

# Five Celebrity Couples Who Had a Low Profile Wedding

By Creshawna Parker

Planning a wedding is hard work. You have to pick a date, send out invites, take engagement photos, find the perfect dress, choose the hall, get a caterer – actually, the planning really doesn't end until the big day. And if you're a celebrity, add trying to shun paparazzi and other camera toting individuals to your to-do list and this task can become even more stressful. Contrary to this belief, thanks to reality TV and celebrity magazine contracts, some celebrities [insert Kim Kardashian here] have the pleasure of publicizing their exchanging of vows for millions of Hollywood enthused fans to see on TV in trade of cashing a multi-million dollar check. While, this gives off a semblance of an easy pay day for celebrities, these Tinseltown twosomes traded in the cameras and the public access to celebrate their intimate moment with family and close friends:

**1. Beyonce Knowles and Shawn 'Jay-Z' Carter:** This power couple started dating back in 2002 and after years of speculation, the duo officially tied the knot on April 4, 2008. The ceremony was followed by a lavish party thrown at the rapper's New York Tribeca apartment and was decorated with 50,000 to 60,000 white orchid blooms from Thailand. In attendance was the couple's closest family and friends including the singer's parents and sister Solange, former Destiny's Child members Kelly Rowland and Michelle Williams and actress Gwyneth Paltrow. Normally a private person about her love life, the new mom stated in *People* back in January 2006, "I never pictured myself as a bride, but after my sister's wedding, I did start thinking about what kind of wedding I want. I don't think I want a big one."

**2. Mariah Carey and Nick Cannon:** These two lovebirds started dating in March of 2008 after Cannon appeared in the singer's music video "Bye Bye." After dating for only a few weeks, the couple said "I do" on April 30, 2008 in front of a dozen of their closest family and friends at Carey's Bahamian ocean-side estate while enjoying live Maine lobster and Dom Perignon that was flown in for the special occasion. Not only did the couple seal the deal in just a few weeks, they also marked the event with permanent ink. "We got tattoos," Carey told *People*. "His is on one shoulder to the other and it says 'Mariah.' [Mine is] on my lower back and it says 'Mrs. Cannon.' "

**3. Megan Fox and Brian Austin Green:** It took two engagements before this Hollywood pair tied the knot in Hawaii on June 24, 2010. The couple, who met in 2004 on the set of the sitcom "Hope & Faith," wed at the Four Seasons Hotel resort in a private ceremony while vacationing on the island. Before calling off their first engagement, Green described his ideal wedding to *People*. "Originally we were talking elopement and

now we might have a few people there,” he said. Obviously a man to get what he wants, the two reportedly exchanged vows in front of a half dozen guests including Green’s son, Kassius.

**4. Jessica Alba and Cash Warren:** When it comes to low-profile weddings, this actress and producer take the cake. Opting out of having a glamorous Hollywood wedding, these two tied the knot May 19, 2008 at the Beverly Hills courthouse’s ceremony room under an arch of green silk foliage and white flowers, with Alba dressed in a long blue gown and her hair in a ponytail. Although the pair considered having a fall wedding, they were evidently satisfied with keeping their nuptials low-key.

**5. Jennifer Garner and Ben Affleck:** There was nothing gaudy about this couple’s wedding. Married on beautiful Parrot Cay of the Turks and Caicos Islands, a makeup-less Garner, wearing her hair in a loose ponytail wed Affleck on June 29, 2005, in a private ceremony with no family-including their parents- or friends in attendance. “They didn’t need or want a crowd. They just wanted each other,” Affleck’s pal, director Kevin Smith, told [People](#). Perhaps, the secluded time away from the Hollywood glam and cameras made for the best wedding gift for the couple. “They’re in it for one another, not for anyone else,” Smith said.

# Best Celebrity Moms (Who Also Make Great Wives)

By Che Blackwood

Making a relationship work is hard. Throw in full-time jobs, opposing schedules and nosey families, and it can be darn near impossible to find the time you need to make it work. Now, add children to the mix, and some might begin to assume you're attempting to commit partnership suicide. Any woman that has the privilege of being called Mom, or even those who've tried their hand at babysitting, knows that after making macaroni necklaces and finishing science projects, there isn't much time left at the end of the day to dedicate to yourself, let alone your partner. Fortunately, it is possible to fulfill your parental duties and keep your mate happy without completely sacrificing your sanity, shower time or friendships. While it may sound like an urban legend, these celebrity moms have found a way to make juggling kids, love and inner happiness look somewhat easy:

**1. Victoria Beckham:** This former Spice Girl ditched her Posh-like alter ego for a life of domesticity after marrying sexy soccer player David Beckham in 1999. Four kids later, Mrs. Beckham can be found naming handbags from her clothing line after daughter Harper and taking her sons to FAO Schwartz. While it's obvious that Beckham is a [fun mom](#), she's also a stunning wife. Low-cut dresses and six inch heels keep this mama looking hot and since their last child isn't even a year old yet, it's obvious that after thirteen years, her style has kept her husband interested.

**2. Gwyneth Paltrow:** Paltrow makes sure her children, Apple and Moses, think she rocks by taking them to see their dad, Coldplay's Chris Martin, in concert as often as possible. On top of raising her children amongst some of music's biggest legends, she's also made a career out of mommy-blogging, dishing on the most kid-friendly restaurants and best toys. However, this celeb doesn't pretend that being a wife and mom is easy. She's reported that the pressure has caused trouble in her relationship, but in the end, commitment wins out. The actress reminds us that love can't overcome everything, but that the willingness to try sure can. Her devotion to her family makes her one of the coolest moms we know.

**3. Jennifer Garner:** Garner is the epitome of a laid back mommy. Regardless of her Hollywood status, Mrs. Affleck walks her children to school every day, is frequently spotted bringing her two daughters to the park and focuses on each of her children's individual interests. The actress is so humble that she had no problem dishing in an interview that her eldest daughter, 5-year-old Violet, called her fat. While a great attitude makes for a great mom, her bouncy personality has made her a great wife to actor Ben Affleck as well. In fact, he admitted publically that his wife's unique demeanor leaves him happier and more at ease than he ever thought possible. With their first son having been born a month ago,

let's hope Garner can continue to keep this growing family happy.

**4. Nicole Richie:** This former party girl ditched her crazy habits when she married rocker Joel Madden, but she didn't walk away from her almost natural ability to be hip. As a fashion designer, Richie has named a number of her companies after daughter Harlow. She's also performed on stage with her children's favorite show, *Yo Gabba Gabba*, and can be spotted bringing Harlow ice cream at ballet class and taking son Sparrow to the beaches of Malibu. With such a rocky past, Richie seems to genuinely appreciate and cherish every moment of motherhood. However, she hasn't forgotten the needs of her husband. The lovebirds continue to make time for each other, recently visiting Coachella, enjoying intimate date nights and making it a point to actively raise their children together.

**5. Jessica Alba:** This Hollywood actress went public about the pressure of raising a baby in the public eye after giving birth to her first daughter, Honor. After the birth of her second daughter, Haven, she's grown more accustomed to life in the limelight. Never photographed without her children, Alba manages to keep their lives as private as possible without sacrificing their time together. Ransacking her house, she has made her life kid-friendly by adding education into everything she does. Alba admits that raising children is hard, but by taking the pressure off of herself, this Bohemian beauty has turned into a baby-raising bombshell. She and husband Cash Warren have also taken the pressure out of their relationship by taking the time to hang out alone. Whether stealing a weekend away in New York City or sneaking in a day at the beach together, Alba has made it a point to keep her relationship fresh; and it appears to us that Warren couldn't be happier!

Everyone remembers the moment they met the love of their life, whether it be at a park, a coffee shop or at the office. For many celebrity couples, the setting of the beginning of their love story was the work place. follow and discuss:

## Hollywood Relationships On- And Off-Screen

**1. Brad Pitt and Angelina Jolie:** This famous couple has to be one of the most unforgettable set of co-stars to have met on set (they were filming *Mr. and Mrs. Smith*). ## How to Pursue Your Man Like Naomi Watts

By Brea Gunn

Everyone knows the formula: boy meets girl, boy flirts with girl, boy asks girl out and boy and girl become an item. But what happens when *girl* meets boy and *girl* pursues said boy?

While it's not unheard of for a woman to have a crush, it's becoming more fashionable for her to be the pursuer, rather than the pursued. Take Naomi Watts and Liev Schreiber, for example. The pair met at the Metropolitan Museum of Art's Costume Ball, and the rest is history, as they say. Or, actually, it's HERstory.

The thing is, unlike other couples, Naomi actually pursued Liev. That's right. The actress made up an excuse, flew to New York and now the couple have two beautiful children. A woman pursuing a man isn't necessarily a new phenomenon in Hollywood, though. In fact, it's starting to feel like the norm.

For example, Rachel Weisz married Daniel Craig after meeting the super-hunk on the set of their new movie. LeAnn Rimes and Eddie Cibrian couldn't keep their hands off each other (their very married hands!) when they met. Jessica Alba thought Cash Warren was a stud, and now they've got a beautiful family.

And sometimes life even imitates art...or art imitates life. Even Anna Paquin couldn't keep her eyes off of costar Stephen Moyer. And ironically, Sookie, her character on their show, *True Blood*, pursued his character, Bill.

So what's a woman to do? Here are some tips:

- 1. Make the first move:** Go talk to him. Compliment his awesome dancing ability. Hey, it worked for Naomi Watts!
- 2. Set up the next date:** Take a lesson from Anna Paquin, and tell him when you want to see him again. Don't wait the obligatory 48 hours to text and/or call.
- 3. Don't be shy:** Even if you tend to be on the quieter sell,

go outside of your comfort zone and show your outgoing side. There's no place for hesitation when you're going after a man.

So, next time you're out with your girlfriends and you see a cute guy across the room, channel Naomi, Rachel, Leann and Anna ... and send him a drink.

## Jessica Alba and Cash Warren Welcome Daughter Haven Garner

Now Alba is focusing on balancing a busy career, motherhood and a loving relationship with her beau.

**What are some ways to lose the baby weight quickly after giving birth?**

### **Cupid's Advice:**

Every woman knows it's difficult to shed weight, but it's even tougher to lose the baby weight after giving birth. Cupid has some advice on how to drop the pounds so quick that people won't believe you were even pregnant:

**1. Pilates and yoga:** Not only is this a perfect way to relax and chill out, but both of these activities are great ways to tone your body and get your shape back. If you're up for a challenge, instead of doing traditional yoga, try hot yoga or bikrim. You'll sweat everything out of your body and feel cleansed. Plus, you'll sweat off the pounds.

**2. Diet:** Whether you decide to try Weight Watchers, Jenny Craig, or any other diet, as long as you start to eat healthy and watch what your eating, you are sure to shed the pounds fast. Keep track of what your eating and make subtle changes in your diet.

**3. Plain old exercise:** When all else fails, hit the gym and lose the weight the old fashion way, by working out. Not only does this give you some alone time, but it also makes you feel good and will most likely cause you to make healthier decisions throughout the day.

## Jessica Alba is Expecting

Jessica Alba and husband Cash Warren are adding one more to their brood,

according to [UsMagazine.com](http://UsMagazine.com), and Alba took to Facebook to let her fans in on the good news. "Honor is going to be a Big Sister!" the actress wrote. "Cash and I are thrilled and wanted to share the news directly with you so you didn't hear about it somewhere else." Alba, 29, and Warren, 32, already have a two year-old daughter, Honor. The soon-to-be mother of two added, "I appreciated all of the love and support you all gave me during my first pregnancy and will definitely appreciate it again this time around."

## **What are some ways to announce your pregnancy?**

### **Cupid's Advice:**

When you find out you're expecting, telling people can sometimes be the most exciting (and difficult) part. Cupid has some tips on how to break the news:

- 1. Be creative:** If you're looking for ways to tell your partner, try something different. Put a baby rattle or little socks in his pocket to find later and sit back and wait for him to figure it out!
- 2. Go public:** If you're really excited about the pregnancy, why not shout it from the rooftops? Use social media like Jessica Alba did, or make a huge sign saying "I'm pregnant!" for your friends or relatives to see when you invite them over.
- 3. Tell your folks:** If your parents live far away, try sending them a blank card and in child's script write, "To my future Grandma and Grandpa. I can't wait to meet you in 9 months! Love, Baby."
