What are some ways to feel attractive after having a baby?

Cupid's Advice:

Having a baby is a huge ordeal, as caring for a newborn is a lot of responsibility and pressure. Here are some tips on how to feel more attractive after having a baby:

1. Go out: Just because you have a baby, doesn't mean you can't enjoy a night out on the town. Have a date night with your partner or a girls' night out to raise your spirits and give you something for which to look forward. The more fun you're having, the less you'll feel self-conscious. Having a baby does not change your identity – you're still the same beautiful person you were before your pregnancy.

2. Pamper yourself: You feel your best when you look your best. If you've been feeling a little low, treat yourself. Perhaps go for a nice relaxing massage or go for that pedicure you've been putting off because you can't find the time. Schedule some alone time in so that you can enjoy a little relaxation time. You deserve to indulge every now and then.

3. Be productive: Sometimes we feel unattractive when we feel unproductive and have nothing to do. Go to the gym, put the baby in the stroller and go for a walk around the park. A little movement and change of scenery does a lot, especially if you've been stuck in the house between the later stages of pregnancy and caring for a new baby.

5 Of Our Favorite Celebrity Beach Bum Couples

By Melissa Tierney

We aren't the only one's trying to hit the beach this season to escape the hot summer heat. Sizzling celebrity pairs can be spotted in Miami, Los Angeles and the Hamptons, soaking up some rays and having fun in the sand. If you're lucky, you may spot your favorite duo while you're taking an ocean dip.

Here are a few of the celebrity beach bum couples that we'd love to join at the beach:

1. Kim Kardashian and Kris Humphries: This newly engaged couple has been all over the media lately and one of the last trips they made caused a huge splash. The duo traveled to Puerto Vallarta, Mexico in late May, and by looking at the pictures of them, it seemed like they had a blast together.

The couple played in the ocean and embraced on the beach – talk about summer lovin'.

2. Justin Bieber and Selena Gomez: The teenage royalty twosome hit Maui in May and turned heads when they were spotted smooching in the sand. Things have gotten serious for the young lovebirds as Gomez was even seen visiting Bieber's

family in Canada this spring. We wonder if they love her as much as we do.

3. Ice-T and Coco: The hip-hop couple showed their overwhelming love for each other on the hot beach of Miami in February. Rapper Ice-T kept it cool while his wife, former Playboy model Coco, showed off her sexy beach body in an itty-bitty bikini. The couple, who have been married for five years, now have their own reality show, *Ice Loves Coco*, every Sunday night on E.

4. Kristin Cavallari and Jay Cutler: The ex-reality star went to Cabo San Lucas in April on a romantic getaway with beau Jay Cutler and came back engaged – what a treat. Love was definitely swirling around this pair as they spent their weekend hand-in-hand walking in the sand before Cutler popped the question. We don't know what was more blinding: the bright sun or her new 5.2 carat engagement ring.

5. Reese Witherspoon and Jim Toth: These newlyweds celebrated their nuptials by having a fun-filled getaway in Belize with Witherspoon's two kids. The new family came back with some nice color. They were just in time for Witherspoon to promote her latest movie, *Water for Elephants*, and accept the generation award at the MTV Movie Awards. Good thing they got to enjoy an exotic getaway before heading back to work.

How do you explain why you didn't invite someone to your wedding?

Cupid's Advice:

Weddings are expensive, and there isn't room for everyone. However, people get offended if they don't make the cut. Here are ways to nicely and honestly tell someone why you chose not to include them on your big day:

1. Keep it clear: Set standards and agree on them. For example, if you agree to include strictly family and close friends, don't invite someone you haven't seen for a really long time. It shouldn't be difficult to explain why you didn't invite someone if they've been a distant presence in your life.

2. Dates and children: Not everyone needs a date, and not everyone's kids should be there. Keep it to nieces, nephews and godchildren, but no more than extended family. This will cut the list drastically and avoid stress. You also don't want too many strangers around, so don't allow everyone to bring dates.

3. Don't bring work home: It's your wedding, and you deserve a good time. Don't feel pressured to invite every single colleague, especially if you don't have a personal relationship. Stick to the select few to whom you feel close.
