In [celebrity news](#), Lauren Scruggs, Jason Kennedy's wife, is standing by her man! After her hubby's co-star, Catt Saddler, quit working for E! due to a pay disparity, Kennedy received criticism on social media, according to [UsMagazine.com](#). Scruggs was there to support her hubby though. This [celebrity couple](#) stands strong together – and Scruggs had something to say via Instagram on Dec 21 to defend her man and E!. She wrote, "I believe in female empowerment and gender equality, but it's heartbreaking that a network is being deemed sexist when that is simply not true. At one time my husband had a female co-anchor [Giuliana Rancic] on E! News who made 3 times his salary. Women are paid accordingly on this network, and

the difference in his salary versus hers did not affect Jason. He knows there are always more components to consider when determining one's salary than gender alone... Since Jason was named the permanent anchor of E! News over two years ago, he has had various co-hosts that rotate throughout the week. A permanent co-host has never been named since the last one left 6 months ago."

**What are some ways to impress your partner while being yourself?**

### **Cupid's Advice:**

Everyone wants to impress the person they're dating. They want their significant other to know they're in a relationship with someone who is comfortable in their own skin. Impressing your partner isn't just about how much money you can spend on them. To truly be impressive, you have to do a little work on yourself. Cupid has some advice:

**1. Be confident:** If you really want to impress your significant other, all you have to do is show a little confidence. Don't be ashamed of who you are! Grace your date with your best smile and make plenty of eye contact. Everyone has flaws, but it's how you deal with them that matters. If you're comfortable being yourself, your partner will be relaxed around you as well.

**2. Dress the part:** If you feel confident, you have to look the part too. Get a new wardrobe that shows off your personality. Keep your hair and nails trimmed and clean and grab that new cologne/perfume you've been eyeing at the store. Keeping your hygiene well maintained and your appearance up will prove to do wonders for your relationship.

**3. Take an interest in their hobbies:** Your honey will be pleased with you if you take an interest in some of the things they like to do. Remember, your partner is a part of your life now,

so it's only natural to incorporate some of their daily activities with yours. You might be a homebody, while your significant other is an adrenaline junkie. Doing a few things that will take you out of your comfort zone will show your love you're willing to be open-minded and try new hobbies.
