Date Idea: Deck the Halls

By [Jessica Gomez](#)

and Kristin Mattern

Deck the halls with the one you love! With November dwindling, it's time to pack up the turkey-inspired décor and look towards the end of the year. Spend quality time with your honey this weekend by decorating the house and stirring up some holiday spirit. Wear ugly sweaters, put some holiday tunes on, and get the garlands out for this heart-warming date.

If you're prepping for Christmas: Put on Santa hats and get ready to rock around the Christmas tree as your sweetie and you put up ornaments from your childhood. You can also make

homemade ornaments that celebrate your relationship and add them to the tree. Get creative and cut photographs of each other into snowflakes, or decorate ornaments with each others names as keepsakes. Place snowmen statues, reindeer decorations, and whimsical elf figures around the house. Get the dinning room looking festive with a red tablecloth and green runner. Place candlesticks with gold candles on the table and an evergreen centerpiece in the middle to top off this chic holiday spread.

Related Link: [Date Idea: Take a Trip Down Memory Lane](#)

If Hanukkah is right around the corner: Place the menorah where everyone can see. If you and your significant other are artistic, buy blank wooden dreidels and decorate them yourselves using wood paint. The two of you are sure to have fun as you craft and reminisce about playing with dreidels as children. Place your homemade dreidels on your table as decoration, add a blue tablecloth and silver runner to amp up the elegance. You can use a silver menorah as a centerpiece.

Related Link: [Date Idea: Indulge In a Night of Laughter](#)

While decorating: Listen to your favorite holiday music. Take a dance break from decorating and sway along together to the music for an intimate moment. Or put on a classic holiday movie to watch while your partner and you deck the halls. The background music will add to the ambiance and get the two of you in the holiday mood. Feel free to make some holiday goodies in the oven as well.

Royal Celebrity Wedding: Meghan Markle & Prince Harry to Face Danger on Their Wedding Day

By [Jessica Gomez](#)

In [celebrity news](#), royal [celebrity couple](#) Meghan Markle and Prince Harry face a potential danger: being a target. According to [EOnline.com](#), former Head of Royal Protection and Chief Superintendent of the Metropolitan Police Service Dai Davies said: "History has a habit of repeating itself. In the last thousand years, there hasn't been a King or Queen that someone hasn't tried to murder." In addition, it cost \$33 million to protect [Prince William](#) and [Kate Middleton](#) at their [celebrity wedding](#) in 2011 – one of the most pricey security operations. Undercover police, investigations to avoid terrorist attacks, snipers, and an extensive search for explosives hiding in any place you can think of were all part of that price. Harry and Meghan's protection plan for their

big day could possibly cost more than William and Kate's – yikes! What makes them a bigger target is Harry's active military status in Afghanistan, plus the hate letter containing anthrax (an infectious disease caused by the bacteria *Bacillus anthracis*) aimed at Meghan. As we can see, the royal fam needs all that protection. We wish this beautiful couple the best of luck!

Royals have a dangerous element to their celebrity weddings. What are some ways to keep drama from infecting your wedding day?

Cupid's Advice:

We all want our wedding day to be perfect, or at least close enough to it. We plan ahead to try to create this perfect day, but there's more to it. Cupid has some ideas on how to keep your wedding day as stress and drama free as possible.

1. Stay organized and delegate when needed: If you plan ahead, like most of us do for our wedding day, then you're off to a good start. But maintaining everything organized is the tough part if things don't go accordingly. And let's face it, many times things don't go according to plan. And don't be a total control freak either. It is your wedding day, but you need to learn to pass down tasks when necessary. Communicate properly and trust in your close friends and fam to help you get the wedding you deserve.

2. Adjust your guest list and seating arrangements properly: This may not be the case for everyone, but sometimes we need to take more consideration in who will be on the guest list

and who will be seated with who for more than just the typical reasons. Do certain people not get along or have drama with one another? Then make sure they are seated far away from each other! And take any other actions necessary to keep drama from going down on your big day.

3. Meditate: On your wedding day, you should meditate. It's an exciting day, but also stressful because you obviously want it to be magical. Try meditating one to three times that day to keep you calm and grounded. We know you don't have tons of time, so five to 10 minutes each time should do the trick. It's worth it!

1. Don't stop flirting: In the beginning, flirting gave us that fluttery feeling in our stomachs (yeah, butterflies – remember those?). This keeps that “new” feeling going. Celebrity Exes Demi Lovato & Wilmer Valderrama Reunite for Lunch Date

By [Jessica Gomez](#)

The former [celebrity couple](#) dated for six years, and their [celebrity break-up](#) occurred in the summer of 2016. We'll have to be on the look out!

These celebrity exes are either on good terms as friends or may be giving their relationship another try. What are some benefits to remaining friends with your ex?

Cupid's Advice:

Sometimes break-ups don't end badly, and in those times you may want to stay friends with your ex. Cupid has some advice on the benefits to staying friends with an ex:

1. They know you: If you guys end on a good note and stay cool with one another, then they can give you advice. The people we date get to know us in ways others don't. This comes in handy when it comes to your new relationship, because your ex can give you advice based on your past experiences and the fact that he indeed knows you in that way. Just make sure you are not dealing with a bitter or spiteful ex – you would not want to take the wrong advice.

2. You've got history: It's a shame to let all that history go

to waste if you are both decent people that get along well after the break-up. Just because your romantic relationship didn't work out doesn't necessarily mean that a friendship won't work. You never know – maybe you were not compatible as lovers, but you make great friends, and the history can make the friendly bond stronger.

3. You get closure: Becoming friends with an ex can be a path into getting over them, but only as long as you're both ready and willing to actually be friends. If you're friends, then you obviously should have let go of any resentment between the both of you. The past is in the past, and now you've got a friendship. You didn't have to lose a good person just because it didn't work out.

Celebrity Baby News: Rachel McAdams Is Pregnant With Her First Child

By [Jessica Gomez](#)

Multiple sources say that Rachel McAdams is pregnant, according to [EOnline.com](#). The alleged mother-to be has not said a word on it and neither have any of her representatives. McAdams has always been pretty private about her life. The last time she was photographed was in Toronto where she was wearing a jacket that could have been hiding her [celebrity baby](#) bump. She's also been keeping a low profile in the last few months. We don't know much as of yet, but let's hope we soon will!

This [celebrity baby news](#) hasn't been confirmed by McAdams herself,

but we're happy for her! What are some reasons to keep your pregnancy under wraps?

Cupid's Advice:

Whether to announce your pregnancy or not is the mother-to-be's choice. Cupid has some reasons why you may not want to break the news just yet:

1. To avoid stress: Pregnancy is a sensitive time when your health and the one of your baby depends on you taking it easy. If we feel like outside factors can cause us stress during a critical time, then as mothers-to be we must cut out those things. Sometimes people can become over bearing when it comes to receiving baby news – so if you're around those kind of people, then momentarily hiding your pregnancy is an option. Do what's best for you and your bundle of joy.

Related Link: [Jordin Sparks Celebrates Baby Shower](#)

2. Judgy peers: Whether these peers are at school or work, or are your neighbors, friends, or fam, sometimes they're just not the easiest people to deal with. At times, we may be surrounded by people who judge and/or gossip, and that can lead to you wanting to keep your pregnancy low-key. During pregnancy, drama should be avoided, so there's no shame in doing what you have to do. Do what you have to do for yourself, forget about others. You and your baby are most important.

Related Link: [Kylie Jenner Plans to Keep Motherhood Journey with Stormi Private for Now](#)

3. You don't want to jinx it: Some of us are superstitious and believe in the ability to jinx things. This may not be logical to everyone, but if it's logical to the mother-to be, then

that's enough. It's your body and your baby. Sometimes certain people find reassurance and comfort in not telling people right away due to fear of something wrong, like a miscarriage for example. At the end of the day, as long as the baby news is delivered later rather than never, it should be fine.

Celebrity News: Would Jennifer Aniston Get Back Together With Brad Pitt?

By [Jessica Gomez](#)

Former [celebrity couple Jennifer Aniston](#) and Justin Theroux's split is raising a certain question: will [celebrity exes](#) Aniston and [Brad Pitt](#) be getting back together now that

they're both single? According to UsMagazine.com, Aniston and Pitt will not be rekindling their [celebrity relationship](#) after all. "Jen wouldn't consider being with Brad in a romantic way," a friend of Aniston's said. "But there is always a spot in her heart for him." As for Pitt, a source said, "Brad is sad to hear about Jen's divorce. He only wishes the best for her. However, Brad hasn't reached out to Jen, and has no plans to do so at this point."

In this [celebrity news](#), fans are speculating about Jennifer Aniston and Brad Pitt now that both have gone through splits. What are some things to consider before getting back together with an ex?

Cupid's Advice:

Whether or not to get back with an ex is an important decision. It isn't always an easy one either. Cupid has some things to consider before making the choice:

1. Have you both moved on from the reason you both broke up?: Think about the reason why you both broke up in the first place. Was it for a good reason or was it circumstantial? Then, also think about whether you both have forgiven each other completely for past mistakes. If you have, then that can be a good sign – if not, then not so much. If you feel like you haven't forgiven your ex for something, then that problem will probably constantly arise during your reconciled relationship.

Related Link: [Justin Theroux Found Post-Its from Brad Pitt During Jennifer Aniston Marriage](#)

2. Do you see a future with your ex?: Why go back to an ex if you don't think it's going to be serious and no good future ahead? Think about this thoroughly – sometimes we see a future with someone, but that future comes with unnecessary obstacles and negativity. If this is the case, then it may be a sign that your ex is meant to stay an ex. Think about this while spending some time apart – it's something big to ponder.

Related Link: [Justin Theroux Had 'Reservations' About Marrying Jennifer Aniston](#)

3. What are reasons to get back together and not get back together?: Pro and con lists are good ones to make. Be fair and think about why you should get back together with your ex and why you shouldn't. Then, weigh it all. Certain things weigh more than others, so be honest and just with yourself when considering all the information. Making a list with a friend can help, as long as that friend isn't necessarily biased.

Date Idea: Fall in Love with Falling Leaves

By [Jessica Gomez](#)

Kristin Mattern

We bet you remember the sheer thrill of leaping into a pile of earthy leaves as a child, the joy of tossing the motley colors up into the sky over your head and watching them fall around you. Relive that magic this weekend with your sweetheart and rake your way to the perfect fall date.

Here are some [date ideas](#) that involve colorful, crispy leaves:

Offer to help your honey rake his or her yard...and then jump in: See who can make the biggest pile or who can rake the fastest – making things into a competition get some couples going. Rate each other's leaf jumps: Who made the biggest mess? Who fell in the funniest or more gracious way? Use your phone to record the jumps so you can compare. Maybe even post some awesome action shots to Instagram or Facebook.

Related Link: [Date Idea: Keep It Exciting During New Venue Night](#)

Make a scrapbook with the leaves: Leaves are for more than just jumping in. Document the different leaves you and your significant other find along the way. Compare colors, shapes, and sizes. Take a moment to marvel at the wonders of nature.

Create a scrapbook together where you add all the really beautiful leaves you find or add photographs of the beautiful views. If the leaves are supple enough, you can even make leaf rubbings together. Take a piece of paper, place it over the leaf, rub a naked crayon the long way against the paper over the leaf, and voila! You have a commemorative etching of your fall romp.

Related Link: [Date Idea: Best Shows to Binge-Watch With Your Partner](#)

Cuddle up and enjoy the gorgeous fall foliage: After all the leaves are raked, the pile jumping has ended and your apple pie has been consumed, you and your honey can cuddle up under a blanket or recline against a tree in the yard and take it all in. Check out your state's peak foliage [here](#).

Now it's time to get out there and make some magic fall moments with your honey! If you want to spread some extra love, help your parents or elderly neighbors clean up their yards too. Build up some good Karma together – and hey, you never know, the person you helped out might just give you an apple pie or some hot cider when you're finished.

In celebrity news, Kristen Bell is giving us her secrets to a successful relationship. What are three things that add to a healthy

relationship?

Cupid's Advice:

There are many things you can do to help your relationship become healthier. Some things work better than others, while others work for some couples better than others. Nevertheless, here are three things to do for a healthier relationship:

1. Be honest: Being honest is a two way street. Being honest with one another is crucial. Trust is key to making a relationship work. Lies hurt and even ruin relationships. Being honest builds trust and makes the bond between you and your significant other even stronger. It can sometimes be hard to be honest at all times, but the benefits are worth it.

3. Spend quality time together: Snuggle, do things you both love doing together, and try new things. Cuddling is great because physical contact and connection is important. In fact, being held for an extended period of time releases serotonin, elevating your mood. Spending quality time is important for every relationship. As time passes, sometimes couples spend time together but not quality time. Spice things up and do different things or do those things you really enjoy – try to do that at least once a week.

By [Jessica Gomez](#)

A source confirms that the new celebrity relationship began in November. As a Valentine's Day post, Sweetin took to Instagram a collage of photos with her beau, captioned: "Find someone who you can share this kind of love with ... Someone who doesn't just show you they love you one day a year ... Who isn't afraid to look silly when they tell you they love you ... Who doesn't judge you for past mistakes,

but who wants to build a better future together ... Who builds you up and never makes you feel small ... Who supports your dreams and hopes and desires, and also has those of their own. Who doesn't put a price tag on your love ... Who holds your hand when you're scared and doesn't run away ... Who loves you, not in spite of your weirdness, but because of it ... Who makes you a priority in their life, no matter what," she continued. "Who doesn't hold you hostage with their love, but whose side you don't want to leave because you're happier when you're with them ... who makes you get shy when they look at you, because the rest of the world stops. That's the kind of love we all deserve. Anything less isn't worth it." How sweet!

In this celebrity couple news, Jodie Sweetin is moving on from a series of bad relationships. What are some ways to know you're choosing someone who will treat you right?

Cupid's Advice:

There are many things that are signs showing that someone will treat you right. Sweetin was right on the money with all she said on V-Day via Instagram. Here are three signs to be optimistic about:

- 1. They make you feel both safe and special:** Having someone that treats you the way you should be treated is a wonderful thing. Not everyone can provide that for their lover. Being comfortable with your partner and feeling like they wouldn't do anything to hurt you is a comforting feeling. Trust is what leads to these feelings.

2. They respect your differences: This is important! It's great to have things in common, that's one of the many things that build a bond. However, having differences is okay, as long as you both respect each other's dissimilarities. Variation can be good when you both have boundaries and don't judge one another. This also leads to a more open relationship, which is a good thing.

3. They support you any way they can: Your partner should be your cheerleader. We can all use a support system, and having someone that encourages your dreams, aspirations, and decisions is a magnificent thing to have. Don't think that everything needs to be encouraged and supported, that's not the case. We do not want to support negative behavior. We do however need our loved ones to be there for us.

Every town has their creepy histories, so discover your local haunts with your sweetheart for creative, fun weekend date ideas. Bond over scary and chilling stories out there or at home!

Ghost stories have been around for generations to either scare or comfort the living. Research your town's history and immerse yourselves in its haunted mysteries. Some small towns have the best mysteries to tell. For example: Melbourne, Florida, has a haunted mansion on US Highway 1 that hosts a storytelling event at the edge of property each year. Rumor has it, Old Man Willis still hangs around the property and has made alleged appearances.

Check out local graveyards or town centers for ghost tales too: On Halloween, a lot of cities have public readings that tell the classic urban legends we all know and love. As the stories are shared aloud, hold hands – and hold on to your honey for extra protection from the spirits around you. *wink wink*

If you're staying in for the night, follow this relationship advice: Pick out some ghost stories and legends to test out for yourselves. Show Bloody Mary who's boss and confront her in the mirror with your lover at your side (spooky... and romantic?). No matter how old you are, there's always a voice in the back of your head that gives you the heebie-jeebies! For a more intimate date idea, prop up some blankets and create a makeshift tent in the middle of your living room. Turn off all of the lights except for a flashlight that you both pass back and forth while telling each other tales. Embrace your inner child and get cozy!

And finally, bust out Halloween's best tradition: the candy! Feed your sweetheart the holiday sweets – give your honey sugar. You and your love will be laughing the night away as you trade ghost stories and exchange candy-flavored kisses.

Beauty Tips: How to Choose the Perfect Perfume for You

By [Jessica Gomez](#)

Finding the perfect perfume can sometimes feel like a mission! There are just a bunch of things to consider when choosing. So many of us go through the struggle of thinking we found a great scent that fits us, just to wear it later and not like it. Have no fear though – we are here to help with some [beauty tips](#)!

Here are some beauty tips to consider when on the prowl for the perfect perfume:

Price: If you're on a budget, you definitely have to consider

the price. Start off with perfumes that fit your budget perfectly. If you don't find what you're looking for and can adjust your budget a little, then move up in price. Also, always keep your eyes out for sales, promotions, and samples!

Related Link: [Romantic Make-Up Looks for Valentine's Day](#)

Scent family: It's important to know what kinds of scents you like. Generally, there are four main scents in the fragrance wheel. They are: floral, oriental, woody, and fresh. Floral scents are sweet and smell like flowers (ex: lavender, rose, orange blossom). Oriental scents are musky perfumes. They can be soft or "woody," because of the spices used (ex: musk, vanilla, and precious woods). Now, some woody scents are similar to oriental musky scents, and feature earthy tones (ex: sandalwood, amber, and oakmoss). Last but not least, fresh scents are citrusy and fruity (ex: oranges, apples, and peach), which can be similar to floral scents since both can be sweet. Choose the ones you like best!

Concentration: Concentrations vary by perfumes and prices. Some concentrations last longer than others. According to WikiHow, "Eau de cologne has the lowest fragrance concentration, lasting about two hours. It is 3-5% oil in a mixture of water and alcohol. Eau de toilette is a slightly more concentrated type of perfume and will last three to four hours. It is a about 4-8% oil. Eau de parfum has a higher oil concentration than eau de cologne and lasts around six hours. It is 15-18% oil mixed with alcohol. The perfume with the highest concentration is simply called perfume or parfum. It has great staying power and will last all day. It is 15-30 oil mixed with alcohol."

Related Link: [The 5 Best Beauty Tips from Celebrities](#)

When perfume shopping: Don't wear scents, consider taking a friend, and don't overload on smells. If you're already wearing a scent, then the scents you try on while on the hunt

will clash. Go fragrant free when shopping to capture the true combination of your scent and perfume. As for bringing a friend, a second opinion never hurts! Lastly, don't over simulate your nose. Try out about six scents per shopping session. You can also try asking an employee if they have coffee beans to clear your nose and sensitize sense of smell.

It's a process: When doing the actually perfume testing, follow the next steps. Sniff the bottle first and then spray perfume on blotter sheets to smell. If you like the scent thus far, then apply it on your skin. And of course, like said before, don't forget to refresh your sense of smell after each scent. This process will help things go smoother.

Now, go on! Go out and find your perfect scent. Have any more beauty advice on this topic? Comment below!
