What are some things to consider before getting back together with an ex?

Cupid's Advice:

Breaking up is hard. People break up for many reasons, maybe you drifted apart, or the timing wasn't right, or you realized you just didn't click "that way". The only thing harder than learning to let someone go is figuring out if you want to give them a second chance. Cupid has some advice on some things you should consider before rekindling your flame with an ex:

1. Figure out why you broke up in the first place: Really think about the reasons you broke up the first time around.

No matter what the reason was behind your breakup ask yourself if you can either forgive or live with them. If you decide you do want a second chance at a relationship there's no guarantee the things that happened before, won't happen again.

2. Why do you want to get back together: Make sure the reasons why you want to reunite are your own. If the reason you want to get back together is only because your ex lover is pressuring you, or you feel bad, or if you're considering it because of your family, the relationship will most like be doomed to fail again. No matter how noble your intentions are

don't get back in relationship with someone for the wrong reasons only do it if it is truly what you want.

3. Take a look back at your relationship as a whole: Reflect on the entirety of your relationship between you and your ex lovebird. Think about all the things that worked and didn't work between the two of you. Make a list of the pros and cons and then once you've finished see which side has more. After you have completed analyzing and making your lists about all the things that made you a couple, you will have a clearer understanding of what you want and what final decision you should make.

they offer. Enjoy a massage or manicure with your lover.

Ava, who has recently married Charlie (Kellan Lutz), is now questioning everything for which her marriage stands. To counter that feeling, she decides to get her parents back together by moving her father in with her and her new husband, much to Charlie's dismay.

Through laughs and tears, this family finds a way to make it work despite all the emotional struggles they're going through.

What are the benefits of marriage counseling?

Cupid's Advice:

Marriage counseling does not guarantee a lack of divorce, but there are definitely benefits to the process even if it doesn't work:

1. Communication: The main thing that counseling does is provide a place to air all of your grievances. You can tell your partner all of the things you've been holding in. That way, everything you need to work on is on the table ready to

be tackled.

2. Solutions: Whether the solution ends up being a divorce or getting back together, a decision is definitely necessary when you're at odds with your spouse. Marriage counseling provides a neutral place to decide.

3. Last shot: Marriage counseling comes before a split so that if there's any chance whatsoever that you may be able to work out your issues, you can do it. It's the last stop shop before making the decision to call it quits.
