What are three advantages to going on a double date?

Cupid's Advice:

As much as you need alone time with your partner, it's fun to break out of your usual routine and spend some time with your couple friends. Here are three reasons why you should plan a double date for this weekend:

1. Try something new: It's easy to get stuck in a rut of going to the same Italian restaurant before seeing the latest romantic comedy at your local theater. Your friends, though, may motivate you to head to that new Greek cafe and then go bowling instead.

2. Get some relationship advice: It's always helpful to chat with your peers about the ups-and-downs of your love life. Maybe you've been struggling with how to bring up an issue (like where to spend the holidays) with your beau. Talking to a friend who knows your partner and is in a relationship herself can help you work through things and figure out the best approach to take.

3. Develop different interests: Keep an open mind, and you may end the night with a new hobby to explore. For instance, if you've been interested in learning how to snow ski and know your friends head to the mountain each weekend, now is the time to ask them whatever questions you may have. Perhaps you can even join them next time. Who knows, the royal couple may be huge fans of "Crazy in Love" after meeting Queen B!

What are some ways you can support your partner's career?

Cupid's Advice:

The human race is a self-centered one. We want others to pity us in times of need or to praise us in times of joy. When you are in a committed relationship, that attitude must change in order for your partnership to stay strong. Here are three ways to support your partner's career and show how much you truly care:

1. Surprise them: If your partner receives a promotion at their job, surprise them with a nice dinner or even a simple card. Anything to say how proud you are of this exciting announcement will make the promotion even more special.

Beyonce and Jay-Z Continue to Avoid Each Other on Tour

By Laura Seaman

All the signs point to trouble in paradise for Beyonce and Jay Z. The couple is currently on tour together, appearing to be fine working together on stage. However, a source tells UsMagazine.com, "They stayed separately in both New York and L.A. for several nights." Another source reported that Beyonce was seen looking at apartments by herself in New York City. There are multiple predictions that the couple will officially split after their tour, but an insider close to Beyonce insists that they are fine. "They have issues, like every other couple," the source said.

How do you keep your troubled marriage under wraps?

Cupid's Advice:

Marriages go through rough patches, but that doesn't mean anyone else has to know about it. Sometimes it can be embarrassing, and maybe once others find out they might start trying to 'fix' things or telling you that it was never going to work in the first place and encouraging a split. Here are some ways to keep your marriage troubles a secret:

1. Avoid going to events by yourself. You can probably get away with saying that your partner is busy during one family event, but when you start showing up everywhere without your significant other, things start to look suspicious. This is when you need to talk to your partner about working together to keep up appearances or just announcing a split.

Related: [Beyonce and Jay-Z Share Wedding Video on Tour](#)

2. Show a little PDA. If you're still going places together, that's a good step! However, it won't help much if you're sitting far apart and refuse to even touch each other. Try holding hands or sharing a kiss every once in a while. Tension can be easy to see, but affection is a great way to settle any doubts. And who knows, maybe it can help you feel closer as a couple and work on settling your issues!

Related: [Beyonce's Sister Solange Attacks Jay-Z](#)

3. Keep your fights between yourselves. This can mean two different things. First, don't have fights when you're with friends or family, even if they're tiny little snide remarks back and forth. These people know you, and they'll pick up on it. Second, don't talk about your fights with others. It's probably tempting to rant about a fight to your friends, but unless it's only one friend that you are absolutely sure can keep a secret, try to keep it to yourself.

5 Celebrity Couples Who

Started Off As Friends

By [Courtney Omernick](#)

Some argue that men and women CAN be 'just friends' and steer clear of a romantic relationship. However, sometimes friendships with members of the opposite sex can turn into something more. Below, Cupid has five celebrity couples who began their romantic journey in the friend zone.

1. Jordin Sparks and Jason DeRulo: At first, Jordin had a boyfriend and Jason was single. Then, Jason had a girlfriend and Jordin was single. 2. Kate Middleton and Prince William: The Duke and Duchess of

Cambridge met back in 2001 at St. Andrew's University in Fife while studying Art History. At first, they were just friends, but their friendship turned into romance when the pair shared a flat together with two other students during their second and third years.

3. Kim Kardashian and Kanye West: It seems as though their relationship moved quickly, but these stars were friends long before their walk down the aisle. Kim and Kanye first met back in 2004 while Kim was married to Damon Thomas. After Kim's divorce to Kris Humphries in 2011, Kanye was there to pick up the pieces, and the rest is history!

4. Mila Kunis and Ashton Kutcher: They may have been Jackie and Kelso for years on 'That 70's Show,' but according to a source, the pair did not get along while playing each other's love interest. Celebrity Couples Who Love

Fourth of July

By Shannon Seibert

Tis the season to take pride in your homeland and rock the colors of vigilance, perseverance and justice. It's also the day where we sport killer bikinis, chow on barbecue and watch amazing fireworks displays. The best part about the holiday, though, is that it's a day in which our entire country takes pride in their homeland, especially our celebrities. We've pulled together the envy-worthy patriotic plans and traditions of these stars to hopefully inspire a little Independence Day tradition in your own household:

Jessica Simpson and Eric Johnson: Jessica Simpson and Eric Johnson will have two reasons to celebrate this weekend. After being engaged since 2010, the couple has chosen to wed on

July 4th. This all-American occasion will definitely be a party worth remembering.

Idea for you: You may not have been married on the Fourth, but that doesn't mean you can't celebrate your love. Have an intimate anniversary party underneath the fireworks with your love. Get silly and stuff American flag cake in each other's faces, wedding style.

Beyonce and Jay Z: Queen B has always been a fan of the holidays. With Blue Ivy around B and Jay Z are bound to have some Fourth of July fun. Last year the singer struck a pose against a vintage car in flag-print denim shorts. Looking forward to this year's photoshoot B!

Idea for you: Have your own star-studded photoshoot! Together with your love dress up in all of the patriotic attire you can find. Then take your man around town and find your most historical sites. Snap some selfies together, or strike your best model poses.

Related: [How to Celebrate the Fourth of July With Your Guy](#)

Eddie Cibrian and LeAnn Rimes: Last year the couple attended Rimes' Fourth of July performance with Cibrian's two sons. The family of four gathered around for a quick photo of them decked out in holiday attire. Rimes had tweeted about how happy she was to spend time with her man and the boys.

Idea for you: Nothing says 'America' like a good 'ole country concert. This time of year, tours are in full swing. Hop on Ticketmaster with your man and surf the web for some neat Independence Day deals on your favorites, such as Miranda Lambert.

Selena Gomez and Justin Bieber: The past year has been plenty rocky for Jelena, but this time last year the couple was in full-swing of celebration. Gracing Instagram with an adorable selfie, the pair sent fans screaming about their Fourth of

July return.

Idea for you: Connect with old friends while celebrating your freedom. The Fourth is a great day to reach out to your “neighbors” under law and check in to see how they are doing.

Related: [How to Celebrate a Fourth of July Themed Wedding in Style](#)

Josh Kelly and Katherine Heigl: The Kelley family spent July 4th of 2013 poolside at their home in Utah, making a splash in the holiday’s festivities. The former *Grey’s Anatomy* actress posted adorable photos of her two daughters and her hubby on Twitter, wishing the nation a happy birthday.

Idea for you: Host a pool party with your family- friends. Have a potluck and ask your guests to bring an item along to share. This way there will be plenty of food and fun to go around.

Kim Kardashian and Kanye West: The Kardashian family has never disappointed on the subject of partying. This year there are rumors of a Kardashian family get-together which will include all of the usual prospects. The Wests will be celebrating their daughter North’s second Independence Day this year.

Idea for you: Take the day to just be with the family. Set up a barbecue buffet for you and your man’s closest family members. This way you can see whether your Uncle Joe’s fireworks outshine Grandpa Jim’s this year while spending time with your loved ones.

What are some unique ways to document your wedding experience?

Cupid’s Advice:

Your wedding day is often a once in a lifetime experience, and you want to remember it for the rest of your life. Perhaps you want to show your kids or grandkids down the line. Cupid has some tips for documenting your wedding experience in unique ways:

1. Scrapbook, scrapbook, scrapbook: When you think “scrapbook,” you may envision your mom meticulously cutting out construction paper to glue to a page, but the past-time has come a long way in recent years. Check out your nearest hobby/craft store, and they’re bound to have a dedicated aisle for scrapbook supplies.

2. Hire a videographer: This is by no means a new concept, but a nice idea is to not only take video of the wedding ceremony, but also do guest interviews at the reception. Ask a random array of guest how they met the bride and groom and their wishes or predictions for the couple’s future.

3. Take an aerial shot: This may not be an option for some, but either hire an aerial photographer or convince a pilot friend to take some snapshots of your wedding or reception from the sky. Instruct your wedding party and guests to look up and put their hands up for a fun memory to last decades.

Celebrity Couple Predictions: Jessica Simpson, Miranda Kerr and Beyonce

By [Shoshi](#)

For today's column, let's consider three couples who have controversy currently surrounding them, whether it's because of baby weight, a surprise split, or anti-feminist song lyrics:

Jessica Simpson and Eric Johnson: This blonde pop star has come a long way, which makes it so easy to root for her success. Recently, she announced that she's going to stop acting and retire from the entertainment world. Her focus is now on being a business woman and mother.

All of that also means that she's finally ready to marry her baby daddy, Johnson. When I took a closer look at their relationship, it looks like everything is falling into place for them. The question of will they or won't they tie the knot is about to be put to rest. This time, the wedding *will* take place. It's a wonderful time for them to get hitched, now that they have two cute kids and Simpson has lost the baby weight.

This celebrity couple has a pretty normal relationship, and

their wedding should be held in 2014. Don't expect too much drama – everything is going strong with them.

Miranda Kerr and Orlando Bloom: This beautiful couple has called it quits, which was a surprise to many people. Rumors have circled that Kerr cheated with Leonardo DiCaprio and Justin Bieber, while Bloom has recently been seen with Liv Tyler, causing the media to assume they're more than friends.

When considering the lost love between these exes, it looks like it just ran its course. Their relationship was well over before they made it official. They still care deeply for one another and always will, but it is more like a friendship. They tried to stay together for their child but realized it was just better to say goodbye.

Bloom will date around a bit before settling down again, breaking a few hearts along the way. He's going to enjoy being a single dad. As for Kerr, there are plenty of suitors circling her. After all, models hardly ever have a hard time finding rich men to love them.

Beyonce and Jay Z: How can I not bring up this power duo considering the current controversy sounding them for the song "Drunk Love," in which Jay-Z compares their relationship to Ike and Tina Turner? The lyrics have stirred mixed reviews from fans and feminists alike. How can a strong woman like Beyonce allow those lyrics on her album? Keep in mind that the singer has never called herself a feminist; other people just view her in this way.

This is all to say that these musical stars don't have the amazing relationship that most of their fans want them to have. I know some people will not like me saying it, but when

I look into their marriage, it's not that great. There's a rumor that Beyonce thought about leaving Jay-Z because he didn't put his family first, and it definitely has many elements of truth in it. Plus, there are often reports of Jay-Z having relations with other women. His entrance into the sports world will put even more strain on their relationship.

It'd be awesome if they had the picture-perfect marriage that has been marketed. If you are one of the people who believe that they are crazy in love, it's all good. Just remember that, no matter how much money or fame someone has, we all go through the same ups and downs in our relationships.

Celebrity Couples Giving Back on 9/11

By Courtney Allen

If there is one thing celebrities have in common with those of us who spend our lives out of the spotlight and away from the paparazzi flashes, it's giving back. As a nation, and as individual people, we all have the ability to raise our country's standards through strengthening the educational system, empowering youth, women, the homeless and the disabled, raising money for disaster relief, sustaining the environment and so much more.

Although it often slips our minds as celebs glamorously glide down the red carpet in Alexander McQueen and drop six figures on Bugattis and Bentleys, celebrities are classified by more than just "the rich and famous". They are volunteers, humanitarians, environmentalists and ambassadors. Many of them often use their fame, power and influence for the benefit of others, especially in the midst of tragedies like September 11th. These super-famous couples did just that in order to both support and honor those who suffered and continue to suffer as a result of that horrific day in 2001:

1. Beyoncé and Jay Z: You could say that Beyoncé and Jay Z have it all. The proud parents and performers are one of the most powerful pairs in the entire world, both bringing in one of the largest incomes of any couple. There is no doubt that Bey and Jay are living the lap of luxury with baby Blue Ivy in New York, but they spread just as much love as they do money. In 2009, the king of rap himself held a September 11th benefit concert in New York City, of course, with Queen Bey by his side. The concert was expected to raise nearly one million dollars, which was all donated to the New York Police and Fire Widows' and Children's Benefit Fund. But it doesn't end there. For the 10th anniversary of 9/11, Beyoncé released a single entitled "God Bless the USA" in order to raise funds for the same organizations as her hubby just two years before. Back in 2011, Mrs. Carter told Ace Entertainment reporters, "We were all affected by the tragedies of 9/11 and continue to keep the families who lost loved ones close to our hearts." Bey and her other half sure showed just how much 9/11 means to them.

2. Mariah Carey and Nick Cannon: With 5 years of marriage, a set of twins and extremely successful careers in every field of entertainment between the two of them under their belts, Mariah and Nick are unstoppable in every aspect of their lives. The parents may be super busy these days with play dates, romantic vacations and appearances, but they still make time to give back to those in need, just like they always have. In 2001, just ten days after the tragic events of September 11th, Mariah participated in a benefit concert, America: A Tribute to Heroes, in New York City. Her performance helped raise money for 9/11 victims and their families, as well as New York City firefighters and police. Triple-threat Nick Cannon still gives back on 9/11, but in a different way. Two years ago, the actor/comedian hit the streets of Baldwin Hills in Los Angeles and hosted a back-to-

school event in which he gave away backpacks and school supplies to over 500 kids. Cannon also joined the kids for fun and games, as well as a concert that featured the New Boyz and other artists. Looks like this power pair knows how to give back in all the right ways.

Beyonce and Jay-Z Attend Trayvon Martin Rally in NYC

By Kristin Mattern

UsMagazine.com reports rapper Jay-Z and wife, pop star Beyonce, attended a rally for justice in the name of slain teen Trayvon Martin this past Saturday, July 20. The couple kept a low profile at the event held in the wake of the highly publicized trial, which brought up a heated debate about racial profiling. Martin's killer, George Zimmerman, was acquitted of second-degree murder and manslaughter. Beyonce and Jay-Z said they weren't at the event to speak or for a photo op. Beyonce wrote "#justicefortrayvon" on recent Instagram posts, as well as had a moment of silence and dedicated two songs to Martin at her July 13 concert. Jay-Z and Justin Timberlake dedicated their song, "Forever Young," to the teen during their concert on July 19, during which Jay-Z yelled out, "This is for Trayvon, so light up you cell phones New York!"

What are some ways to support the same causes with your partner?

Cupid's Advice:

Supporting a cause is always great, and when you support the same causes as the one you love, it not only brings you together as a couple, it brings together support for your community and beyond. Get out there and show your dearest you support them and their beliefs by working for a cause they are passionate about with these suggestions from Cupid:

1. Volunteer together: Spend time working to help raise funds for the cause of your sweetie's choice. Together you can make a difference. Work at a local food pantry to help feed the homeless and less fortunate, or work the phones during a telethon. Get connected to charities that work for the cause the two of you are interested in helping, and volunteer your time to aid in the worthy endeavor.

2. Walk it out: Attend a walk for the charity that your cutie cares for. Be a part of an event that raises money and awareness for you and your honey's cause. Get out there and get active as the two of you and dozens of others march along in the name of your cause.

3. "Like" it: While using social media to help out a cause might seem insignificant, for every "Like" and every "Share" an organization, charity, and cause gets, more people become aware of it. So get plugged in with your partner and aid in furthering your cause by utilizing social media to its fullest potential. Tweet about what is going on in relation to your cause, share posts about upcoming events, and like pages related to charities. The more people you get to care about your cause, the more good it does.

Celebrity Dads Who Are Doing It Right

By Kelly Rouba for GalTime.com

TV dads, like Cliff Huxtable and Ward Cleaver, often made fatherhood look easy. They effortlessly juggled their work schedules so they could spend quality time with their children and, of course, they were always around to set their kids straight if they stepped out of line. While we all know parenting isn't always as easy as it seems on TV, there are plenty of celebrity dads who've managed to set the bar pretty high when it comes to balancing fame and fatherhood as least as far as we can tell from the outside!

Sarah McKeever, a mother of three from New Jersey, thinks Will Smith is a great role model for fathers around the globe. "I adore him, and he seems like a great father and husband. I've seen a few interviews with him and his wife and kids. They seem to keep a healthy balance with all the fame," McKeever said. There may be a lot written about the Smith marriage and their parenting style (a la lack of punishment)" but Will is one dad who definitely focuses on his kids.

Dorothy Cascerceri, an on-air news, fashion, and celebrity

trend expert for *In Touch Weekly*, agrees. “(Smith) loves his kids Trey, Jaden and Willow and has done everything possible to encourage all of their careers in the family business, Hollywood.”

Since Smith isn't the only dedicated dad out there, GalTime asked Cascerceri to name the *Top 10 Celeb Dads Who Are Doing It Right*, and here's what she said (in no particular order):

1. David Beckham— This ultra-hot soccer star is more than dedicated to his four kids, Romeo, Brooklyn, Cruz and Harper. He even has the boys' names tattooed on his back!

2. Ben Affleck— Not only is this Oscar-winner an all-star dad to daughters Violet and Seraphina and son Samuel, but he's also a dedicated hubby. He even thanked wife Jennifer Garner in his Academy Awards acceptance speech.

3. Brad Pitt— In addition to being one of the sexiest men in the world, Brad is tirelessly dedicated to his clan 6 and works extra hard to make sure the entire crew is taken care of.

4. Liev Schrieber— Forget strollers! Liev is usually seen transporting sons Alexander and Samuel around on his back and shoulders.

5. Tony Hawk— He loves his daughter Kadence so much that he Instagramed a photo of the two of them with his nails painted with pink sparkly polish.

6. Taye Diggs— He shares everything with his son Walker, even ad campaigns! The duo flashed their milk mustache smiles for a Got Milk? campaign.

7. Gavin Rossdale— Gavin always pays close attention to the style of his kids Kingston and Zuma, and he always makes sure they have the same rocker look as their dad.

8. Jerry O'Connell— He's a doting dad to his twin daughters

Charlie and Dolly, and oftentimes brings them to the set of his latest projects so they can see their dad at work.

9. Jay-Z— This rap mogul is smitten by his daughter Blue Ivy and even wrote a heartfelt song about her when she was born.

10. J.R. Martinez— Last but certainly not least, GalTime couldn't resist adding new father J.R. Martinez to the list. Even though his daughter Belle just turned one, he's got quite a handle on fatherhood and there's no denying how deeply devoted he is to his precious baby girl.

"I believe I'm a great dad, thus far, because I don't shy away from getting my hands dirty, whether it be by changing her diaper (constantly), making the bottle or setting up for bath time. I believe these are great opportunities to bond with your child," Martinez said.

Martinez also has a piece of advice for all those dads out there who just might be reading this. "I know we're working hard to provide, but don't leave it up to the mom to be hands-on. Show them you're more than capable, because you are."

Beyonce Puts Pregnancy Rumors to Rest by Baring Midriff

What are some ways to avoid pressure to have kids?

Cupid's Advice:

Don't let peer pressure force you into having kids. Cupid has some advice about how to stay above it all:

1. You do you: It's your life so no one has the right to decide when or how many children you want to have. The decision is one hundred and ten percent your own and your partner's, don't let other attempt to sway you.

2. Know what you want: People will be able to change your mind easily if you're not fully sure what you want. Think about the logistics of it all and about how many kids you can really see

yourself raising that way if someone tries to convince you otherwise you know your talking points.

3. Follow your instincts: In the end you know what's best for you. If you get a bad feeling when you think about having more kids, then it probably isn't for you. Kids really effect a relationship, so it's understandable to not want too many. Follow your gut, as it knows what you really want.

Celebrity News: Jay-Z Shoots Down Rumors that Beyonce is Pregnant

By Marisa Spano

For now the world will have to make do with only Blue Ivy as far as Jay-Z and Beyonce's kids go. Jay-Z addressed the latest rumor that his wife, Beyonce is pregnant with her second child. He spoke to Hot 97 Radio to deny the report, says UsMagazine.com. As for Beyonce, she is staying busy, with a recent Saturday performance in Milan.

How do you keep a pregnancy under wraps at the beginning stages?

Cupid's Advice:

It's hard to keep the fact that you're preggers under wraps, especially from work and family members, but Cupid has advice to get around it:

- 1. Get there first:** If you are going on an outing with friends or family, make sure to get to the restaurant/bar first so you can ask the bartender to make your drinks without alcohol.
- 2. Excuses:** If you are having morning sickness and you don't

want people to guess that you're pregnant, blame it on a sickness or food poisoning. This will only work for a short period, but it will buy you some time for now.

3. Wear sweaters and scarves: Big sweaters and long scarves that hang will help hide any weight gain in the early stages. With all that fabric, how will anyone ever know you're pregnant?

Expert Dating Advice: What Beyoncé's Body Language Says About Her Love for Jay-Z

By Jared Sais

Beyoncé and Jay-Z have one of those rare celebrity relationships that seems like the real deal. In this candid chat with Oprah Winfrey on *Oprah's Next Chapter*, the pop superstar opens up about their four-year marriage, divulging never-before-shared details about their union and family life. CupidPulse.com's celebrity detective is here to reveal some non-verbal cues that you may have missed – and to determine if their love will last.

(0:18) Beyoncé says, “I would not be the woman I am if I didn’t go home to that man.” She uses her fist to help highlight her feelings for Jay-Z. You can take her closed fist to represent her husband being her rock. Even her voice starts to crack, indicating strong emotions about their relationship.

Many of you may be thinking that a closed fist means anger, but if you look closely, you will clearly see that her fist is

more of a political pointer. Bill Clinton did this gesture a lot when he wanted to emphasize a point to the public. So she's not angry; she's "crazy in love" with her man!

(0:29) Oprah asks the singer, "How has he helped you?" Beyoncé's head does a slight rollback as her eyes widen and her eyebrows rise. Together, these three non-verbal expressions mean that Jay-Z has always been there for her, supporting her in so many ways. When someone gets overloaded with information or feelings, they tend to have this reaction. It's important to note that Beyoncé was not overloaded by the question but by the numerous ways that Jay-Z has helped her throughout the years. Then, to confirm my analysis, she answers Oprah's question by stating "on so many levels."

(0:46) When talking about her relationship, Beyoncé explains that it's nice to "just have someone you just like, you know?" She leans in towards Oprah to stress the significance of Jay-Z in her life, not only as a lover but as a friend too. She then confirms her feelings by nodding her head "yes" as her hands hit her leg – another way to emphasize her words. All of these are non-verbal cues that I look for to determine if someone is telling the truth.

Throughout this interview, the entertainer didn't tell any lies or try to hide anything from the viewers. It's easy to see that she truly loves Jay-Z and is grateful for their life together. I think this couple will last a very long time, if not forever.

As a side note, I also believe that Beyoncé is pregnant again. She guards her stomach with at least one hand throughout the interview and also talks in a very soft voice. I would say she's glowing, but she's always glowing, right? I think it's a post-Super Bowl baby, so I expect her to make the big

announcement in about six months when she's in Brooklyn on tour. Keep your eyes open to see if I'm right!

This loving moment took place while the two were out celebrating Beyonce's pregnancy with their daughter Blue Ivy, who is now 1 year old, after having their heart broken from her previous miscarriage. During the film, Beyonce talks about the miscarriage "It was the saddest thing I've ever been through. My life is a journey ... How do you celebrate with your partner after he/she does something noteworthy?

Cupid's Advice:

Celebrating is fun! Who doesn't want to celebrate for things they accomplished in their life? You should be able to let loose and have a great time after you went through hard work.

Here's how to show your partner a good time:

1. Night on the town: Your partner just got a new promotion, what do you do? Your partner just hiked Mount Everest, what's next? Of course these two are special events, and they should be celebrated. Take your mate out on the town with the people they love the most in life, or just yourself! They will appreciate this night you planned and will also be less stressed. A night on the town is sure to be a big celebration for your partner.

2. Flowers: People say they don't enjoy flowers, but c'mon. Even if you don't actually like flowers, it is the act of kindness your partner went through which means something. Celebration can commence through flowers, chocolate also tags into this. It shows how proud you are of your beau and how much you love them.

3. Praise: Tell your partner how incredible they are when they accomplish something spectacular. Tell your mate how special they are to you, how talented they are, and how much you care for them and their hard work.
