[Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim](#)'s ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends' exes?

Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

1. Not too friendly: Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

2. Dating an ex?: You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

3. Take your friend's side: Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

This celebrity news is pointing to a friendly ex reunion. What are some things to be careful of when you reunite with an ex?

Cupid's Advice:

There is nothing wrong with a friendly reunion with your ex. However, when you reunite with your ex, you should be careful and prevent any disappointments from causing heartbreaks. Cupid has some [dating advice](#) for you:

1. Don't let your ego get to you: There may be a time where you were rejected by your ex and this caused you to have a "never-give-up" attitude on winning them back. Don't try to win them back and prove them wrong! Let your ex go and work on being friends.

2. Don't think sex is the solution: If you have sex with your ex, it is not necessarily a sign they want to be with you again. Intimacy can definitely play with your emotions, so it's probably best to stay away from it altogether unless you really decide to give your relationship a go again.

Celebrity News: Khloe Kardashian Responds to Criticism About James Harden's NBA Season

By

[Jessica DeRubbo](#)

In latest [celebrity news](#), [Khloe Kardashian](#) is pissed, and she's speaking out about it. The *Keeping Up With the Kardashians* star gave her feedback during a live chat on her website Thursday, according to [UsMagazine.com](#). Apparently there are haters out there saying that Kardashian is the reason her boyfriend James Harden isn't having a good NBA

season. "Someone's giving me too much power," she said, among other more vulgar things during a pretty aggressive rant. This [celebrity couple](#) is still going strong and sticking together!

This celebrity news isn't surprising, given that Kardashians seem to be prone to drama. What are some ways to show support for your partner amid criticism?

Cupid's Advice:

It's important to stand up for your partner when he or she has been wronged, but there are ways to do it that won't rub people the wrong way. Cupid has some [relationship advice](#):

1. Speak with actions instead of words: This is by no means an original idea, but it's worth mentioning. It can be easy to lose your cool and lash out with your words when you're mad about something that's happening to your significant other. Consider showing your support instead of causing that kind of drama. If your partner is under fire at work, attend work functions with him or her and praise his or her accomplishments to those you meet.

2. Counter with positivity: Instead of stooping to the level of your partner's attackers, stay positive. Turn things around on them and point out positive things about your partner. Point to concrete things that make the attackers think twice.

3. Ask your partner what he or she needs: Instead of just picking a way to stand up for your partner, let him or her know that you want to help, and ask their preferred way to do so. That way, you're not running the risk of upsetting them and you can still show your support and willingness to help.
