On this week's [Single in Stiletto](#) show, founder Suzanne Oshima talks with relationship strategist Joe Amoia about why quick fix dating tips don't work. He believes that the reason they don't work is because they're just that – a quick fix! They won't give you the long-term results that you want when it comes to your love life. Instead, you need to explore the true cause of your dating problems. Look inward and try to identify repeating patterns or issues that always come up.
