Cupid's Advice:

Some people would never let things get steamy on a first date. It depends on your personal values and your comfort level with your date. But here are a few things to consider before going there:

1. You trust them: If you can see yourself going on another date, or actually want it to turn into a full-fledged relationship, having a little steamy fun isn't a bad thing.

3. You both need to be into it: As well as building trust, you need to be sure your date is willing to take things to the next step. If they aren't comfortable, don't do it.
