is trustworthy?

Cupid's Advice:

How can you tell if your partner is trustworthy? Cupid has some advice:

1. They are open with you: If your partner is comfortable enough to share things about themselves, then you shouldn't have to worry. They are able to open up about anything, and let their guard down with you, so it's clear you are important to them.

2. Your partner is consistent: When your partner is able to tell you things that he has also told other people, and the details match up, it can help prove that he's telling you the truth. If your partner can't keep up with the things they are telling you, it may be difficult to fully trust them.

3. Assess how you feel around that person: Your body will start to decide if you're comfortable around certain people. If you feel anxious or nervous when you're with your partner, then maybe it's a sign that you don't fully trust them. Take the signs your body gives you, and really look inward to see how you feel about your partner.
