## Cupid's Advice:

When it comes to relationships and love, many people have their own rules and requirements, but there are a few rules that should be followed in every romantic partnership. What are they? Cupid has some love advice:

**1. Make your relationship top priority:** This rule goes for both parties. If one person is putting in 80 percent of the effort, they will become exhausted, and the relationship won't go anywhere. If you're truly committed, make sure that the other person comes first.

**2. Honesty is always the best policy:** If you feel like you can't be honest with your partner, it's probably best that you two go your separate ways. Trust is the biggest thing in a relationship, and you can't have trust without honesty. It's important that you feel like you can be open at all times with your partner.

**3. Think of the big picture:** Remember what is most important in your relationship and pick your battles carefully. Romances aren't perfect, so let go of the smaller issues and remind yourself every day why you selected to be with your partner.

### **Cupid's Advice:**

Managing a family's busy schedule is never easy, especially with a family as large as the Duggar's. See what Cupid has to say about running a tight ship, regardless of your family's size:

- 1. Schedule, schedule, schedule:** Whether you have one child or 19, you need to manage your time more effectively than when you didn't have a family. Always leave room for the unexpected.
- 2. Involve everyone:** When your family expands into multiple children, time disappears right before your eyes. Delegate tasks to your partner and older kids. Get everyone in the routine of pitching in, and before long, it will become a natural thing!
- 3. Breathe:** When you feel the stress of managing a busy life, give yourself a little breathing room – even if it means letting the dishes sit for an extra five minutes!
