Cupid's Advice:

A break-up didn't stop these celebrity exes from being a part of each other's lives – and it doesn't have to stop you and your ex either! Here are three benefits to maintaining a friendship with your former love:

2. It's convenient: If you shared the same group of friends when you were dating or even worked for the same company, the importance of maintaining a friendship may just come down to convenience. Celebrity Couple Jennifer Lopez and Alex Rodriguez Enjoy a Romantic Vacation for Two

By [Whitney Johnson](#)

Only a week ago, news broke that [Jennifer Lopez](#) and Alex Rodriguez were a [celebrity couple](#)...and now, after a romantic getaway to the Bahamas, they're turning into the real deal. As reported by [EOnline.com](#), "Jennifer and Alex are heating up big time," a source shared with E! News exclusively. "They went from zero to 100 really quick." Over the weekend, photographers captured the celebrity couple at the ultra-exclusive Bakers Bay Golf & Ocean Club in the Abaco Islands. On their [celebrity vacation](#), they were spotted relaxing at a private ocean villa, where the pop star took a photo with her new man for Instagram stories. "Jennifer likes the idea of dating a man closer to her age," the source added. "Jennifer is really into Alex but still just going with it and learning about him."

This celebrity couple recently took things to the next level with a

romantic getaway. What are three things to consider before vacationing with your partner?

Cupid's Advice:

It's fun to daydream about a getaway with your love (especially if it's as romantic as this celebrity vacation!), but in reality, it's important to make sure that your relationship is stable before you take it on the road. Here are three things to consider before planning a trip with your beau:

1. You're over the first date jitters: Vacationing as a couple is a serious step to take! You'll be together 24/7, so there's very little chance to make sure your lipstick is perfect and your hair is curled before he wakes up. Make sure you're ready to show your man who you are beneath your perfect facade and warm up with a few overnight sleepovers.

2. You can handle a little stress: Let's be honest: Traveling is stressful. Are you ready to see your partner in a cranky mood after a day full of delayed flights, lost luggage, and hot airports? Similar to showing your man who you are beneath a face full of make-up, you'll also see who he is when obstacles get in his way.

3. You have similar vacation styles: Before you hop on that flight, talk to your significant other about your upcoming trip. Do you enjoy packing your itinerary full of outdoor activities, leaving little time for relaxing? Or do you tend

to use your vacations as a chance to catch up on your reading list? Make sure you have similar expectations about your trip so you *both* have a good time.

Celebrity Style: Which Celeb Body Do You Most Resemble?

By Rayne Parvis

Do you wish you had the secret to looking your best in your clothes like your neighbor, friend or iconic movie star? Knowing what styles work for your body shape is essential to getting the best overall appearance. When you look at your favorite character from television or a movie, notice how they wear the same few silhouettes. This is because their glam celebrity style squad knows what to buy so they'll always look their best.

Find the celebrity your body most resembles and get stylin'!

Drew Barrymore, [Jessica Simpson](#) and Jennifer Hudson: You're wider on top than the bottom and are considered to have an apple body type. You most likely have a full bust and slender legs. Create a balance by wearing more subdued darker patterns and colors on top—and brighter hues and textures on the bottom. This balances out your shape. V-necks are your friend too!

[Jennifer Lopez](#), Beyonce and Kelly Clarkson: You have wider hips, narrow shoulders, smaller bust and are bigger on the bottom. Your body type can be described as pear shape. Create a balance in your shape by wearing your brighter patterns and colors up top. Minimize your bottom half with darker colors and simple bottoms.

Related Link: [Celebrity News: Jennifer Lopez Opens Up About Dating Younger Men](#)

Gwyneth Paltrow, Nicole Kidman and Keira Knightly: You have an overall thin frame with an undefined waist, little curves like a rectangle. You can indulge in most necklines and can create the appearance of a curvier figure with full circle, trumpet and flared skirts and feminine tops that cinch at your waistline creating a hourglass shape.

Marilyn Monroe, [Kim Kardashian](#) and Christina Hendricks: You have a defined waist and your hips and bust are noticeably wider imitating an hourglass shape. Emphasizing your waist is key! Make a friend with a tailor. Most of your wardrobe will need to be taken in at the waist. Wrap dress and styles that have a built in waist will pair well with your body type.

Oprah and Melissa McCarthy ladies are considered extra curvy in addition to one of the shapes above. Always create a waist and go for v-neck necklines. You can create an illusion of a smaller waist with belts– or buying styles that already have a seam that makes one for you–like A wrap or body seamed sheath dresses.

The common goal for all body types is to create and enhance your waist like the sex symbols of the 1950's. You can implement these simple tips to feel fab at any size.

Celebrity Break-Up: Jennifer Lopez and Drake End Their Whirlwind Romance

By [Whitney Johnson](#)

And just like that, it's over. [Jennifer Lopez](#) and Drake, who first sparked dating rumors in December when the rapper was spotted at her Las Vegas show (twice!), have called it quits. According to [People.com](#), the celebrity relationship was "never very serious." Prior to their [celebrity break-up](#), the pair collaborated together in the studio and were just "having fun." As a source explained late last year, "They are spending a lot of time together and really enjoying each other, but right now, it's about the music." That's not to say things

didn't get serious fast: The former [celebrity couple](#) spent New Year's Eve together, and the pop star even introduced her rapper beau to her kids, Max and Emme. Reports of a celebrity break-up first appeared earlier this month.

Although we're saddened by another celebrity break-up, it sounds like this celebrity relationship was never very serious. What are some signs that it's time to call it quits with your partner?

Cupid's Advice:

As soon as the fun stopped, this celebrity couple decided to go their separate ways. But for many pairs, knowing it's time to end a relationship isn't that easy. Here are three signs that it's time to call it quits:

1. The annoyances are piling up: It's normal to have a pet peeve or two, but if *everything* your partner does is bothersome to you, you shouldn't ignore your feelings. It's one thing to be annoyed by the way he chews his food; it's another to be bothered by how he's always late, the way he never fixes his hair, the way he throws his dirty clothes on the floor...

2. Your lives don't mesh: You're always busy with work and your girlfriends. He never wants to spend his free time with you. You can't compromise about what movie to see or what to

cook for dinner. You should *want* to be together. If life keeps getting in the way of that, it's a clear sign that your relationship is over.

3. You can't see a future together: You want your relationship to have staying power. If you start to feel like you're only living in the now and have no chance at a future life together, it's time to say good-bye. Don't waste your time with the wrong guy; instead, go searching for Mr. Right!

Celebrity News: Jennifer Lopez Opens Up About Dating Younger Men

By [Mallory McDonald](#)

In recent [celebrity news](#), [Jennifer Lopez](#) has decided to speak about dating younger men. According to [UsMagazine.com](#), she says she got “labeled right away” after dating younger men. She shared with Ellen on *The Ellen Show* some insight on the topic, saying, “OK, first of all, stop. I don’t date younger men,” Lopez, 47, told host [Ellen DeGeneres](#). “It’s not like you have to be younger, it’s not about that. I just meet people and if I go out with them, I go out with them, and if I like them, I like them and if I don’t, I don’t. It’s just about the person. It’s about who they are, it has nothing to do with age. I dated Beau [Casper Smart] and he was younger and that was the first guy I ever dated younger than me and then I got labeled right away,” she continued. “If they’re older, they’re older. If they’re younger, they’re younger. It doesn’t matter. It’s whether or not I’m attracted to them or not, attracted to their spirit, their soul, whatever their energy is.”

This celebrity news has us respecting J. Lo even more. What are some ways to approach age when it comes to dating?

Cupid's Advice:

Dating someone older or younger comes with certain stereotypes and difficulties. But with this [relationship advice](#), you can conquer any age-related issues:

1. Common interests: If you have been hanging out with someone who is older or younger and you're worried about age, ask yourself if can you see a future with the person. Do you both have enough common interests to withstand a relationship? If so, you shouldn't let age affect you.

2. Maturity: Making sure that you and your significant other are in the same place in your life and want the same things in a relationship is important. Just make sure that you are on the same maturity level or it may not work out.

Celebrity Looks: 3 Easy Ways To Dress Like a Celebrity

By Rayne Parvis

What do red carpet rock stars like Adele, Kerry Washington, [Jennifer Lopez](#) and [Jennifer Lawrence](#) all have in common? They have expert wardrobe stylists to make them look extra gorgeous from the front, back, side and in every photo. However, don't throw in the towel just because you can't afford a stylist, don't have time or don't have a Red Carpet event to attend. You can feel like a celebrity in your own home, at work and in your social life. After all, the definition of a celebrity is the state of being celebrated. So, let's celebrate you!

Consider a few of my favorite style tips to give you [celebrity looks](#) and avoid settling for frumpy fashion:

1. Looking Put Together Doesn't Have to Take Hours

Fortunately, *fashion doesn't have to be all or nothing*. Not every fabulous woman spends endless hours primping. One of the sexiest women I know wears jeans, boots, casual t-shirts and rarely spends any time on her hair. This messy yet extremely stylish look works for her! She has sex appeal, with *minimal primp time*, that you can't buy. It's simply her being herself – down-to-earth and unique.

What is your style essence? Is it romantic, feminine, minimal, creative, classic, dramatic, business with boldness, flirty or an array of colors that project a serene aura? I challenge you to find your personal style. Does your closet reflect your style personality? Getting ready in a reasonable time is easy when you have a wardrobe where everything works. And yes, I mean everything! Like any other skill you took effort in learning it will get easier and become second nature.

2. The Most Successful & Influential People In The World Put Great Thought Into Their Wardrobe

Oprah, George Clooney and many more top influential people put careful consideration into their wardrobe. Even someone who may be considered the least fashionable man, Steve Jobs, wore black turtlenecks and Levi's 501 jeans. He had a plan. He put effort into making this very simple look his signature uniform. He even had his turtlenecks designed by Issey Miyaki, one of the most popular designers. Again, his look isn't for

everyone...but it worked for him.

You may not have one million followers on Instagram or a multi-million dollar business, but you can influence the people around you in a positive way. Messages are better received from a prepared and polished package. If wardrobe planning works for successful, popular life changing public figures, it can work for you!

3. Style is a Visual Representation of You

Your personality is not the first thing people see. It's your image. In three seconds or less we are summed up. Your choice of wardrobe can either add or take away from life's opportunities. Knowing your style personality, what colors complement you and what cuts fit and flatter your body shape will keep you looking good and feeling great in no time at all! If your fashion is a challenge, simplify your wardrobe. Find a few styles and cuts that work for you and replicate.

#ManCrushMonday**

By Maggie Manfredi

These exes are definitely more hot than cold! According to UsMagazine.com, [Jennifer Lopez](#) made her [celebrity ex](#), Casper Smart, her “#ManCrushMonday” on May 11th. The sexy superstar captioned the Instagram photo, “#MCM @beaucaspersmart #lovethispic #HandsomeBear.” The celebrity exes ended things in June 2014, but have been spotted together on multiple occasions since the public dissolution. No official report on if the celebrity couple is back together at this time.

Rumors are swirling that these celebrity exes are back together! What are some things to consider before reconciling with your ex?

Cupid's Advice:

Back and forth with an ex can be emotionally draining. Here are some way to decide if reconciling is right for you:

1. How did things end: Reflect back to your break-up. Was there a lot of turmoil and chaos leading up to the inevitable end or was it peaceful and friendly? This alone might be a good indication if it is a good idea to try again.

2. Fun verses drama: Cupid uses the scale 70/30 to measure the worth of a past relationship and love. Fun, love and happiness together should be the 70 percent. Arguments and hardships would make up that 30 this should hopefully be the max. If you feel like bad times outweigh the good then you should maybe rethink getting back together.

3. Future is bright: Look into your future, do you see your ex as a potential life partner sharing important milestones that you wish to live out. If certain steps (having children, getting married, moving in together etc.) were holding you back in the previous relationship, how can you be sure this time will be any better? Be sure to have open and honest communication before making any sudden movements.

By [Katie Gray](#)

JLo may still luh her papi! Jennifer Lopez was seen kissing her celebrity ex Casper Smart. According to [UsMagazine.com](#), "Jennifer Lopez was caught giving her ex-boyfriend Casper Smart a big kiss on the lips in West Hollywood on Wednesday, Mar. 25. The intimate PDA took place on Lopez's turf outside of an *American Idol* season 14 taping. According to *Daily Mail*, Smart stayed by Lopez's side for most of the day until they both left together in his white convertible."

Things are heating up between these

celebrity exes! How do you know whether or not to get back together with a former flame? Cupid has some tips:

Cupid's Advice:

One of the most complex situations in life is when we have to choose who our partner should be, if we should separate from them, and if we do – if we should get back together or not. It's never simple and every case is different, as is the case with former Hollywood couple JLo and Casper Smart. When you truly love somebody, though, you shouldn't let it go:

1. It's true love: If you're madly in love with a person, and it's genuine and pure, then you should definitely give it another shot. Overwhelming feelings of authentic love don't come around too often, so embrace it when you find it. At the end of the day, if you really love somebody – who cares if at one point you broke up.

2. Changes were made: People change. People grow. People make mistakes and then right the wrong. It's important to not hold grudges in life. Forgive people and move on. If your partner has fixed the issues that were the reasons for the break up, then don't be afraid to give them another chance if that is what will make you happy. Everybody makes mistakes, nobody is perfect. Enjoy the improvements!

3. The stars align: Sometimes the stars align and there is a

happily ever after. In life we sometimes need a break from our partner, it's completely healthy. If fate has it that you and that person should be together, then so be it. Bad things happen so that you can truly realize how great things are when they're good. It's important to fix something when it's broke, instead of throwing it away too easily!

Celebrity Exes Ben Affleck and Jennifer Lopez Reunite at the Oscars

By [Rebecca White](#)

Oscars buzz is beginning to die down, but of course, there is even more celebrity news and gossip that is making headlines. According to [UsMagazine.com](#), celebrity exes Ben Affleck and Jennifer Lopez reunited at the awards show during one of the commercial breaks, playfully joking around. We were all heartbroken when the famous couple had their celebrity break-up in 2004, but there's no need to worry: They've kept in touch via email for the last decade. If only all splits were this civil!

It can be awkward for celebrity exes when they see one another again. How can you remain civil if you bump into your former flame?

Cupid's Advice:

Running in to an old flame may be awkward – but not for

celebrity exes Affleck and Lopez. Try to model your uncomfortable experience after this Hollywood couple, and you'll be keeping in touch just like they do without any hard feelings.

1. Bring a friend: In the first few years after the relationship ends, it may be smart to bring a friend with you when you know you're going to interact with your ex. Having a wing woman or wing man will help you refocus the conversation if things turn sour.

2. Don't compete: After a break-up, people often feel the need to compete with one another, bringing dates to parties and going places just to show your ex how happy you are. Don't use your relationship and love life as a competition; it will only leave you feeling upset and emotionally exhausted.

3. Leave the past in the past: This is one of the best ways to remain civil with an ex. Focus all conversation on the present and the future: what you've been up to, how your family is, etc. That way, past feelings will be left in the past for both exes.

Lopez Disses Ex Boyfriends, Saying She's Not a 'Looks Girl'

By [Katie Gray](#)

Jennifer Lopez is almost a queen, in the sense that her empire is made up of her successful endeavors in singing, dancing, acting, designing, and writing. That being said, she hasn't necessarily been lucky in love. In fact, Lopez recently went on the late night talk show *Watch What Happens Live* and discussed what draws her to certain men. "I would say my type of man is, I like manly. I don't like a softer edge. I like somebody to make me laugh. But type-wise, I'm not a looks person. I don't know if you noticed, over the years," *The Boy*

Next Door star, who has had her share of celebrity exes stated. It seems celebrity dating is very similar to dating for the rest of us! The latest celebrity news surrounding JLo points to a woman not weighing looks very heavily when it comes to relationships. What are three ways to make sure outward appearance doesn’t become the most important factor in your search for love?

Cupid’s Advice:

There’s a lot of love advice surrounding the factors to consider when you’re on the hunt for a new relationship. Cupid has some tips on how to make sure you stay on track with what’s important:

1. Laugh: A sense of humor goes a long way. When you’re searching for true love, it’s imperative that you choose someone who can make you laugh. They say that beauty fades, but really beauty is always present when you truly love someone – and it lasts forever. Find the qualities in potential partners that match your personality.

2. Live: The experiences we have in life are what makes this journey special. Enjoy fun outings, travel and try new things with your partner. The fulfillment you’ll have from those moments, outweigh physical beauty. The memories you’ll gain from those times will last for the rest of your lives, which is special.

3. Love: All you really need is love. When you genuinely love someone, inside and out, that becomes all that matters. You should absolutely be attracted to the person you are with. Jennifer Lopez Reveals Ben Affleck Was Her “First Big Heartbreak”

By [Katie Gray](#)

Don't be fooled by the rocks that she got; she's still Jenny from the Block! Superstar, Jennifer Lopez, AKA JLo, has revealed in a recent interview that her first big heartbreak was her split with actor Ben Affleck. They had co-starred in the film *Gigli* together. She opened up about how she was devastated over the split in a recent interview with Maria Shriver that is set to air on November 3rd and 4th on *The Today Show*. Lopez is multi-talented; she's a singer, songwriter, actress, dancer, fashion designer, author, perfume

creator, producer and judge on *American Idol* among a variety of other successful endeavors. According to UsMagazine.com, the lovely Lopez stated in her interview, "It was probably my first big heartbreak, and to have one of my best friends who I'd known for years, who I actually love and did have chemistry with, come into my life and say, 'I'm here'...What you need to know is, nobody can save you or heal you," she continued. "Only you can do that for you."

What are three immediate ways to start getting over heartbreak?

Cupid's Advice:

Heartbreak is one of the most difficult things to deal with in life, so it's important to remember that there is always light at the end of the tunnel. Cupid has some ways to help you get over your heartbreak immediately:

1. Love, love, love: Directly after a split from a significant other, it's important to surround yourself with your loved ones. They will build you up, recharge your energy, give you hope for the future and inspire you to keep on going. Take a look around and realize that you are not in fact alone, and see how loved you truly are.

2. Personal bubble: Although you shouldn't completely close yourself off from the world forever, it's important to retreat into your own personal bubble and take time for yourself. Spend your time thinking, relaxing and doing things that YOU enjoy. Don't worry about everyone else for a change, this is the exception where being selfish is totally acceptable. Do something for yourself, reflect back on things and focus on resting because you are probably in desperate need of it.

3. I'm a diva: Pamper yourself! Even though you're feeling sad on the inside, you can look fabulous on the outside which will lead to feeling good inside too. The saying goes, 'If you look good, then you feel good.' It's time to enjoy yourself and get back on the top of your game. Go to the hair salon and get your locks looking on point, get a fresh manicure/pedicure, go to the spa and enjoy a massage, do a facial, take a bubble bath, have your eyebrows waxed, do some shopping and treat yourself to your favorite foods and desserts. Like Teresa Giudice says, "Count your blessings. Not calories." Meditating and doing yoga are also ways to heal you on the inside and relax. Allow yourself to feel positive energy and be zen. There is so much to look forward too, remember that.
