What is beautiful about the holidays is that it gives everyone in love a lot of moments in the spotlight with their beau – moments ranging from office parties to family gatherings to alone time by the tree. This can be a problem, though, if you haven't prepared your skin for all of that attention. Luckily, [Jergens](#) is here to help you achieve flawless skin with just one perfect product.

Picture this: You're standing under the mistletoe, and your man comes and wraps his arms around you. You've been waiting for that perfect holiday kiss, but now, all you can think of are those dry spots right around your elbows. Or maybe, you've finally pulled out the sparkly mini-dress that you've been anticipating wearing to your honey's holiday get-together, but the open back exposes dark spots on your skin

that don't match your outfit. Your old BB cream didn't go on sheer, so you were afraid to use it on these noticeable areas of your body. Ladies, put down that product (better yet, toss it in the trash) and pick up Jergens® BB Body Perfecting Skin Cream instead!

Jergens® BB Body Perfecting Skin Cream

Jergens® BB Body Perfecting Skin Cream will not only hydrate and illuminate your skin as soon as you put it on, but it will firm, even, and correct it after only five days of use. Plus, it dries quickly, so there's no need to adjust your usual morning routine to avoid staining your clothes. Better yet, this BB cream goes on sheer and adjusts to your skin tone, so you won't look like you just tried to rub pudding on yourself before that holiday party. Instead, the combination of shea butter, skin-smoothing emollients, and Jergens Firm Perfecting Complex combine to give you luminous, smooth, and firm skin.

Nothing sparks this girl's confidence like flawless, beautiful skin can. When my skin is at its best from face to feet, I feel like a stunner, and I am ready to take on the world. When I want that coveted, effortlessly perfect look, I have always been a worshiper of the BB cream, but, until now, I have only been able to find it for my face. Now, for the very first time in the United States, I can enjoy skin that's deeply hydrated, illuminated, visibly firm, even, and virtually flawless by using this all-in-one moisturizer for my face *and* body! It's [Jergens BB Body Perfecting Skin Cream](#), and it is

fabulous.

I love it because it is so easy to get and use. I pick it up at my local grocery store, but you can get it at any mass retailer or drugstore nationwide for only \$12.99. It is a total steal for what you're getting out of it: five visible skin perfecting benefits in just five days. You can literally start using it on Monday and begin showing yourself off by Friday night. Also, it smells delicious. It's made with shea butter and coconut water and it makes my man go wild. What more could a girl ask for? Nothing!

I kept going on and on about my new radiant skin, so one of my co-workers April decided to go out and try it for herself. She called me about a week later and was raving, "You were so right! My skin has never looked or felt this good." Now, she's telling all of her friends about it. We are both obsessed and trying to bring everyone we know aboard the Jergens BB Body Perfecting Skin Cream train. Won't you join us?
