

Celebrity Couple Predictions: Mariah Carey, Mila Kunis and Lupita Nyong'o

For today's column, let's take a look at three celebrity couples that are hot topics of relationship gossip – whether it's because of a whirlwind relationship that's still going strong, a seemingly-perfect twosome that recently announced their engagement and pregnancy, or a possible new coupling:

Mariah Carey and Nick Cannon: Since the day these two got together, they've made headlines. Their quick wedding had people predicting that they'd be divorced within months. Looks

like the critics were wrong – at least for now! This quirky couple is celebrating six years of marriage yesterday.

Cannon has been very verbal about their sex life, even to the degree that it can be too much information. Did we really need to know that a lot of nookie is what keeps their relationship alive? Carey is not always thrilled that her hubby shares their marriage with the world. As a matter of fact, it's reported that she told him to stop talking about all of the women he was with before her because she didn't want to hear about it anymore.

Even though there are a lot of questions that surround them, this couple is a good fit. Since they started dating, Carey has calmed down, while Cannon has grown up a bit. They both enjoy adventures, so they always seem to be dressing up in costumes or doing something fun with their twins. On the flip side, the songstress is not fond of the comic's antics, which causes some stress and strain on their marriage. There may come a day when she is totally over his behavior, but it won't happen until their children are older.

Mila Kunis and Ashton Kutcher: This adorable couple originally met while working on *That 70's Show* where their characters, Jackie and Kelso, dated and talked about having a baby. Looks like the show predicted real life since they're engaged with a baby on the way!

All is looking good for the famous pair, and there shouldn't be any roadblocks before their upcoming wedding. The two of them are just enjoying all of the good things in their lives. They're an ideal duo since they have the same values and are both down-to-earth in their approach to life.

I do, however, see a bit of back-and-forth when it comes to their prenuptial agreement. Kutcher's divorce from Demi Moore

is still fresh on his mind, so he knows how things can go down if a marriage ends. Other than sorting out these financial details, everything is wonderful. From what I can see in their relationship, their prenup will never need to be used.

Lupita Nyong'o and Jared Leto: Recently named the most beautiful person in the world, it's all good in the lovable actress's world. What exactly is going on in her dating life? She's extremely hot right now, so the men must be lining up to see what she is all about. Nyong'o has been linked to Academy Award winner Jared Leto and rapper K'naan.

As much as I would love to see Nyong'o with Leto, it's not happening. It's fun to see the actor flirt with Nyong'o, and they would make such a gorgeous couple (can you imagine their kids?), but it looks like the *12 Years a Slave* star spends more quality time with K'naan.

Nyong'o is not thinking about dating around right now. Besides Leto, she gets attention from some of the best looking men in Hollywood. As for those rumors saying that she is going to run off and marry her rapper boyfriend, don't believe them. The spirits say that she'll soon be dating a sexy Hollywood actor who has been smitten with her for a while.
