Want to avoid the negative results of a sedentary lifestyle? Follow these secrets from Hollywood stars.

Don't Get Carried Away With Sports Drinks and Protein Bars

Do you still think your candy bar is made up of protein? But

it tastes more like chocolate or cookies. It definitely has sugar and maybe some low-quality purified protein. A candy bar is no match for fish, poultry, steak, eggs or nuts.

Many sports drinks are high in sugar and sodium, and some also have caffeine, which can interfere with digestion. Sure, they can cause a sudden burst of energy, but it will go away just as quickly.

Jonah Hill managed to lose as much as 40 pounds. The main motivation of the actor was his beloved girl, and he managed to achieve success with the help of a complete rejection of alcohol, fast food, carbonated drinks and sweets. Now John leads a healthy lifestyle and regularly devotes time to sports.

Choose Intensive Workouts

Working out with high intensity increases your metabolism. But in order to do so, you must visit your doctor and make sure that the increased heart rate will not harm you.

The most suitable exercises to “raise” the heart rate is a minute run at high speed on a treadmill, with a rope or running in place, you can also add kickboxing. Cardio workouts can be done on an empty stomach in the morning, which is the perfect time to burn fat.

Chris Hemsworth started preparing for the role of Thor six months in advance. To build muscle mass, the actor focused on strength training, and the basis of his diet were high-protein foods (meat, chicken, eggs), protein shakes, and unprocessed carbohydrates. Chris was constantly counting calories and amounts of fat, protein and carbohydrates.

A 15-minute Workout a day Is Better Than Nothing

Of course, the best results come from a full-body workout. But if you're short on time, a regular 15-minute workout can

produce noticeable results.

Drink 0.5 liters of still water before and after your workout. Don't skip breakfast, it should be the most calorie-dense meal of the day.

Kelly Osbourne has never been a slim girl, but it seems that the girl is pretty fed up with it, and she took up the cause. The first point in her struggle was giving up fast food. She also drastically cut back on pasta, white bread and sugar. She accustomed herself to exercise gradually. Regular exercises in the gym with an instructor gave the girl a trim body.

By [Melissa Lee](#)

Although this mega Hollywood actor has had his fair share of weight fluctuations throughout the years, Jonah Hill has recently been spotted looking fitter – and thinner – than ever. Hill, who has considered himself to be a victim of “yo-yo dieting”, reportedly sought help from his *21 Jump Street* co-star Channing Tatum. Tatum apparently pointed him the right direction and helped him find a team of nutritionalists and personal trainers so Hill could finally lose the weight in a healthy manner. After dropping at least 50 pounds, Hill is Hollywood’s newest fitness inspiration.

Check out some of these celebrity workouts and fitness tips to shed the pounds off just like Jonah Hill!

1. Alcohol hurts: Before his weight loss journey began, Jonah

Hill was no stranger to binge drinking, beer being his favorite beverage of all. After meeting with a nutritionalist and attempting to find a way to drink beer and still lose weight, he ultimately saw the effects it was having on his body. "It's so annoying because if I don't drink beer, I get really, really thin. Then when I drink beer, I get a little bigger," Hill says. The lesson here? Either learn to indulge in alcohol every now and then, or ditch the empty calories altogether.

2. Say goodbye to those nasty cigarettes: As if anyone needed anymore reasons to dislike cigarettes, here's another one: you can gain anywhere from five to ten pounds from quitting. People tend to substitute food with the lack of nicotine they're receiving, but you're better off altogether by quitting, despite the reported weight gain. Treat your body with respect and finally say goodbye to any remaining packs you may have.

4. Plan your grocery trips: Food shopping can tend to be an intimidating activity when you're trying to lose weight, but here's a way to help make the process a little bit easier. Make a list of items that you need (and be sure to stick to it!), and go food shopping after you've eaten a healthy breakfast. This way, you aren't particularly hungry while shopping, which should prevent you from stocking up on unnecessary snacks.

How do you define yourself independently after a breakup?

Cupid's Advice:

Ending a relationship can leave you lonely and without an identity. Sometimes being in a long term relationship means falling into a routine or doing almost everything with your partner. Being single means being your own person, again:

1. Get rid of the past: Give or throw away presents, borrowed items or anything else that reminds you of your old flame. Replace old pictures of you and your ex with pictures of your family and friends.

2. Go out: No need to make bad decisions, but do go out and spend time with someone who loves you and can support you through this tough time.

3. Think about it: Figure out whether you want to stay single for a while or start dating again right away. Whatever it is, take the time to find out what makes you happy.
