1. Change up the color: When it comes to your wedding, wearing a white dress is the most traditional approach you can take. However, there's nothing wrong with adding a little color to your gown if you want to have a little more fun.

2. Custom made: If you really want to stand out, think about getting your dress custom made for your special day. Depending on what wedding designer you decide to hire, it could be a bit expensive so make sure you have the additional funds before you choose this option.

3. Ditch the train: Everyone usually expects the bride to wear a long, glowing gown on their wedding day. Surprise your guests by wearing a shorter dress. A shorter style will certainly be more comfortable and the shoes you wear will stand out for all of your loved ones to see.
