Most Beautiful Famous Couples

By Jessica Smith

Beauty comes from the inside and out, and the radiance of love can be the most profound beauty people can exude. There are plenty of beautiful celebs in Hollywood, and when two gorgeous celebrities are matched together, they turn heads and leave us awe-struck. Here are ten of the most beautiful famous couples that Hollywood has to offer:

Beautiful Famous Couples

1. Prince William and [Kate Middleton](#): The Duke and Duchess of Cambridge have earned the number one spot on our list. They've been married less than a year, but ever since Princess Kate elegantly walked down the aisle, she has taken the world by storm with her class and beauty – and let's not forget her great fashion instinct.

2. Tom Brady and Gisele Bundchen: Fame, fortune, and beauty – this Hollywood couple has it all. They've been married for almost two years, and they're definitely turning heads. The New England Patriots quarterback and his supermodel wife have

an 18-month old son and are making big plans for a new mansion.

3. Brad Pitt and Angelina Jolie: You can't mention celebrity couples without this dynamic duo making the list. Pitt and Jolie have been fighting human rights as a couple for six years, and they exude beauty inside and out with their celebrity love for one another and their love of helping people in need.

4. David and Victoria Beckham: There's plenty of spice in this duo's life, and we've watched these stars transform into responsible parents over the span of their twelve year romance. Victoria gave birth to their fourth child, daughter Harper, a few months ago, and their kids would certainly be included in the list for most beautiful celebrity kids.

5. Penelope Cruz and Javier Barden: The Spanish actress and her beau make a lovely couple as fans watch them raise their son Leo after being married for just over a year.

6. Nick Lachey and Vanessa Minnillo: These newlyweds have been married for less than a year, and they described their celebrity wedding as a dream come true. Hopefully, having their wedding televised didn't leave these two lovebirds with the reality TV show curse!

7. Orlando Bloom and Miranda Kerr: This famous couple can't get any sexier. The twosome has been married a little more than a year, and it's hard to believe they've already had their first child. If you saw Kerr modeling Victoria's Secret lingerie in this year's fashion show, then you probably saw her hubby watching her enviable post-baby body glide down the catwalk and giving her a standing ovation.

8. Adam Levine and Anne Vyalitsyna: They're sexy, and they know it. Their celebrity romance seems hot and steamy as they pose nude for magazine covers and Vyalitsyna appears in his music videos. You could see the infatuation in Adam's smile as

he and his girlfriend locked eyes as the Victoria's Secret model strutted her stuff down the catwalk recently.

Celebrity Love is Stronger Than The Rumors

9. Will Smith and Jada Pinkett: Apart from the recent rumors of a celebrity divorce after being married for fourteen years, this power couple is still together and we're cheering for their recovery. The pair – and their famous children – are a force to be reckoned with, and their talent seems unstoppable.

10. [Ryan Reynolds](#) and Blake Lively: This young duo is one of the newest Hollywood couples to step onto the scene, and they're leaving their mark. It looks like the *Gossip Girl* may have finally found her man. The two can't seem to get enough of their love for each other, and for fans, there's nothing like living vicariously through a young and hopeful couple.

How can you involve your child in a romantic date?

Cupid's Advice:

A date with your partner can lose its romance when the kids have to tag along. Find out how to keep the vibe going with subtle actions:

1. Communicate: Even if your child is present, make sure to speak to still incorporate adult conversation as well.

2. Touch: Just taps on the hand or rubs on the back throughout the date can keep things intimate.

3. Share dessert: Share a sweet treat while the kids make their own mess at the other end of the table.

How do you make your partner's birthday special?

Cupid's Advice:

Birthdays are the one holiday a year where you and you alone get to feel special. So, it's important to honor your partner the best way you know how on his or her big day. Cupid's got some tips:

- 1. Throw a surprise party:** It may seem generic, but if you can really pull it off, a surprise party will make your partner feel all sorts of special. Just the fact that you went to the trouble says a lot!
 - 2. Plan a vacation:** If you want to go all out, plan a trip for two to somewhere tropical. If you're married, consider it a second honeymoon. There's so much thought that goes into planning a vacation, and your partner will surely appreciate it.
 - 3. An "out of the box" gift:** It's easy enough to stick with candy, jewelry and flowers for a woman and sports tickets, cologne or a watch for a man. Try to think outside of the norm for your partner's present so he or she can see how much you truly know him or her.

Penélope Cruz and Javier Bardem Find Time for Romantic Dinner

Vicky Christina Barcelona stars and now-spouses Penélope Cruz and Javier Bardem found themselves with some free time last week, reports [People](#). The couple, who just had their first child together, were able to get away for a romantic dinner in London at Gordon Ramsay. Onlookers say the two couldn't keep their hands off of each other and that they were looking very cozy.

How do you find time for romance when you have a baby?

Cupid's Advice:

It's easy to focus all of your attention on your new bundle of

joy, but in order to main both your sanity and your relationship, make sure to take some time out to focus on romance:

1. Schedule it: It may not be the most romantic idea, but if you don't schedule some alone time, no one will. So make dinner reservations for two, and get a babysitter.

2. Find a pattern: Does your baby's nap time always seem to fall around the same time as when your partner gets home? Take advantage of it, and cuddle together in the rare silence. Just make sure there's a baby monitor nearby in case both of you fall asleep.

3. Create inside jokes: Nobody will be spending more time around your newborn than you and your spouse. To create a connection during a less than private time, mention something that only your honey will understand. The inside information will bring a smile to his face.

Penélope Cruz and Javier Bardem Are Expecting

Leading lady Penélope Cruz and husband Javier Bardem have just announced that they are expecting their first baby, reports [E! News](#). Since many have been speculating about Cruz's pregnancy for some time, this revelation did not come as a shock. The sizzling Spanish actress is currently four months along. There is still no word on the gender of this future celebi-tot. However, it is sure to grace the covers of magazines everywhere upon entering the world.

What are the advantages and disadvantages to knowing the sex of your baby before it 's born?

Cupid's Advice:

When a couple first announces they are expecting, "Do you know what you're having?" is always one of the first questions asked. While some couples are dying to know the gender of their unborn child, others would rather be surprised. Cupid has some things to consider:

1. Gender bias: Though society has advanced, stereotypes surrounding men and women still exist. It may be a good idea to keep your child away from labels as long as you can in

order to shape them not as a boy or a girl, but as a person. This starts with keeping the sex of your unborn child a surprise!

2. Pink or blue?: One of the best ways to “nest” as you prepare for a new baby is by decorating the baby’s room together. To do so, you need a color scheme and/or theme. Though there are some gender-neutral themes such as ducks and yellow, most are clearly one or the other.

3. There are no guarantees: Even with today’s technologies, the gender prediction of an unborn baby can still be inaccurate. You’ll never truly know what you’re having until the day your son or daughter is born, so try to keep an open mind. Bringing life into the world is amazing itself!
