What are some ways to help a friend through the loss of their partner?

Cupid's Advice:

Dealing with tragedy, especially when it has to do with your partner, is incredibly hard to handle. Watching a friend go through it can make you feel helpless. Cupid has some tips:

1. Offer your support: Let your friend know that you are there for them no matter what. Never make them feel as if they're alone, but also give them room to breathe. Let them call the shots, and just be there for them.

2. Be a good listener: Avoid "hearing" them and "listen" to them instead. Let them express their feelings without interrupting and relating it to your own experiences. Your experiences aren't what matter in this instance; sometimes hearing without judgement is the best way to help your friend.
