Cupid's Advice:

It's safe to say the most exciting part of a pregnancy is finding out the sex of the baby. Cupid has some advice on unique ways to announce the sex of your unborn baby:

1. Gender reveal parties: Gender reveal parties are all the rave now! Instead of having just a baby shower, people will also have a gender reveal as well. This party includes everyone in on the fun. There are plenty of games to be played, like at a baby shower. People reveal the gender by releasing balloons in the air or even cutting a cake with the inside being the color of the gender. This is a fun way to include friends in family in on the excitement.

2. Surprise, surprise!: A fun way to announce the gender of your unborn baby is to decorate the baby's room with the colors related to the gender. Invite close friends over for a small get together with them just thinking it's just that, a get together. While still being able to play little games, or even take a few bets, later on you can tell your guests that the get together is to reveal the gender. You can reveal the gender by simply opening the door the baby's room. Your guests will be in shock and won't expect it.

3. Invites only: A unique way of announcing the sex of your baby could be included with the baby shower invitations. Being

pregnant is tiring but to be continuously asked what you are having could be runner up. Surprise everyone by sending out baby shower invites that correlate to the sex of the baby. While people will think they are receiving a baby shower invite, they will be surprised to learn the gender of the baby. A good idea is to have the details of the invitation on the front and in small letters at the bottom write, "by the way." On the back you then reveal the gender. It's a cute, yet easy way to reveal the gender of your bundle of joy.

What are some ways to avoid drama in your relationship?

Cupid's Advice:

No matter how good your relationship is, it won't be easy all the time. It's okay for couples to fight sometimes, but if you're doing it all the time it's not healthy for your relationship. Which is why you have to find ways to avoid pointless arguments or fights, but how do you do that? Cupid has some advice on ways to avoid drama in your relationship:

1. Agree to disagree: Every one is their own person and has their own preferences, goals and wants. The truth is no couple will agree on everything, but just because you don't it doesn't mean you should start a fight about it. In a relationship you have to learn how to make compromises and sacrifices, especially if you want to avoid an argument.

2. Communicate: To avoid any misunderstanding you need to talk to each other. A lot of arguments or fights happen because people don't let someone know what's going on. With your partner don't just assume some they will understand or won't take it as a big deal, without talking to them first. A relationship is between two people, it's a partnership you have to keep that in mind when making decisions.

3. Accept all of them: Loving someone is about accepting and appreciating all of them, the good and the bad. Over stressing about all the things that bug you or get on your nervous about your significant other, will just increase the chances of adding unnecessary drama to your relationship. Focus on all the good and positive things about your lover.
