## **Jared Padalecki is a father of three, now that he welcomed his youngest celebrity baby! What are some things to consider before adding another child to your family?**

### **Cupid's Advice:**

Children can fill your heart with so much love. That's why the term “baby fever” is a very realistic and relatable term. Here are some things to consider before taking the plunge again:

**1. Space:** Do you have the room to accommodate another little one? While you may have the means to provide a roof over their head, keep in mind that children at different ages need different types of space. Consider upgrading or expanding your home to suit the needs of all your children.

**2. Time:** Consider the small amount of free time you have now with children. As they grow up, they become more involved in

activities. Be sure to keep your growing family balanced with activities and socializing measures. A new baby might take time away from older children, so be ready to seek help getting the kids to school and soccer practice!

**3. Finances:** Remind yourself of the expenses that come with having another child. If you have one child now, double the amount you spend on food, care and fun. While budgeting and recycling old toys and clothes will help a lot, there is no way around the growing expense another child brings.

By April Littleton

According to [People](#), Jared Padalecki and his wife Genevieve Cortese Padalecki welcomed their second son Sunday, Dec. 22. "My amazingly strong wife home-birthered a happy and healthy baby boy last night. Please send love," the *Supernatural* star wrote on his Twitter. The couple are already parents to Thomas Colton, 21 months, and married Feb. 2010.

**How do you prepare differently for your second son than your first?**

**Cupid's Advice:**

Preparing for a second child is just as difficult it was the first time around. Not only will you have to find a way to manage your money to fit the needs of four people rather than three, but you'll also have to prepare your first child for what's to come as well. Cupid is here to help:

**1. Communicate with your first child:** If your first child is old enough to understand what's going on, let them know about your new bundle of joy. Create a sense of excitement for your daughter/son so they won't feel threatened by the idea of having a sibling. Let them know that when the baby comes, they'll be able to help out by reading bedtime stories, changing diapers and just being the best older brother/sister they can be.

**2. Look through the closet:** Before you go out and buy new baby items, look through some of the old clothes and toys you already have from your previous pregnancy. If the baby is the same gender, you can reuse almost everything you already have.

**3. Budget:** You already have a little family. You're just bringing in a new addition. To prepare yourself for the added expenses a second child will bring in, you need to come up with a set budget. Along with the everyday items you spend money on, you will now need to figure in diapers, bottles, etc. to the equation.

# 'Supernatural' Star Jared Padalecki and Wife Genevieve Are Expecting Baby #2

By Kerri Sheehan

The *Supernatural* fandom is soon to add another Padalecki to its ranks! [UsMagazine.com](http://UsMagazine.com) confirmed that star Jared Padalecki and his wife, actress Genevieve Cortese Padalecki, are expecting their second baby. The pair is already parents to a 16-month-old son named Thomas. Padalecki seems to be enjoying fatherhood so far as on Father's Day he tweeted, "Hope all you other daddy's out there had a great day. I'm honored to be a part of the club. (Thank god the mommys make our jobs SO easy)."

**What are ways to prepare differently for a second child versus a first?**

**Cupid's Advice:**

No doubt welcoming your first child into the world is the happiest you've ever been, so you're thrilled to be expecting a second. Cupid has some advice about how to make sure you're ready for baby number two to come:

**1. Help your first child cope:** Up until now your first child has been receiving all of your attention, so he or she won't be used to sharing the spotlight. Make sure your first child knows what's coming so they won't be in for a huge surprise.

**2. Reuse items:** Figure out what items you bought for your first child that can be reused by the second. Things such as a crib or a stroller can be passed down whereas pacifiers and a great deal of clothing cannot be. You and your spouse should have all of this sorted out before the baby arrives.

**3. Get organized:** Things are likely to get a little crazy with two little ones running around. Make sure everything is in check before the baby comes to save yourself some stress.
