It seems little Spears is moving on her way in the world! [Huffington Post](#) announced that Britney, 31, said, "So excited and happy for my sister, congrats @jamielynnspears – love you." How do you know when it's the right time to get engaged?

Cupid's Advice:

Knowing when it is the right time to get engaged is more than confusing. Not only is it confusing however, it is challenging to determine. Some people say 'when you know, you know' yet,

this is not always the case. You may know, but not entirely know. It really is simply a enormous, confusing process. Cupid has some advice for this:

1. Trust: Do you trust your mate with your entire life? Can you tell your partner anything, no matter how they will react or what the circumstance is? If you answer these first two questions with a 'no', you may want to reconsider getting engaged right time. You know it is the right time to get engaged when your mate knows every little aspect of your life. What your favorite pizza topping is, how many people you have dated, your deepest darkest secrets, the entirety of your life.

2. Love: Love is all you need ladies and gentlemen. Of course there are a few exceptions where the love is not reciprocated and an engagement may not work out. However, in most cases, if love is evident, go out and buy that ring darling! The type of love present needs to be specified in the books. This is not some silly-little puppy love we are talking about, the love present needs to be full blown true love. If you have that, go for gold! Literally!

3. Happiness: Does your beau make you happier than you've ever been in your entire life? Do you make your partner happier too? Is the happiness between the two of you equal? Hopefully if you're considering engagement, these answers are a 'yes.' If you can not see a life without your mate because you will be miserable, you know. You know you're ready when your sad when your partner leaves for the bathroom.

Celebrity Couples Who Reconciled For the Summer

By

Tanni Deb

Celebrity couples are breaking up, getting back together, moving on, finding new love and embracing the single life on any given day. In fact, many of them are experts at being indecisive and unstable when it comes to relationships. It's not exactly a lifestyle to strive toward, but that doesn't mean it doesn't make us smile when a sweet pair of our favorite stars decides to get back together after previously calling it quits. Here are some notable duos that elected to give it another shot this summer:

1. Lady Gaga and Luc Carl: Gaga told *Rolling Stone* last year that she had never loved anyone like [Luc Carl] before. She was even quoted as saying, "That relationship really shaped

me.” Despite these words, it was reported in May that the *Bad Romance* singer ended their “few year relationship.” It was short-lived because by June the couple appeared to be together again. A source told UsMagazine.com, “They had a little fight. I think the break-up lasted a week or two. They are totally back together now.” Sounds like this one may have been the shortest breakup in celebrity history.

2. Rachel Bilson and Hayden Christensen: The on-again off-again duo met on the set of *Jumper* in 2007 and was engaged a year later. They struggled through many ups and down and finally called things off, splitting for good, in March 2011. Following the breakup, a source close to Bilson said, “They’re done this time. [The] engagement is over, relationship’s over. She’s really had it.” I guess the source was wrong given that the *Hart of Dixie* star reunited with her ex about a month later. Most recently, the couple has been seen traveling and spending time together. Hopefully by the time we print this they’ll still be together.

3. Sammi (Sweetheart) Giancola and Ronnie Ortiz-Magro: Remember back in January when the *Jersey Shore* couple split after dating at irregular intervals for three seasons? The ex-couple must have had time to reunite (again) this summer during their shooting in Florence, Italy. With Sammi and Ronnie, one can never tell if their on or off. Right now it seems like they are lovey-dovey, kissing, hugging and holding hands, but sometimes their fighting looks like that way, too.

4. Jamie Lynn Spears and Casey Aldridge: Spears was engaged to her boyfriend, Aldridge, when she announced at the age of sixteen that she was pregnant with his child. The couple ended things before deciding to tie the knot; a baby wasn’t enough to keep this relationship together. Then, in August of last year, People reported that the former Nickelodeon star and her beau were working things out and most recently, Spears tweeted that she and her daughter’s father are back together.

5. Miley Cyrus and Liam Hemsworth: Looks like the *Hannah Montana* star and her ex-boyfriend didn't sing their last song. In June, Cyrus's brother Trace told *UsMagazine.com* that his sister and Hemsworth had rekindled their romance. The couple fell for each other in 2009 while filming *The Last Song*, but split the following August. When Miley's father, Billy Ray Cyrus was asked during an interview what he thought of the Australian hunk getting back together with his daughter, he said that he approved of their relationship. "He's a great guy. He's solid. He's got great character." Well, if it doesn't work out this time, Hemsworth can always hang out with Miley's dad.
