actor will do next. Whatever the case may be, he's definitely making Will Smith proud.

The Birkhead father and daughter duo was seen at the Kentucky derby, the same place where Dannielynn's parents first met. The little fashionista later went on to model for Guess Kids, a tribute to her mother's work as a Guess girl. "For her it was something cool," her father said in an interview. "Her mother was a Guess girl and now she is a Guess

girl.” Of course, she was made to keep up with her studies while doing the shoot! For such a little girl, Birkhead has had a lot of work to do.

5 Cutest Teen Celebrity Couples

By [Whitney Johnson](#)

Lately, it seems like the heavyweights in Hollywood are getting younger and younger. After all, it was just last year that Jennifer Lawrence won her first Academy Award for Best Actress Oscar at only 22 years old. Given their full-time jobs and big paychecks, these stars often grow up a bit faster than your average youngster – which means they also experience love and heartbreak earlier in their lives. With this thought in mind, we developed a list of our five favorite teen celebrity couples:

1. Bella Thorne and Tristan Klier: The 16-year-old star of Disney's popular show Shake It Up has been dating her blonde-haired boyfriend since 2012. When we caught up with the actress earlier this year, she revealed her favorite date night with her beau: "Just to sit on the couch and watch Netflix!"

The pair, who met on the set of *The New Mickey Mouse Club*, were only 18 years old when they started dating and split after 3 years together. Recently, Spears even confirmed that Timberlake was her first kiss. Aw!

3. Gigi Hadid and Cody Simpson: The *Sports Illustrated* model and Australian singer, ages 18 and 17 respectively, were spotted at the Vanity Fair Oscars Party, looking every bit like a teenage dream. The lovebirds maintain a long-distance relationship – Hadid is at New York University, while Simpson lives in Los Angeles – but we hope to see the blonde beauty cheering her man on from the audience of *Dancing with the Stars*.

4. Kylie Jenner and Jaden Smith: While this duo hasn't confirmed their relationship status, they've been spotted around New York City, London, and Los Angeles. Plus, the so-called "best friends" have exhibited PDA on multiple occasions. Only time will tell if these teens have found true love!

5. Selena Gomez and Justin Bieber: Even though the problem-plagued pop star exited his teen years on March 1st and his on-again, off-again girlfriend is already a year into her 20s, we couldn't help but include this duo on our list. While Bieber may be trying to prove his age with his recent antics, his fans are still primarily tweens and teens, making his love life of utmost importance to this age group.
