There's no truth to these celebrity divorce rumors! What are some ways to keep negative rumors from affecting your relationship?

Cupid's Advice:

Sometimes it is beyond our control when negative rumors start to arise in regards to your own relationship. The most important thing to do is stay calm and laugh at the silliness of these rumors. Although, it is important to make sure that this gossip doesn't get into you and your partners heads. Here are some ways to keep negative rumors from affecting your relationship:

- 1. Show affection:** Make sure your partner knows that there is no truth to these rumors. If there is a rumor going around

that you and your partner are going to split, your partner may think that you might have told people that you want to break-up and that is why these rumors are going around. Although, that is probably not the case. Ensure that your partner feels secure despite these unsatisfactory lies that are stirring. Show them that you love them so much and all that matters is that you two know the truth.

3. Take the higher moral ground: Even though you and your partner may be upset about these rumors being spread, don't stoop to their level. It may be tempting to begin spreading other rumors because you feel upset that there are rumors being spread about you. This will just create more chaos and strain on your relationship and life in general. We cannot control what others do, but we can control our reactions. Be positive and remember that everything is going to be okay. As long as you and your partner love and support each other, these rumors should not be detrimental to your relationship.

How Celebrity Couples Celebrate Labor Day Weekend

By

Whitney Baker

Labor Day weekend is often filled with beach and barbeque, giving people an opportunity for an extra day off before the summer ends. Some celebrity couples like to keep things simple as they spend time together with the sand and the sun, while others add a little glitz and glam to the usual date plans.

In anticipation of the upcoming holiday weekend, let's look back at how the hottest duos in Hollywood celebrated Labor Day last year:

1. Partying in Las Vegas: Stars seem to flock to Sin City for a final summer blowout. Before she was on baby bump watch, Nicole 'Snooki' Polizzi hosted a bash at PURE Nightclub inside Caesar's Palace with then-boyfriend Jionni LaValle. That same night, Carmen Electra and her former fiancé Rob Patterson hosted a party at Nikki Beach in the Tropicana Hotel.

2. Lying Poolside: Other celebrity couples prefer to focus on relaxing and soaking up the last bit of summer sun. Gabrielle Union and Dwayne Wade spent the afternoon at a Miami Pool with Wade's two sons, while Dave and Odette Annable enjoyed some newly-wedded bliss before celebrating their one-year anniversary in October.

3. Saying "I Do": Many celebrity couples choose to [tie the knot](#) over this three-day weekend. Last year, Lauren Bush wed David Lauren, son of fashion icon Ralph Lauren, on his private ranch in Telluride, Colorado. Additionally, Mark Ronson, a well-known DJ and the brother of designer Charlotte Ronson and DJ Samantha Ronson, and actress Josephine de la Baume celebrated their wedding with a two-day celebration in Aix de Provence, France. It sounds like the perfect way to mark the end of the summer.

4. Hanging Out with Their Kids: Some Hollywood pairs opt for a more traditional route and enjoy low-key plans with their family. The Malibu Fair and Chili Cookoff was a popular spot last year: Tori Spelling and Dean McDermott took their kids, while Pink and her husband Carey Hart were there with their daughter. Also in Malibu, Nicole Richie and husband Joel Madden spent Labor Day on the beach with their two children.

5. Working: Even celebrities have to show up to work on a

holiday once in a while. With the 13th season of *Dancing with the Stars* underway, many of the dancing duos, including Cheryl Burke and Rob Kardashian as well as Lacey Schwimmer and Chaz Bono, were spotted practicing for the next show. Similarly, Selena Gomez was in Colorado for her 'We Own the Night' tour, keeping her away from boyfriend Justin Bieber.

How Snooki Knew Jionni LaValle Was 'The One'

Nicole "Snooki" Polizzi and Jionni LaValle are expecting their first child together come September, but before the baby came

love. The soon-to-be parents have had their good times and bad times, as seen on *Jersey Shore*, but they have overcome it all because Polizzi believes LaValle is “the one.” She tells [People](#), “When people find the one they love, they feel like their spouse is their best friend and their lover. That’s how you know you’ve found your soul-mate, and I’ve never had that with anyone except Jionni, so I put two and two together and figured he’s definitely the one.” Although the couple is starting a family a bit before they expected, they are overjoyed to be having a baby boy and look forward to eventually being married.

How do you know when you’ve found “the one”?

Cupid’s Advice:

Finding love doesn’t necessarily mean finding “the one,” or else we all would have married our high school sweethearts. Here are some ways to tell the difference between your right now and your forever:

- 1. You are best friends:** Sure, you have your girlfriends and he has his guy friends, but there should be a special place in your heart for your partner as not only a lover, but a friend. If your partner is “the one,” you should be able to tell them your deepest darkest secrets and let yourself feel vulnerable.
- 2. You can be yourself:** There is nothing worse than pretending to be someone you’re not, or your partner expecting you to be something you are not. If you feel comfortable around your partner, can let loose and share your most embarrassing moments with them and still feel the utmost love for one another, you are most likely meant to be.
- 3. You both want the same things:** If you think you have found “the one,” but then cannot agree on whether you want kids or not, you may want to rethink your relationship. Find someone who shares your dreams, or at the very least, understands your

dreams and wants you to follow them.

How can you tell you are dating “the one?” Tell us below.

Snooki Announces She’s Having a Boy

An excited six-months-pregnant Nicole “Snooki” Polizzi officially announced this week that she and fiancé, Jionni LaValle, will be having a baby boy, according to UsMagazine.com. The *Jersey Shore* star was thrilled to share her good news, having said in the past, “If it’s a boy, I would dress him like Pauly D.” The newly engaged couple have a lot to look forward to between marriage and parenthood. Choosing not to live in the Jersey

Shore house for Season 6 is one of many preparations they will have to make before their first child arrives.

How do you prepare for having a son versus a daughter?

Cupid's Advice:

Whether or not a couple chooses to know the gender of their unborn child is entirely up to them. Some prefer the surprise, while most of the time, people find it easier to prepare for the baby if they know they are expecting a boy or girl. If the doctor tells you those fateful words, "It's a boy," here are some things to keep in mind:

1. Blue, blue, blue: You may or may not have been secretly envisioning pretty pink bows and dresses, but tuck those ideas away for the meantime and get ready to see a lot of blue. Luckily, there are plenty of other boy-friendly colors, such as green, yellow, and gray, but those bright pinks and purples are probably out for now.

2. Barbie won't make the cut: You may still have your doll house from when you were a little girl, but unfortunately that's probably not going to be of much interest to a growing baby boy. Toys are relatively universal up to the first year or two, but after that, anything that has wheels or goes fast will be in your son's hands at all times.

3. Father-son bonding: The relationship between father and son is certainly a special one. Every man fantasizes of their first catch together or teaching his little guy to ride a bike. Boys will always be boys, but don't feel like you can't join in on the fun. The rough facade won't be on all the time, and your son will need and want his [mommy](#) time just as much.

Snooki Plans to Wear Leopard Print in the Delivery Room

Nicoll e 'Snooki' Polizzi may have changed her partying ways due to her pregnancy, but the mom-to-be will still remain true to her popular animal print heavy, self-described 'Guidette' sense of style, even while giving birth. "I want to wear, like, leopard shoes and a leopard gown- like the hospital gowns that they have," the *Jersey Shore* star told [Celebuzz](#). "I think that would be cute." Apparently, there's no such thing as too much animal print in Polizzi's world. "If it's a boy, it's gonna be maybe something Disney or safari. If I have a girl, it's going to obviously be animal print- zebra, leopard and pink," the reality star said while speaking of her nursery.

Should you give up being fun and sexy when you're a mom?

Cupid's Advice:

If you were fun and sexy before having a baby, then you definitely shouldn't throw it out of the window now that you're a mom. Here are some reasons why you should remain true to your style:

1. It's who you are: Granted, when you go through a major life experience, such as having a child, you may have to rearrange some things in your life, but if you enjoyed putting on those two coats of mascara, walking in your 5-inch heels and wearing your hair in voluminous curls every day before giving birth; then you should still keep up with it.

2. You're a role model: Even if your little girl obsesses over Selena Gomez, you're still the main person whom she plays 'Monkey-see, monkey-do' with. If she sees that you can work your day job, make the absolute best macaroni and cheese, help with math homework *and* still take time out of your day to play 'tea party' with her and her stuffed animals, she'll appreciate who you are and will want to be the same way.

3. Confidence is key: Sure, you may have gained a little happy weight during your pregnancy, but don't beat yourself up for it. Take yoga classes or head to the gym with your friends to get your body and confidence to where you want it. Your [partner](#) and friends would much rather be around the fun and confident person you were before having your child.

Women Who Are the Breadwinners of Their Celebrity Relationship

The ladies of Generation X were some of the first to trade the domesticity of the housewife for the slacks of Corporate America. Powerful and confident women are sexy, but society hasn't completely caught up with us yet, and it's still uncommon for a female salary to outweigh that of her spouse's. That's where Hollywood comes in with a good message for once, as stunning starlets are throwing off the national average by earning more than their celebrity loves. Below is a list of sexy female celebs empowering themselves through healthy relationships *and* hefty paychecks:

Women's Upper Hand in Celebrity Relationships

1. Gisele Bundchen: Other than her svelte silhouette and pristine profile, Bundchen impresses with a net worth of \$200 million. Her hunky husband Tom Brady is known for his jockey skills on the football field but is only worth \$100 million. While both salaries are envy worthy, Bundchen makes far more than the man she shares her bed with. Regardless, this celebrity relationship is picture perfect, and Brady doesn't look at all emasculated by his wife's high salary.

Related Link: [Gisele Bundchen Says She Knew Celebrity Love Tom Brady Was The One 'Straightaway'](#)

2. Jessica Simpson: We've watched Simpson transform from a young singer and clueless newlywed into a confident entrepreneur. With a net income of \$100 million and a shoe line that racks in over \$500 million annually, she would be hard pressed to find a man wealthier than she. Fortunately, she's has found happiness with ex-NFL player Eric Johnson. Though his salary hasn't been reported, he is currently unemployed. Regardless of their paychecks, the two are expecting their first child this year, proving that money is not an issue with this celebrity relationship.

3. Oprah Winfrey: Whether you're an Oprah devotee or totally impartial, there's no denying this woman grabbed life by the reigns when she began her journalism career in the mid 1970's. Forty years and one huge following later, Winfrey is worth a staggering \$2.7 billion. Longtime partner Stedman Graham may not make as much, but he isn't loafing off of Winfrey's riches either. As CEO of S. Graham and Associates, Stedman has wracked in an impressive \$10 million of his own.

4. Julia Roberts: Roberts, America's *Pretty Woman*, has a hefty income of \$140 million. Her husband, however, Danny Moder, is a camera man. Though his salary has not been reported, it has long been known that Roberts is the money maker in the Moder home. Regardless, after ten years of being a married celebrity couple and having three children, the two have shown that true love trumps any jealousy over income.

Actress Earns More Than Celebrity Love

5. [Angelina Jolie](#): From dominatrix to domestic diva, Jolie is another star we've had the pleasure of watching grow up in front of our eyes. While her days of drinking blood have passed, she continues to make celebrity news by adopting children, working as a humanitarian and starting foundations to help combat poverty. Somehow, this busy mother and activist also has time to star in movies and grosses nearly \$150 million. Her equally famous and good-hearted soon-to-be husband Brad Pitt makes only a little less than her at an annual salary of \$130 million. These two aren't sitting home comparing paychecks though. Instead, they combine their incomes to help better the world around them.

6. Nicole "Snooki" Polizzi: Outside of partying, tanning and going to the gym, Snooki found her fame by starring on MTV's *Jersey Shore*. Though her wild antics have made her somewhat infamous, she wasn't downing tequila shots for nothing. At an annual salary of \$2 million, the tiny beach bum can at least impress with her bank statements. Fiancé Jionni Lavallo chose a more modest lifestyle and is currently studying to become a teacher. While his salary may never match Polizzi's, the two were able to work past the drama of the shore and are currently expecting a baby.

Deena Cortese Says Snooki Will Be a 'Great Mom'

Since the recent news that Nicole 'Snooki' Polizzi is pregnant, there have been doubts about the party girl's ability to raise a child. According to [People](#), Polizzi's best friend Deena Cortese thinks otherwise, telling Ryan Seacrest Friday on his KIIS-FM morning show, "Nicole is going to be a great mom." Even though Cortese will be losing her party partner, she thinks Snooki will be a natural at raising her baby with fiancé, Jionni LaValle. Maybe Snooki's party days really are over as she gets ready to start her new family.

What are some ways to support a friend during a surprise pregnancy?

Cupid's Advice:

Sometimes things just ... happen. An unexpected pregnancy can be very difficult to deal with, which is why it's crucial for you to be there for your friend almost every step of the way. Here are some ways for you to give them that support:

1. Get excited: There's nothing you can change now, so you might as well look at it in a positive light. Even though your pregnant friend might not be in the best situation to be having a baby, you can still be happy for them.

2. Help her do some shopping: New baby means new things. She'll need new maternity clothes as well as baby supplies. By helping her shop, it will be comforting knowing she has you there for her.

3. Stay over for a while: There will be times in the pregnancy when your friend will need all the help she can get. Stay over a couple nights of the week, as she'll know you're there to help her out even with little things around the house.

Snooki is Proposed to With a 5-Carat Ring

A

year ago Nicole “Snooki” Polizzo took boyfriend Jionni LaValle with her to a jewelry store to pick up her birthday present from her dad. She pointed out some of her favorite engagement rings, and little did she know, her LaValle was taking notes. “She wanted something very nice, something that’s gonna be timeless and with diamonds all around,” Ben Bekdas, the store owner, told [People](#). “And that’s what he actually got her.” According to Bekdas, LaValle came back into the store with specific ideas for the ring. LaValle picked up the ring last month and proposed to Polizzi.

What do you do if your partner gives you a ring you dislike?

Cupid’s Advice:

Receiving a ring that you don’t like is a major problem. After your partner spent a huge amount of money to surprise you, how do you say you don’t like it? Cupid has some advice:

1. Fess up: Your first option is to be honest. Speak up and tell your partner you aren't a fan of the ring. If they really care about you, they will understand. Offer to go pick out a different ring together.

2. Drop hints: Things like not wearing your ring or mentioning other rings that you like will definitely make your partner think. However, your sweetheart may be thinking that you don't want to marry them, and not necessarily that you dislike their choice of diamonds.

3. Deal with it: Choosing to never say anything to your partner will leave their feelings unhurt. But, can you live with an engagement ring that you dislike? This is not just a birthday gift you can hide in a drawer; you are going to be wearing your ring every day and proudly showing it off to your friends and family.

How can you keep your relationship under wraps?

Cupid's Advice:

Sometimes at the beginning of a relationship, you may want to spend time enjoying each other without outside distractions. Here is some advice on how to keep things hush-hush:

1. Romantic night in: In the beginning, everything the two of you do together is exciting and new, whether it's going out for dinner and a movie or loading up a Netflix DVD and ordering take out. We know you want to show off your new guy, but if everything works out, there will be more than enough time for that.

2. Lay off the social networks: Anytime you tweet or post something on Facebook to your new man, you're saying it to his 500 friends and followers. If you feel the need to say something "coupley," shoot him a text.

3. Watch your body language: In some situations, you may not be able to avoid public settings with your new guy. If that's the case, make sure your body language doesn't leave people around you wondering about your status.
