Cupid's Advice:

Who doesn't love reading celebrity baby news? Babies are so fun and adorable after all. But what about what happens to you and your partner post-baby? How do you keep that spark alive? Well, Cupid's here with some advice:

1. Spend time with one another: No matter how tired you are, make sure to set aside time for your partner to just talk to them. Talk about how you feel, how your day went, any worries you may have, etc. Don't always talk about your new baby.
