What are some ways to choose your partner's engagement ring?

Cupid's Advice:

Choosing an engagement ring is one of the most important things you can do before you propose. Here are some ways to pick out the perfect ring:

1. Trust yourself: You love your partner, and you know them

inside and out. If you love the ring, they'll love it, too.

2. Pay attention: Does your significant other wear a lot of silver? Gold might not be your best choice. Pay attention to their style and make a choice based on that.

3. Relax: The ring isn't going to make the decision for your love. Recognize that if your partner loves you and is ready to spend the rest of their life with you, they couldn't care less what the ring looks like, just as long as you're the one giving it to them.

Jessica Biel Says Married Life with Justin Timberlake Won't Change Anything

Newly engaged

actress Jessica Biel says married life with Justin Timberlake won't change a thing once they tie the knot. In fact, Biel says her role as housewife will be limited, as her career keeps her away from home, according to [People](#). Biel, 30, and Timberlake, 31 plan to marry this summer.

What are some ways life changes after you get married?

Cupid's Advice:

Getting married is a big deal for many reasons. Although you may agree with Biel that married life isn't that different, there are some changes that come with the territory:

1. Family: Even if you already have kids or don't plan on having them, your spouse is now your family and that's a big change. You are committing yourself to this person, and he or she will be present during all of the great (and all the not-so-great) moments in your life.

2. Single life: Single fun is different than married fun, but don't give up on dates and flirting with your spouse. Incorporate the things you found fun while single into your marriage so things don't change *too* much.

3. A new you: Even if you and your partner were living together before, you're going to spend a lot more time together as a couple. Don't be surprised if you adopt new mannerisms, your tastes broaden and you find yourself developing and expanding who you are.

What are some other things that change when you get married?

Cupid's Advice:

It's important to support your partner, but sometimes too much support can make your significant other feel suffocate. Here are some ways to support your partner's career without overdoing it:

- 1. Show up:** If your partner needs you to tag along to a party or meeting that regards work, do it without hesitation.
- 2. Offer your skills:** Let your partner know that you would be happy to help with their career, especially if it means lending your professional expertise.
- 3. Make scarifies:** The more your partner grows in their career, the more scarifies you should make, just as long as in doesn't belittle your own career goals.

4 Wedding Styles of the Rich and Famous

By Lauren Martina,

ASID and Katherine Shell Benson

When it comes to upcoming trends, we can guarantee that the hottest engaged celebrity couples will be showcasing the latest and greatest. In fact, we had so much fun pairing the most talked about celebrity brides-to-be with the wedding styles that everyone is talking about! Here's our forecast for what we think we will see in 2012!

Anne Hathaway: When we think of Anne Hathaway, we think of vintage elegance. Between her classic fashion style and the grace she exudes each time she walks out of her door, we believe that a *Vintage Elegance* wedding is what fits her best. Although her wedding will be in NYC, this very popular style can be scaled up and used in any setting from penthouse rooftops to grand hotel ballrooms.

Jessica Simpson: Very Southern and hand done outdoor weddings are huge right now and are not going away any time soon. One of the things we love about Jessica Simpson is that she is authentic, and this is the type of wedding we can see her having this time around ... very intimate, Southern and hands on.

Britney Spears: Although this is not her first rodeo, we

believe she has found the one this time! With two adorable boys, and the reputation of sometimes going against the grain (which isn't so bad sometimes when an electric razor isn't involved), we can't imagine Ms. Spears in a traditional white dress. This is why we are pairing her in a colored Vera Wang dress, which is one of 2012's hottest trends.

Jessica Biel: *Luxe Weddings* are all the rage right now, and if you go to any Canadian wedding source (Canada is always a step ahead when it comes to wedding trends), you will see what we mean. Who better to have one than Jessica Biel? We envision her wedding very luxe with champagne and gold trims, acanthus leaves and lots of layered texture. We can see her and Justin Timberlake with this fabulous Luxe cake from The Cake Opera Co. Love this!

2. Communication: For the times when drama is inescapable, it's important to communicate with your spouse. If need be, have a conversation that directly addresses the drama and its effect on your marriage. Complete honesty will keep your marriage strong.

How do you plan your dream wedding in a short amount of time?

Cupid's Advice:

Planning your wedding can be a stressful time, and adding in the time element just increases one's worries. Cupid shares some tips on how you can plan a wedding quickly:

1. Location: Some places offer last-minute discounts. Try to schedule your wedding and reception at the same location.

Also, be flexible on the exact date and time.

2. The dress: If your wedding is in three months or less, it's unlikely that you'll be able to custom design a dress. That doesn't mean you can't find your dream dress. Check out boutiques which have wedding gowns in a variety of sizes so

that you're able to find the perfect outfit for this important date.

3. Invitations: Take care of invitations first. It's important to give guests at least six weeks notice, so sit down with your partner and decide on a guest list. Doing this will ensure that those you love most will be there to see you tie the knot.

Valentine's Day Love Advice: Does Your Relationship Add Up?

By Donetta Huffman

Finding out if you and your sweetheart are meant to be is sometimes a gut feeling, judged by your relationship's strengths and flaws. However, many couples (more often women) seek clarity by visiting psychics and astrologers. Whether for fun or to validate some serious decision-making about the fate of a relationship, these 'supernatural' predicting methods are a trend for young women looking for advice. If you're a numbers gal, numerology may be the thing that you crave.

Numerology is the study of the symbolism of numbers to determine a couples life path, destiny, soul and overall

compatibility. It can lead you to some interesting romance facts. You may have heard about numerology, but thought it was a complicated mathematical process that was difficult to master. Don't worry; it's not like those hard to memorize, crazy x-y equations that made your palms sweat and gave your stomach butterflies while taking high school algebra tests. It's much simpler and can be easier applied and utilized in your everyday life. The math is fairly simple. Here's what you do:

First, take the birthday of your boyfriend, husband, fling or love crush and add the numbers together one-by-one. For example, Justin Timberlake was born on: 1-31-1981. So add $1+3+1+1+9+8+1$. The sum that you get should be double digits. In this example we get the number 24. Now add those two numbers together to get the single digit Life Path for that person. In this case, Justin's Life Path number is $2+4=6$.

This number has a meaning that numerology specialists use to decode relationships.

Take a look at these three celebrity couples below to see if numerology ranks true for these Hollywood Sweethearts:

Justin Timberlake and Jessica Biel

These two have very compatible numbers, Justin is a 6 and Jessica an 8. Both are goal-oriented and do not shy away from responsibilities. These two may pursue their goals in different ways, but as long as they play off of each other's strengths, their relationship has a chance to last. In addition, Jessica has an 8 Soul and Personality and Justin has an 8 Destiny, so the couple feels like they understand one another on a deeper level. Jessica feels protected by Justin, with his nurturing 6 Life Path. They actually share numbers with an actress who eventually became a princess. Grace Kelly transformed into Princess Grace when she left Hollywood and

LeAnn Rimes and Eddie Cibrian

This couple got off to a somewhat rocky start, as they were both married to other people when they met. LeAnn is a Life Path 2 and Eddie is a Life Path 6. Considered one of the most loving unions, this is a romantic combination, as both numbers [love](#) easily, without holding back. Neither number is afraid to show their true feelings. Also, with LeAnn's 2 Life Path, she sees herself in Eddie's 2 Personality. His 6 Life Path recognizes her 9 Soul, thus having a deep artistic connection. LeAnn and Eddie are in great company when it comes to lasting relationships. With the same number combinations, Hollywood icon Bob Hope and his wife Delores were married for 69 years, while Kelly Ripa and Mark Consuelos have it all – three lovely children and very busy, successful careers.

Brad Pitt and Angelina Jolie

Somewhat of a curious combination of numbers, with Angelina's 5 Life Path and Brad's 4 Life Path. This can sometimes be a challenging combination, as 4's usually like routine, whereas 5's love change and the unexpected, but that is where the initial attraction might have started. They are so different, but could have found admiration in these qualities. Angelina not only has a 6 Soul, but also a 6 Destiny – it is no wonder she keeps having and adopting children. 6's are the maternal, paternal number. When she met Brad, she saw this in Brad's 6 Personality. The qualities they show to the world are that of loving parents. With Angelina's adventurous Life Path 5, life with her promises never to be boring!

Justin Timberlake Says He Should Not Be Giving Love Advice

Not everyone can dole out love advice like Cupid can. At the premiere of his new movie *Friends With Benefits*, Justin Timberlake said he is

the last person anybody should ask for relationship tips, UsMagazine.com reports. "I think it's pretty obvious that I should not be giving anybody love advice," the actor/musician said, adding, "Yeah, listen to a single male... That'll work out." Timberlake, 30, split with Jessica Biel in March.

How do you know if someone giving you love advice is credible?

Cupid's Advice:

Some people have more bad luck in the love arena than others and may not be the best source of relationship advice. Cupid has some tips on how to know when someone is giving you reliable tips:

1. Single: Don't get your relationship advice from one of your perpetually single friends. There's nothing wrong with being single, but if they've never had a long-term relationship, they probably can't help you out.

2. In a relationship: On the other hand, someone who has been in a perfect, trouble-free relationship for as long as you can remember might have trouble giving you tips on how to overcome relationship hurdles.

3. Different experiences: If you ask a friend who doesn't believe in monogamy what to do when you think your mate is cheating, they may give you a biased response. In other words, talk to someone with the same outlook on love.

Posh Spice remains a feisty diva who has perfected her fashion tip, and the soccer player has always been noted for his good looks. Though rumors have circulated about the couple having affairs, they are still holding strong, 12 years later.

4. Gisele Bundchen and Tom Brady: There's no need to speak on success, as Brady is one of the hottest names in the NFL and the former Victoria's Secret angel continues to land many cosmetic endorsements. This is a first marriage for this seemingly ageless couple – one that will hopefully last!

5. Faith Hill and Tom McGraw: Though Zimbio doesn't think this couple is too hot, success sums them up in a nutshell. Hill had 1.2 million Google searches last month, and McGraw's 2.25 million was enough to put them in the top tier of most popular couples, according to the site. We predict that this couple will continue their happily ever after, as their staying power ranks 20 out of 20.

6. Will Smith and Jada Pinkett: You should have known this hot Hollywood couple was coming! Smith and Pinkett are the epitome of the sweet, down-to-earth duo everyone loves. They have both spoken out about divorce before, and simply put, it won't happen.

7. Jessica Biel and Justin Timberlake: Although this couple gained a spot in the top 10 list, the fire to their flame has been blown out. However, the former pair ranked 19 out of 20 for both popularity and attractiveness.

8. Gwen Stefani and Gavin Rossdale: While they aren't as successful as the others, this musical couple ranks high in attractiveness. Though Stefani used to date No Doubt band mate Tony Kanal, there's "no doubt" she and Rossdale are a match made in heaven.

9. Johnny Depp and Vanessa Paradis: According to Zimbio, “Johnny Depp became the highest-paid actor for a single role in the history of film” after shooting *Pirates of the Caribbean: Dead Man’s Chest*. If that’s not success, we don’t know what is! These dark-haired lookers have an unpredictable staying power and didn’t rank high in popularity, but made the top 10. Kudos!

10. Heidi Klum and Seal: Seal’s album *Soul* ranked number one on the French album charts for 13 weeks straight last year, and Klum’s 2010 income was said to be \$14 million, according to *Forbes* Celebrity 100. Though Seal has a rare condition called discoid lupus erythematosus that caused the scars on his face, Klum, the bombshell Victoria’s Secret model, only noticed his flawless personality.

This Top 10 list is just a small portion of what’s on Zimbio’s Top 100 menu; if you can’t take the heat, stay out of the kitchen. For the rest of the list, visit Zimbio.com.

Is there someone else to blame for your breakup?

Cupid's Advice:

It's easy to point fingers and put the blame on someone else, especially when it comes to a breakup. It may be easier said than done, but taking an unbiased look at things may reveal some surprising facts:

- 1. Take a step back:** Try to look at the situation with new eyes. Did someone else come between you and your partner or were you simply growing apart?
- 2. Give it time:** It may be easier to take a few months and then re-open the situation once your emotions have settled down. Think back to how things were at the end of your relationship. You may find there's no one to blame but yourself.
- 3. Warning signs:** You may have missed the warning signs that the end of your relationship was near, but they were definitely there. Once your excuses for his bad behavior are lifted, you may see things differently.
