Sabra Ricci Couples Astrology with Food in 'Sexy Star Sign Cooking'

By Whitney Baker

Learning your sweetheart's favorite foods is something that takes a lot of trial and error – and it may even involve throwing your hard work in the trash. However, celebrity chef and acclaimed astrologist Sabra Ricci knows a secret: if you pay attention to your partner's astrology sign, you'll have a better chance of pleasing his or her picky palate. Her newest book, *Sexy Star Sign Cooking*, which was released on January 8, 2013, is the perfect guide if you're hoping to impress your girlfriend or boyfriend and make your next date night unforgettable. As Jenny McCarthy said of the book, "Sabra Ricci's passion for cooking for Hollywood stars and her lifelong fascination with astrology come together."

Ricci took some time out of her busy schedule to share why astrology and cooking go hand in hand as well as her tips for cooking a romantic meal.

Your first book, *Lobster for Leos, Cookies for Capricorns*, told readers how to use star signs to prepare delicious and healthy meals. Why is your new book, *Sexy Star Sign Cooking*, a logical follow-up?

While health is important, everyone is interested in improving his or her love life. So I wanted to provide a fun and entertaining guide to help people find their perfect match.

Can you define “foodstrology” for our readers?

“Foodstrology” is a word I coined for combining food and astrology. Each sign rules different parts of the body, so I created recipes based upon foods that support each part.

How do you determine the “romantic foods” for each sign?

The romantic foods are aphrodisiacs. I chose aphrodisiacs that support each part of the body – brain, heart, immune system, etc. – to put any sign in the mood for love.

Are there any astrological signs that are most compatible when cooking together?

Generically speaking, like attracts like, so all three fire, water, earth, and air signs are compatible with each other. Opposites also attract, but if you really want the magic formula for compatibility, have your chart done by a professional.

Related Link: [Wolfgang Puck of ‘Top Chef: Seattle’ Says Taste Is the Most Important Part of Cooking for Your Loved Ones](#)

Let’s say a couple is on their second date – what’s the safest bet if the man decides to cook for the woman? Is it important that he know her sign before determining the night’s menu?

We’ve been playing it by ear for most of our lives, sticking with the following formulas: candlelit dinners of steak and champagne, lasagna and wine or some other delicious meal. If he knows her sign beforehand, he will be more assured of cooking what she will love, but it is not crucial.

What about a woman who is hoping her long-term boyfriend proposes? What should she cook for dinner?

They always say the way to a man's heart is through his stomach. So by choosing the right aphrodisiacs for his sign, he will be putty in her hands, and she will soon have a big rock on her ring finger!

What's your all-time favorite meal to cook for your husband?

Ossobuco, a Milanese specialty of cross-cut veal shanks braised with vegetables, white wine and broth.

Have you ever been a chef for celebrity couples (like Julia Roberts and Danny Moder or Jenny McCarthy and Jim Carrey before they split)? Any fun stories to share?

I've actually worked for both couples several times. They are amazing, and it's always a memorable experience. One occasion that comes to mind was Julia and Danny's third anniversary party with twins in tow and 10 of their best friends for a tropical extravaganza.

And finally, do you have any plans for future books?

Yes, there will be additional books as part of the series. In conjunction with the cookbooks, there will be an exciting announcement too, so stay tuned!

Behind-the-Scenes Guys Who Became the Leading Man

By Melissa Caballero

It's very common and predictable when co-stars and celebrities start dating each other. They meet on the set of their new hit films and attend the same award ceremonies. They surround each other on a regular basis so why wouldn't they find another who they are interested in? I mean, who else are they going to meet and date? Then you hear news like the fact that Natalie Portman was engaged and pregnant, and you think, "But with who? How could that be?" Well, it turns out you don't have to be an A-lister to date one.

Here are five of your favorite female celebrities who found love with behind-the-scenes guys:

1. Natalie Portman and Benjamin Millepied: Portman and Millepied met during the filming of the *Black Swan*. Sure enough, Millepied served as choreographer for the film and was blown away by Natalie's talent and grace on the dance floor. Millepied is a principal dancer in the NYC ballet and is now this ballerina's Cavalier.

2. Jennifer Lopez and Casper Smart: After working together for some time, their professional dancing relationship turned a bit more personal. Lopez and Smart connected only a short time after her split with Marc Anthony, but they seem to be getting along better than ever. It is obvious that there's a lot of love and attraction between the two – and boy does she deserve it!

3. Julia Roberts and Danny Moder: Roberts met Moder while filming the movie, *The Mexican* in 2001 – he was the cameraman! While he may not have been her leading man in the film, Roberts said after meeting him that she was “born to love and be the wife of this man.” Ten years later, this notion still proves true and they have three beautiful children together.

4. Whitney Port and Tim Rosenman. We first met Whitney on *The Hills*, where she worked side-by-side with Lauren Conrad in the fashion bizz, and then we followed her to the Big Apple where she starred in her own reality show, *The City*. Whitney then announced that she was dating *The City*'s Associate Producer, Tim Rosenman. While the show is no longer on the air, it was a still a success for Port's love life.

5. Kandi Burruss and Todd Tucker: We heard of the news that *Real Housewives' of Atlanta* star Kandi Burruss was dating one of the show's cameramen during last year's reunion show, and

it was all thanks to her cast-mate Phaedra Parks for encouraging him to pursue Kandi. I guess Phaedra knew best, because rumor has it that the two have secretly engaged.

The ladies of Generation X were some of the first to trade the

domesticity of the housewife for the slacks of Corporate America. Powerful and confident women are sexy, but society hasn't completely caught up with us yet, and it's still uncommon for a female salary to outweigh that of her spouse's. That's where Hollywood comes in with a good message for once, as stunning starlets are throwing off the national average by earning more than their celebrity loves. Below is a list of sexy female celebs empowering themselves through healthy relationships *and* hefty paychecks:

Women's Upper Hand in Celebrity Relationships

1. Gisele Bundchen: Other than her svelte silhouette and pristine profile, Bundchen impresses with a net worth of \$200 million. Her hunky husband Tom Brady is known for his jockey skills on the football field but is only worth \$100 million. While both salaries are envy worthy, Bundchen makes far more than the man she shares her bed with. Regardless, this celebrity relationship is picture perfect, and Brady doesn't look at all emasculated by his wife's high salary.

2. Jessica Simpson: We've watched Simpson transform from a young singer and clueless newlywed into a confident entrepreneur. With a net income of \$100 million and a shoe line that racks in over \$500 million annually, she would be hard pressed to find a man wealthier than she. Fortunately, she's has found happiness with ex-NFL player Eric Johnson. Though his salary hasn't been reported, he *is* currently unemployed. Regardless of their paychecks, the two are expecting their first child this year, proving that money is not an issue with this celebrity relationship.

3. Oprah Winfrey: Whether you're an Oprah devotee or totally

impartial, there's no denying this woman grabbed life by the reigns when she began her journalism career in the mid 1970's. Forty years and one huge following later, Winfrey is worth a staggering \$2.7 billion. Longtime partner Stedman Graham may not make as much, but he isn't loafing off of Winfrey's riches either. As CEO of S. Graham and Associates, Stedman has wracked in an impressive \$10 million of his own.

4. Julia Roberts: Roberts, America's *Pretty Woman*, has a hefty income of \$140 million. Her husband, however, Danny Moder, is a camera man. Though his salary has not been reported, it has long been known that Roberts is the money maker in the Moder home. Regardless, after ten years of being a married celebrity couple and having three children, the two have shown that true love trumps any jealousy over income.

Actress Earns More Than Celebrity Love

5. [Angelina Jolie](#): From dominatrix to domestic diva, Jolie is another star we've had the pleasure of watching grow up in front of our eyes. While her days of drinking blood have passed, she continues to make celebrity news by adopting children, working as a humanitarian and starting foundations to help combat poverty. Somehow, this busy mother and activist also has time to star in movies and grosses nearly \$150 million. Her equally famous and good-hearted soon-to-be husband Brad Pitt makes only a little less than her at an annual salary of \$130 million. These two aren't sitting home comparing paychecks though. Instead, they combine their incomes to help better the world around them.

6. Nicole "Snooki" Polizzi: Outside of partying, tanning and going to the gym, Snooki found her fame by starring on MTV's

Jersey Shore. Though her wild antics have made her somewhat infamous, she wasn't downing tequila shots for nothing. At an annual salary of \$2 million, the tiny beach bum can at least impress with her bank statements. Fiancé Jionni Lavallo chose a more modest lifestyle and is currently studying to become a teacher. While his salary may never match Polizzi's, the two were able to work past the drama of the shore and are currently expecting a baby.

Top 10 Qualities George Clooney Looks for In a Woman

By Greg Buckskin

Single ladies around the world can now rejoice! George Clooney has officially separated from his latest girlfriend, Elisabetta Canalis.

The couple has called off their relationship, leaving the dating pool wide open for Clooney, one of Hollywood's most attractive men. If you've got your eye on this "sexiest man alive," you're not alone. But do you have what it takes to attract this notorious bachelor? Here are the top 10 qualities he looks for in a woman. See if you measure up!

1. Foreign beauty: If you're from a country outside of the U.S., your odds of landing Clooney have significantly gone up. Celine Balitran (France), Mariella Frostup (Norway) and Canalis (Italy) are just a few of his "foreign affairs."

2. Big name actress: One of the most successful men in Hollywood would surely be attracted to an equally successful actress. And rightfully so, since both understand the demands and stresses that come with the job. Clooney's past women have resumes almost as impressive as his; just take a look at

Julia Roberts, Charlize Theron, Kelly Preston and Renee Zellwegger. But don't plan on starring in a movie alongside George to win his affection. It appears he doesn't date his co-stars – at least, not during filming.

3. Piercing eyes: Clooney prefers a few physical features on women, one of them being incredibly piercing eyes. Preston, Roberts, Theron, Lucy Liu and Canalis all share the striking eyes trait.

4. Pouty lips: Going along with physical features, Clooney's also attracted to a pouty lips. Exes Karen Duffy, Roberts, Theron, Zellwegger and Canalis have incredibly full lips that they use to their full advantage.

5. Exotic: This actor gravitates toward exotic looking woman. We need to look no further than Huma Abedin, Liu and, of course, Canalis to determine that this is certainly a look that draws George.

6. Astrological sign? Scorpio: Yes, it must be in the "stars" for a relationship with Clooney to work. Three of his ex-girlfriends – Celine Balitran, Roberts and Mariella Frostrup – are Scorpions. He certainly likes a determined, passionate and exciting woman in his life – all famous Scorpio characteristics.

7. Age: No cougars need apply! Clooney tends to date women much younger than himself. Sarah Larson was 18 years his junior, while he had a good 17 years on his latest ex.

8. Not the marrying kind: If you're the kind of person who wants a commitment that ends with a diamond on your finger, go ahead and look elsewhere. This bachelor is notoriously famous for steering clear of husband-territory. In fact, out of all of his exes, Clooney has only married one – Talia Balsam. After their relationship ended, he declared that he would never marry again. So far, no other woman has been able to

convince him otherwise.

9. Attention seeking: When you're with Clooney, all attention is on him. If it's your time to shine, move on to the next man. He's dated some pretty famous names, but when it's time for the red carpet or movie premieres, all eyes, all attention and cameras immediately focus on him.

10. Model-esque looks: And lastly, if you don't have long lean legs, stunning facial features and gorgeous hair, don't waste your time. This man is definitely attracted to model-type women, including Vendella Kiresbom Thomessen, Traylor Howard and Lisa Snowdon.

Do you measure up? If you can count yourself among at least a few of the top 10 qualities Clooney covets, then what are you waiting for? It's time to see if you can catch the most recent eligible man in Hollywood!

Crowne was laid off from his big-box company, a job he had since he left the military. Now with bills to pay and lots of free time, he decides to enroll in classes at his local community college. While there, he befriends a group of scooter-riding outcasts who, like Crowne, are trying to better their positions in life. Meanwhile, he falls for his public speaking teacher, Mercedes Tainot (Julia Roberts), who has lost her passion for her marriage, career and everything else.

Larry Crowne helps show the life of students in community college and the rising population of non-traditional college students. Plus, it shows that when someone's lost everything, he or she may just find a new purpose.

What are ways to help a crush grow?

Cupid's Advice:

"Crush" is a playful word, however it does have some risks if that crush were to grow into something serious. Cupid has some ways to help it bud safely:

1. Start in the 'friend's zone': Become friends, and see if there are any sparks from there. Build a solid foundation of trust and companionship at the base level.

2. Know your space: When you like someone, be aware that that person may not like you back, so pressing too much will cause he or she to back away. Keep some distance, at least initially.

3. Patience is a virtue: When trying to 'make your move,' it's all about the timing. Make sure there's no other relationship you're intruding on and be aware it could take a lot of time before you can even be a potential lover.

Is Brad Pitt Ruining Your Love Life?

We know how effective media is in shaping our perspective and even our values, including our self-image. We know that being bombarded with images of beautiful men and women molds our vision of attractiveness. As we mature, we know it's fantasy, and that even Hollywood beauties don't look that stunning without professional hair, make-up, wardrobe and lighting.

By now, you've probably seen the Dove video called "Evolution." It shows how an attractive woman morphs into a fabulous knockout through professional hair, make-up, lighting, and yes, even Photoshop.

How do these unrealistic images affect your dating life?

1. They can influence your expectation of a man's looks. Very few men, especially middle-aged men, look anything close to George Clooney, Brad Pitt, Johnny Depp, Colin Firth or Pearce Bronson. While we realize these men personify an unattainable ideal, some small part of many women want – and perhaps expect – their guys to look as yummy.

2. The Photoshopped images of pencil-thin people on magazine covers and in movies exacerbates women's feelings of

inadequacy. Actresses like Cher, Teri Hatcher, Vanessa Williams, Julia Roberts, Helen Mirren, Glenn Close and Ellen Barkin are sparkling in their perfection – with personal trainers, private chefs, and perhaps a bit of nip-tuck. How many real-life middle-aged women do you see looking like that?

Just as women have unrealistic expectations of a man's looks, so, too, men have an idealized expectation that women should look like these air-brushed fantasy females.

So it seems like a lose-lose for both genders.

We think (hope?) that as one matures, people realize that these movie star looks are really just fantasy. But unfortunately, I've found both men and women hold themselves and their potential dates to standards that nearly no one meets in real life.

So what can you do?

1. Play up your own physical attributes: Got beautiful eyes? Don't hide them behind glasses. Get a makeover if you haven't had one in years, or make an appointment with a free personal shopper at a department store to help you dress to look your best.

2. Realize that there are many good people underneath a few bags, sags and extra pounds: While we know that goodness has nothing to do with outer appearances, we sometimes get caught up or put off by what we see. I've gone out with many wonderful men who aren't gorgeous. The thing is, they got more attractive as I got to know their kind hearts, senses of humor and caring natures.

Julia Roberts In 'Eat, Pray, Love'

Julia Roberts stars in this week's *Eat, Pray, Love* as a modern wife who realizes she's missing something in her life. Deciding that her soul is unfulfilled, she divorces her husband and takes a yearlong, life-altering journey. She first stops in Italy, where she finds ethereal joy in the art of eating. She then goes to India, where she studies with yogis at an ashram, finding strength through prayer, as well as gaining inner tranquility. Finally, she heads to Bali, where she meets her true love.

What can you do to lead a fulfilling life?

Cupid's Advice:

Eat, Pray, Love was adapted from Elizabeth Gilbert's memoir, where she chronicled her own personal choices to change her way of life. Below are some of Cupid's suggestions to help you figure out how to get your life where you want it to:

- 1. Assess your situation:** Categorize every aspect of your life, and summarize each section. When complete, read through it to see if there's room for improvement. With family or friends, figure out ways to work on what's missing.
- 2. Think of yourself:** Most people put others before themselves, leading to unresolved resentments that get tucked away in the subconscious. If you take a few moments each week to reflect on your personal choices, and how they have, or will affect you, you might find positive ways to resolve any conflicts that arise ahead of time.
- 3. Be true to your opinion:** This may sound corny, but if you don't believe in yourself, or if you let others provide your opinion for you, you'll end up miserable. Offer your insight to the conversation and make your voice heard.

Life can be a challenge. What you make from the cards you've been dealt is up to you and the choices you make.
