Celebrity Baby: Eva Longoria Is Not Pregnant Despite Rumors, Rep Says

By [Ashleigh Underwood](#)

The [latest celebrity news](#) surrounds actress Eva Longoria.

While enjoying a romantic vacation in Athens, Greece, Longoria and husband José Bastón were strolling around enjoying the view. While out, Longoria was spotted wearing a long flowing dress that sent her fans into chaos, according to UsMagazine.com. Although this is not her first [celebrity pregnancy](#) rumor, Longoria's representatives have continuously denied the rumors.

The rumor mill was wrong with this celebrity baby theory! What are some ways to keep the pressure to have kids from affecting you?

Cupid's Advice:

It can be hard dealing with outside influences, especially when it's a sensitive subject. Here are a few ways to deal with the pressure of having kids:

1. Stay cool: If you are receiving continuous pressure to have kids, but are sure you don't want any, it can be easy to get worked up. When you let the baby pressure get to you and take over your emotions, you are nothing, but miserable. Instead, take a breath and ignore the baby talk.

3. Go with it: Even after telling people over and over again that a baby is not in your near future, they still might not get the point. When this happens, it is easiest to just let them run with their imagination. This will take the pressure off of you to keep convincing them otherwise, and eventually they will figure out they are wrong.

Celebrity Couple Predictions: Drake, Eva Longoria and Lea Michele

By [Shoshi](#)

In the latest [celebrity news](#), three famous couples have caught the public's attention, whether it be Drake and Rihanna's rumored celebrity relationship, Eva Longoria's third celebrity wedding, or Lea Michelle's next shot at love. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Drake and Rihanna: It seems like nobody believes that Drake and Rihanna are just friends. Who doesn't twerk their booty on a friend any chance they get? It's time to let this rumor go! They aren't a secret couple, contrary to the anonymous sources that keep popping up in the press. Recently Drake was asked point blank if he was dating RiRi and his answer was that they

are just friends. That is not to say that they do not practice being friends with benefits from time to time. Why shouldn't they? They are both attractive adults, so why not help each other maintain pleasure when necessary? It would be nice to see these two in a relationship with each other, or with whoever makes their heart skip a beat. It looks like Drake and Rihanna aren't making time for romance, though. They are both working, traveling, and involved in their careers. However, look for Rihanna to be in the relationship by the end of the summer.

Eva Longoria and Jose Baston: Looks like the third time's the charm for Eva Longoria. She walked down the aisle with Jose Baston, President of Televisa, Latin America's largest media company. This is Longoria's third marriage and it looks like her last. The celebrity couple was married in Mexico in front of A-list guests. It would seem Longoria has hit the jackpot with Baston. He sees her as his equal and loves that she is a strong and passionate woman. After two failed marriages, Longoria knew exactly what she was looking for in a partner. She has definitely found the right one this time around. Before the wedding, they had already been calling each other husband and wife. I see a new dog in their future and a discussion about children. Right now a baby is a possibility, but if Longoria is not pregnant by next year, more than likely the couple will not have children together. Either way, they will continue to be just as happy as ever.

Lea Michele and Robert Buckley: Lea Michele has not been so lucky in love. That is not to say that she isn't trying. She dated that so-called model/actor and ex-gigolo Matthew Paetz, who allegedly broke her heart. Then there was her boyfriend

and *Glee* co-star, Cory Monteith, who died of a drug overdose. Most women would have locked up their heart and thrown away the key. Despite these negative experiences, Michele is currently dating actor Robert Buckley, and says that she is very happy. That's definitely good news. It's nice to see her find love again. Where is it all going? That remains to be seen. Michele wants to be married with kids but not necessarily right now. It looks like it's on her mind. Buckley may not be the guy she walks down the aisle with, but he is getting her ready for when the time is right.
