Cupid's Advice:

Initially, it's difficult getting dumped by someone you thought you'd be with for a long time. But Cupid is here to help you get over the bad break-up:

1. Cry it out: No one likes getting dumped. You are allowed to be sad. Crying will help you release all of your emotion, and once you're done, you'll be able to breathe a sigh of relief. You may cry a few times, but you'll be able to move forward once you wipe away the last drops of tears.

2. Have a little "you" time: After the end of a relationship, you may not know how to do things on your own, or without the comfort of your significant other. Focusing on yourself and taking the time to do things you love will make you happier and give you a more positive outlook. Make sure you do what makes you happy first before jumping back in to the dating pool.
