Nicole Richie Opens Up About Marriage with Joel Madden

By Laura Seaman

Nicole Richie recently opened up on Oprah's *Where Are They Now?* show and told viewers what it was like being married to rock star Joel Madden. The pair has been married since 2010 and have two children together, Harlow and Sparrow. "We met and we were partners from day one," says Richie, quoted on UsMagazine.com. When asked about motherhood, Richie commented, "I do know I do the best that I can. I'm probably constantly—every day—talking to other moms figuring out the best way to have a strong relationship with our kids."

What are three things that make for a steady marriage?

Cupid's Advice:

When you get married, you want it to last forever. After all, that's what "till death do us part" means. However, not all marriages last forever. To avoid letting your marriage fizzle out and break apart, do the best you can to keep the relationship steady and passionate. If those words stump you, here are a few tips to help you along the way:

1. Have the same goals as a couple. This should really be figured out *before* you get married, but make sure you want the same things for the future, like kids or a house in a certain area. Once you have these goals set up, work on them as a team and support each others' personal goal as well. Success is best shared together, and when you reach your goals, whether that means being a great parent or buying the house of your dreams, your spouse should be the person you want to share that feeling with.

2. Be open and honest about everything. People make mistakes, and you should be honest about all of yours. This could be something in your past or something you've done recently. Your spouse will probably find out eventually, and it will be a lot worse if they don't find out from you. This could be anything, from financial problems to past relationship troubles. If it affects you, it affects them now, too.

3. Try new things if the old ways aren't working. Sometimes relationships wear down because they've been in a rut for far too long. Maybe the way you've always done things isn't cutting it anymore. Try new ways of handling things, whether it's a new routine or taking it a step further and moving somewhere else entirely. No matter how big or how small, changes are important in any relationship.

I’m going to take full responsibility for everything!”

What are some ways to help your friend find a mate?

Cupid's Advice:

There are plenty of reasons to set up your single friend. You could go out on double dates! It also might make them happier, get them out of the house more, or maybe just stop them from moping about being single. No matter the reason, Cupid is here to help you help your friend by finding them a mate:

1. Help them set up an online profile. It might take some convincing, but if you can get them to agree to it, setting up a profile on a dating website is a great way to get your friend to meet potential partners. After all, that's what the sites are for. And who better to help them list all their little quirks and charms than their friend?

2. Set them up with another friend. If you trust someone enough to be their friend, you can probably trust them enough to treat your other friend well. You already know how amazing these two people are, so setting them up together might seem like a no-brainer. Just be careful, because there's always the chance that it won't end well and the two friends ask you to pick sides.

3. Be an amazing wingman (or wingwoman). If your friend is shy, they might need an extra push to go socialize on a night out. You can scope out the place for someone who is attractive and seems like their type, then cook up a plan to get them talking. Make sure your friend is okay with this! Otherwise you might have a pretty awkward encounter on your hands.

Nicole Richie and Joel Madden Celebrate Second Wedding Anniversary

By Nicole Weintraub

Nicole Richie and husband Joel Madden celebrated their 2nd wedding anniversary, according to UsMagazine.com. The couple has two children together, daughter Harlow who is four and son Sparrow who is three years old. The two wed in December of 2010 after four years of dating one another. Richie revealed that the two of them were complete opposites when they first

met, though they could not be happier now. Madden, who plays for band Good Charlotte, opened up about his family, saying, "I feel like the luckiest man alive to have my wife [Richie] and kids...Hope everyone out there finds this kind of love."

What are some special ways to celebrate your anniversary?

Cupid's Advice:

Anniversaries can get monotonous and routine after several years, though here are some different ways to celebrate them:

1. Take a class: Instead of doing the routine and traditional anniversary dinner and gift exchange, take a class together. Try a kickboxing class or a baking class; just do something different that you can do together.

2. Cook for each other: Have your partner make dinner for the two of you or make dinner for you and your partner. Instead of going out for dinner, have a nice evening in with food cooked by you.

3. Start a tradition: Do something original and start a tradition that the two of you can do every time you celebrate an anniversary. For example, write each other little love notes or start a memory box.

How Celebrity Couples

Celebrate Labor Day Weekend

By Whitney Baker

Labor Day weekend is often filled with beach and barbeque, giving people an opportunity for an extra day off before the summer ends. Some celebrity couples like to keep things simple as they spend time together with the sand and the sun, while others add a little glitz and glam to the usual date plans.

In anticipation of the upcoming holiday weekend, let's look back at how the hottest duos in Hollywood celebrated Labor Day last year:

1. Partying in Las Vegas: Stars seem to flock to Sin City for a final summer blowout. Before she was on baby bump watch, Nicole 'Snooki' Polizzi hosted a bash at PURE Nightclub inside

Caesar's Palace with then-boyfriend Jionni LaValle. That same night, Carmen Electra and her former fiancé Rob Patterson hosted a party at Nikki Beach in the Tropicana Hotel.

2. Lying Poolside: Other celebrity couples prefer to focus on relaxing and soaking up the last bit of summer sun. Gabrielle Union and Dwayne Wade spent the afternoon at a Miami Pool with Wade's two sons, while Dave and Odette Annable enjoyed some newly-wedded bliss before celebrating their one-year anniversary in October.

3. Saying "I Do": Many celebrity couples choose to [tie the knot](#) over this three-day weekend. Last year, Lauren Bush wed David Lauren, son of fashion icon Ralph Lauren, on his private ranch in Telluride, Colorado. Additionally, Mark Ronson, a well-known DJ and the brother of designer Charlotte Ronson and DJ Samantha Ronson, and actress Josephine de la Baume celebrated their wedding with a two-day celebration in Aix de Provence, France. It sounds like the perfect way to mark the end of the summer.

4. Hanging Out with Their Kids: Some Hollywood pairs opt for a more traditional route and enjoy low-key plans with their family. The Malibu Fair and Chili Cookoff was a popular spot last year: Tori Spelling and Dean McDermott took their kids, while Pink and her husband Carey Hart were there with their daughter. Also in Malibu, Nicole Richie and husband Joel Madden spent Labor Day on the beach with their two children.

5. Working: Even celebrities have to show up to work on a holiday once in a while. With the 13th season of *Dancing with the Stars* underway, many of the dancing duos, including Cheryl Burke and Rob Kardashian as well as Lacey Schwimmer and Chaz

Bono, were spotted practicing for the next show. Similarly, Selena Gomez was in Colorado for her 'We Own the Night' tour, keeping her away from boyfriend Justin Bieber.

Nicole Richie and Joel Madden Wed with Elephant

In traditional Hollywood style, Nicole Richie and Joel Madden finally tied the knot at the home of Richie's singing sensation father, Lionel Richie, surrounded by 130 family members and friends. But according to [People](#), one big detail

stuck out as being unique: a trained elephant was in attendance.

How do you incorporate animals into a wedding ceremony?

Cupid's Advice:

Everyone's wedding ceremony should be unique, and incorporating animals into the festivities is always an excellent way to show who you are as a couple:

1. Wed at the zoo: The zoo can be the perfect wedding venue for a couple with a soft spot for animals. By having your wedding surrounded by animals, you're not only giving your guests a unique experience, but you're also raising awareness for endangered species.

2. Make your dog part of the wedding party: People who love their dog consider him a member of the family, and family should always be included in the wedding. Make your dogs both your ring bearer and flower "girl."

3. Let birds fly: Angelic birds such as swans and doves have long been associated with wedded bliss. With the right wedding planner, you can have these symbols of innocent love as guests at your wedding.

Wedding Rumors: Nicole Richie and Joel Madden

After four years, two kids, and a 10-month engagement, Nicole Richie and Joel Madden may finally be ready to set a wedding date. Although the couple have been very secretive about the details of their wedding, [Us Weekly](#) reports that Richie had a bachelorette party in September with Christina Aguilera and a few of her other girlfriends. Richie isn't the only one being secretive about the details. At the Oscar pre-show, Madden said, "We're kind of doing it at our own pace. We have no idea right now."

What's the benefit of keeping your wedding date a secret?

Cupid's Advice:

Once you set the date for your big day, your first instinct may be to send out that "save the date" to let everyone know. But Cupid has some advantages to keeping your wedding date a secret for a while:

1. You can make wedding decisions alone: When people don't know your wedding date, they aren't able to insert themselves into wedding plans. You'll be able to have the wedding you want without any unnecessary input.

2. You can keep it exclusive: If your wedding date is under wraps, you're able to keep the guest list more intimate and exclusive without feeling obligated to send out extra invites.

3. You can stay true to your personalities: Some brides dream of a huge wedding and others just want a few of their close family and friends to be there. If you're the latter of the two, announcing your wedding date may not coincide with your dream wedding plans.
