By [Jessica DeRubbo](#)

The promos for the upcoming season of 'The Bachelor' Season 19 are upon us! In a recently released promotional trailer featuring Chris Soules' quest for relationships and love, host Chris Harrison is seen jokingly slapping Soules in the form of a reality check when his women contestants begin arriving in the first episode. "I am the luckiest man alive," Soules said, according to [UsMagazine.com](#). "I really do believe I can find that special someone."

# Finding relationships and love can seem like a dream. What are some ways to give your friends a reality check when it comes to their dating lives?

## Cupid's Advice:

There's no doubt about it: sometimes you and your friends need a reality check in your relationships and love lives. Cupid has some ways to dole them out:

**1. Be straightforward:** Sometimes the best thing you can do is tell it like it is. If you see a friend idolizing their partner or doing things they wouldn't normally do in a relationship, call them out on it. If they are a close friend and trust you, that's all it should take.

**2. Stage an intervention:** In extreme cases, it might be necessary to get a group of their loved ones together to stage an intervention. For instance, if you know your friend is in an emotionally abusive relationship, you may want to take this approach. Get together and let your friend know you all care, but that something needs to be done. He/she may pay more attention if there's more than one person.

**3. Gradually work up to it:** Dropping hints here and there in a subtle way may be the way to go if what you're pointing out is something fairly minor.

# **Best Celebrity-Inspired Halloween Candy Choices**

By [Jessica DeRubbo](#) and Molly Jacob

Each year, October 31st brings with it a chance to carve the face of KISS frontman Gene Simmons in your pumpkin, dress up as a sexy version of Jasmine from *Aladdin*, dance to the “Monster Mash” at a masquerade with your honey and, most importantly, stuff your face with as much sugary goodness as you can possibly muster. Even though you’ll most likely be clutching your aching stomach the next morning, Halloween and candy are inseparable, because you simply can’t have one without the other.

Hollywood isn’t innocent either when it comes to indulging in candy on All Hallows’ Eve. Celebrities may stay in shape thanks to strict diets, but everyone has been known to splurge once in a while. In fact, places like Dylan’s Candy in New York City honor those celebrity sugar binges by dedicating a whole wall of treats to all of their favorites. Here are five

candies that have been officially endorsed (at least verbally) by some of your favorite Tinseltown hotshots:

**1. Reese's Peanut Butter Cups:** Neil Patrick Harris has a sweet tooth along with his funny bone. The "Gone Girl" star told *Entertainment Weekly* that the peanut buttery sweet is his favorite movie theater snack. "They are like the crack cocaine of the candy world," said Harris.

**Related:** [Neil Patrick Harris is Married](#)

**2. Hi-Chews:** Ryan Gosling, according to an interview with *Esquire*, has a candy obsession and "speaks of it the way rich men discuss wine." While Gosling loves many forms of goodies (excluding anything chocolate), he is particularly partial to Hi-Chews. "It's the candy that never quits on you," says Gosling.

**3. Swedish Fish:** While Justin Bieber is known for his love of Sour Patch Kids, the superstar has had a change of heart. Bieber told the *Montreal Gazette* that he is done with his addiction. According to Bieber, his fans kept bringing him the candy to his shows, "so I kept eating them and now, if I eat another Sour Patch Kid, I'm probably going to just throw up." He now sticks to Swedish Fish when he's in the U.S. and Big Foot gummies when he's in Canada.

**Related:** [Justin Bieber and Selena Gomez Reunite at Coachella](#)

**4. Sugar Daddies:** Khloe Kardashian favors Sugar Daddies, according to Wonderwall, and the reason behind it only partly has to do with its taste. She says the hard candy reminds her of her dad because he loved Sugar Daddies. "I just love anything bad for you. Anything bad is good," says Kardashian.

**5. UNREAL Candy:** Not every celebrity's sweet tooth has to be unhealthy. According to Yahoo!, celebrities such as Tom Brady, Giselle Bundchen, Twitter founder Jack Dorsey and Leonardo

DiCaprio are endorsing this “junk-free” brand, which offers alternatives to traditional treats. In a statement DiCaprio said, “By working together to better understand the health of both people and the environment, we can produce healthier food that will benefit large populations of people while minimizing our impact on the planet.”

Whether you prefer sweet, sour or chocolaty varieties of candy in your trick-or-treat sack, and whether you’re an accountant or a movie star, sugary treats have always been a staple on Halloween.

**How do you move on from a past love?**

**Cupid’s Advice:**

When you fall in love, it’s usually for good reason, and it can be hard to move on from that when the relationship ends. Cupid has some tips:

**1. Keep busy:** The first order of business is to keep your mind off your lost love. Reignite old friendships, and take up new hobbies. As you fill your life with fun new things, your past love seems less important.

**Related:** [How to Get Through a Breakup and Heal Your Heart](#)

**2. Remove social media teasers:** Resist the urge to jump on your ex's Facebook page or Instagram account. Obsessing over what your ex is doing post-breakup will only make your heart hurt longer.

**3. Allow yourself to grieve:** Your friends may want to take you out the night after your breakup, but it's probably not the best idea. Allow yourself the chance to come to terms with the loss, and then move on once you've done that.

do"? Plus, your guests will have the times of their lives bringing it back to their childhood days.

**How do you know if your partner is in a relationship with you for the right reasons?**

**Cupid's Advice:**

There's nothing worse than learning that your partner is with you for a reason outside of genuine respect and interest. Cupid has some tell-tale signs that your partner may not be sincere:

**1. They don't listen and ask questions:** If your partner doesn't seem interested in hearing about your day or listening to your opinions on things happening in the world, then you may want to think twice.

**Related:** [Khloe Kardashian and French Montana Go Public As a Couple](#)

**What are some reasons to defend your relationship to family and friends?**

Defending your relationship is never something you want to

have to do, but some situations simply call for it. Cupid has some scenarios in which it might be not only okay, but necessary, to step up to the plate to defend the one you love:

**1. Inaccurate accusations designed to hurt:** Some rumors aren't worth addressing, but when an accusation or assumption is hurting your significant other, it's time to take action.

It's no secret that Robin Thicke has been making some grand gestures to win back his estranged wife Paula Patton. From dedicating songs to her on stage to naming his new album after her, Thicke is determined to do what he can to mend things. The kicker? "I actually have no idea what I'm doing," he said, according to [UsMagazine.com](#). "I'm just kind of flying by the seat of my pants on this one."

**What are three grand gestures to win back your love?**

**Cupid's Advice:**

Sometimes it takes more than an "I'm sorry" to mend bridges in your relationship. Cupid has some advice:

**1. Book a trip to paradise:** The prospect of a vacation is never a bad thing. Be creative, and book a surprise trip for you and your partner. Perhaps go to the first place you vacationed together as a couple, or choose somewhere he/she has always want it to go. Put the tickets in a card, and write a love note along with it.

## 'Teen Mom 2' Star Jenelle Evans Gives Birth to Baby Boy

By [Jessica DeRubbo](#)

'Teen Mom 2' star Jenelle Evans and her boyfriend Nathan Griffith announced the happy news that they welcomed a baby boy, Kaiser, into the world on June 30, according to [UsMagazine.com](#). Though both Evans and Griffith are already parents, this is their first child together. Speaking about how the duo came up with their son's name, Evans said, "We were basically searching for baby boy names on the Internet, and we came up with a bunch of different unique ones. We didn't want something that everyone else had or had even heard before, even us. So we wanted something different, and we ended up looking up Kaiser."

**What are some ways to compromise on baby names?**

**Cupid's Advice:**

Coming up with a name for your child can be daunting, and when you have two people lending their opinions, it's often complicated. Cupid has some advice:

**1. Split up the first and middle names:** Though it doesn't

always seem fair, one partner take the responsibility of the first name, and the other partner take the responsibility of the middle name.

**2. Randomize:** Sometimes there's no agreeing, so the best thing to do is take your top two names and put them in a hat to randomly draw one out. The kicker with this one is that you both have to at least marginally like both names.

**3. Figure out what's important:** Is your significant other most worried about carrying on a family name? What other factors are going into your decision? Make sure to weigh outside influences before discounting your partner's opinion.

**What are some unique ways to document your wedding experience?**

### **Cupid’s Advice:**

Your wedding day is often a once in a lifetime experience, and you want to remember it for the rest of your life. Perhaps you want to show your kids or grandkids down the line. Cupid has some tips for documenting your wedding experience in unique ways:

**1. Scrapbook, scrapbook, scrapbook:** When you think “scrapbook,” you may envision your mom meticulously cutting

out construction paper to glue to a page, but the past-time has come a long way in recent years. Check out your nearest hobby/craft store, and they're bound to have a dedicated aisle for scrapbook supplies.

**2. Hire a videographer:** This is by no means a new concept, but a nice idea is to not only take video of the wedding ceremony, but also do guest interviews at the reception. Ask a random array of guest how they met the bride and groom and their wishes or predictions for the couple's future.

**3. Take an aerial shot:** This may not be an option for some, but either hire an aerial photographer or convince a pilot friend to take some snapshots of your wedding or reception from the sky. Instruct your wedding party and guests to look up and put their hands up for a fun memory to last decades.

**What are some reasons to keep your engagement under wraps at first?**

### **Cupid’s Advice:**

Getting engaged is a big step in your relationship, and sometimes there are factors that make you keep it under wraps before announcing to all of your friends and family. Here are a few:

**1. Keep it special:** Sometimes keeping the news of your pending nuptials a secret at first is a way to make it special between

you and your partner. The knowledge the both of you have only with each other serves as a golden nugget of information you can blush over for a few days without getting accosted by those close to you.

**2. Out of respect:** Perhaps your sister's wedding is right around the corner or a close friend is getting ready to welcome a baby. In order to refrain from taking the spotlight off of them, you may decide to wait to reveal your engagement.

**3. To make sure:** Once you announce your engagement, it's a lot more drama-ridden down the road if you call it off. Take a few days post-proposal to think things over and make sure you feel comfortable with the situation before revealing your news.

whose wedding reception was the Playboy Mansion's annual New Year's Eve celebration. Getting married on a holiday can mean much less planning.

**2. You and other will remember the date:** How many times do husbands get in trouble because they don't remember the date of their anniversary? Well, getting married on a holiday may make sure that never happens.

**3. Family/friends are already in town:** Especially if you get married in your hometown, family and friends may already be coming home for the holidays and won't have to make a separate trip for your wedding.

## **Pregnant Kim Kardashian and Baby Daddy Kanye West Spend NYE in Vegas**

By [Jessica DeRubbo](#)

Kim Kardashian didn't let her recently announced pregnancy keep her inside for New Year's Eve, according to [People](#). In fact, she did the opposite, as she and baby daddy Kanye West attended a party in Las Vegas. "I wish I could share a drink with you all, but I can't for a little while," she told the crowd at Mirage's 1 OAK. "It's been so exciting," said Kardashian about finding out she was pregnant. "We're very, very happy."

**What are some ways to celebrate holidays when you're pregnant?**

### **Cupid's Advice:**

It can be tempting to join in the fun with a drink on holidays, but when you're pregnant, it's not an option. Cupid has some alternatives:

**1. Flavored sparkling water:** You may not be able to drink champagne, but that doesn't mean that you can't indulge in a

sparkling refreshment with everyone else. Make a drink that looks and feels like the real thing instead.

**2. Eat instead:** One of the good things about being pregnant is that no one's going to judge how much you eat when you're eating for two. Plus, your body needs more food than it used to need. Indulge in some yummy snacks to take the place of drinking!

**3. A glass of wine:** Many doctors these days admit that having one glass of wine every now and again isn't going to hurt your baby. Make sure to check again with your personal doctor, but a strategically timed class of red wine will help you feel part of the holiday fun.

**What are some creative ways to compromise on naming your child?**

### **Cupid’s Advice:**

It can be hard to come to a mutual agreement on what to name your child, but here are some tips and tricks:

**1. Pros and cons list:** There are distinct disadvantages to naming your child certain things. For instance, perhaps the initials would not be ideal (i.e. E.E.W.). Make a list of pros and cons for your top three names, and choose the one with the most pros and least cons.

**2. Draw it out of a hat:** If it comes down to two names and you

absolutely can't make a decision, it probably means that you really love both names. So, you can't go wrong! Just choose one out of a hat and let randomness determine it.

**3. Decide on a theme:** A great way to narrow your name choices together is to choose a theme. Different categories may be traditional names, exotic names, short names, etc.

## **What are the advantages of an older partner?**

### **Cupid's Advice:**

**How do you deal with your partner's jealous ex?**

**Cupid's Advice:**

Sometimes one of the hardest parts of your current relationship is dealing with your partner's past relationships in the form of a jealous ex. Cupid has some advice:

**1. Ignore it:** Your first action should be to ignore what's going on and to try not to react to it. Sometimes this is enough to encourage your partner's ex to give t up.

**2. Have your partner address it:** The fact is that you shouldn't have to deal with your partner's past relationships. Tell your mate how you feel and have him or her have a talk with their ex to smooth things over.

**3. Confront the situation:** If neither of the above works, it's time to take matters into your own hands. Sometimes being direct about your feelings with your partner's ex can be what it takes to shut down the situation.

# Peter Facinelli

By [Jessica DeRubbo](#)

It's official: Peter Facinelli has moved on from ex-wife Jennie Garth. The actor and his *Nurse Jackie* co-star Jaimie Alexander have stepped out as a new couple, according to [People](#). The pair recently attended the Tommy Hilfiger and *GQ* "Men of New York" event in NYC, and Alexander gushed about her new beau. "We've been friends forever and had a lot of mutual friends and we reconnected in the middle of the year," said the actress. "It was one of those things where I'd been single for a very long time and he was going through a lot. We sort of bonded." That said, Alexander isn't going into the relationship without reservations. "It's very new to me and it's scary," she said. "But it's also something we don't want to give up on because I know how it makes me feel in my heart,

... It makes me feel really good.”

**How do you know if your relationship is worth fighting for?**

**Cupid's Advice:**

Despite obstacles, some relationships are worth putting in the time and effort to make them worth. That said, some are just the opposite and simply aren't worth it. Cupid has some advice:

**1. Your feelings:** The best thing you can do is to trust your instincts and feelings. If whenever you're with your partner you get that feeling of love in your heart, then it's probably worth it to plow through obstacles to make your relationship work.

**2. You're on the same page:** Just because you know you love your partner and want to be with him or her, that doesn't mean your mate is on the same page. It's important to sit down and have a very frank conversation about where each of you are in the relationship to make sure you want the same things at the same time.

**3. You have enough in common:** If you have very little in common with your partner, it's probably not worth fighting for your relationship because neither one of you will be happy. In order to sustain a relationship long-term, your interests must align at least somewhat.

**What are some ways to prepare your first child for a sibling?**

### **Cupid's Advice:**

It's best to prepare your first child for a sibling instead of just letting it be a gigantic surprise. A smoother transition for everyone, here are some ways to get your daughter or son ready for the family addition:

**1. Take the time to explain:** Sit down with your first child and explain that you will be having another baby and what this means to them. Make sure to let them know that you will still love them just the same, but that they will have to share your

time in the future.

**2. Involve them in the preparations:** Make sure that your first child feels a part of preparing for your second child. If you're decorating a new nursery, have him/her help pick out the paint, wallpaper, or bedding.

**3. Visit friends who have infants:** One of the best ways to prepare your child for a sibling is to visit friends or family members who have a baby in their household. Introduce your child to the baby and explain that you're carrying a similar one in your stomach.

## **Kimora Lee Simmons and Djimon Hounsou Separate**

By [Jessica DeRubbo](#)

After 5 1/2 years, Kimora Lee Simmons and Djimon Hounsou have decided to call it quits, according to [People](#). The couple, who have one 3 1/2 year old child together, are set to remain “happy, loving, co-parenting friends and family.” “There have been quite a few hurtful rumors circulating,” Simmons tweeted on Wednesday. “The truth is Djimon + I have been separated for some time.”

**What are some things to try before separating in a relationship?**

**Cupid’s Advice:**

It can be hasty to call it quits on a relationship on a whim, so it’s best to make sure you’ve tried everything before pulling the plug. Cupid has some tips:

**1. Couples’ therapy:** Sometimes all you need is an open and moderated forum in which to talk to each other – really talk. Daily life can get in the way when you try to have important conversations at home, so having an appointment with someone

who's trained to handle these types of situations can be beneficial.

**2. Compromise:** Chances are there are things each of you are particularly bothered by in your relationship. Point out what these are, and come to an agreement to compromise. It may only take commitment from both sides to make this work.

**3. Break:** It may be the most dangerous attempt in the book, but taking a break may be just what you need to realize how much you want to be with your significant other. The saying, "Absence makes the heart grow fonder," has stuck around for a reason.

## **Ashlee Simpson Reunites with Ex Pete Wentz and His Girlfriend for Son's Birthday**

By [Jessica DeRubbo](#)

It seems that Ashlee Simpson is committed to remaining civil with her ex, Pete Wentz. The pair were seen celebrating their son Bronx's 4th birthday in Studio City, Calif. last week, according to [UsMagazine.com](#). Plus, to make matters more interesting, Wentz had his 24-year-old model girlfriend, Meagan Camper, in attendance as well. The birthday bash had a superhero theme, and according to a source, "The party was great – super fun." Kudos to Simpson and Wentz for keeping the peace, especially since Simpson's parents are in the midst of a bitter divorce.

**What are some ways to remain civil with an ex for your children?**

**Cupid's Advice:**

After a breakup, it can be hard to see the good in the person you used to date. You may be hurt, angry and want nothing to do with them. That said, if children are part of the picture, it's important to remain civil around your ex. Cupid has some

advice:

**1. Swallow your pride:** It's often pride pushing you to pushing you toward being rude and angry in your ex's presence. If you have kids, you absolutely must get over that sense of righteousness and remain civil for their sake. Take a deep breath and put yourself in your child's shoes.

**2. Avoid long conversations:** Just because you need to see your ex every now and again, it doesn't mean you need to get into long drawn out conversations with him or her. Exchange pleasantries, but don't get into anything that might start an argument. Small talk is key.

**3. Come to a mutual understanding:** Make sure you and your ex are on the same page. If you're both committed to keeping the peace around your child(ren), it'll be a lot easier than if just one of you has that goal.
