Cupid's Advice:

There are common factors both a relationship and dancing carry. Cupid has some advice on how dancing is an important element to your relationship:

1. Dancing involves leading: An important rule in dancing is that one person must lead. Leading allows one to keep the routine stable, giving rhythm, and direction. This can tie in with relationships because you should be mindful of everything and give signs of what you want and how you want it done. Guys who are shy and are afraid to lead usually never make it to the next step with a girl in a relationship; this can go both ways though.

2. Traditional roles: In our culture it is the norm for men to lead, while it's the woman's responsibility is to make it worth it. She follows your lead and turns it into something beautiful. Leading correctly results in a beautiful partner who does what's in your favor. Of course, it doesn't always have to be male/female based. There are many variations of this concept!
