1. Give each other space; growing separately does not mean growing away: Sometimes the best thing you can do is give your significant other space. Getting there on your own is half the fun of achieving any goal. Don't take that away from your partner.

Celebrity Women Who Date

Younger Men

By Gabby

Robles

Celebrity men aren't the only ones who go after what's young and hot in Hollywood. Sexy celeb women have helped get the term "cougar" published in the dictionary in it's slang term – and with all of these women dating much younger, we're surprised it hasn't happened sooner!

Sharon Stone and Martin Mica: This couple shares a 30-year age difference, but they haven't let that stop them from showing their love to the world! The duo have been dating for over a year and are still going strong despite rumors of a breakup that surfaced this past January. Mica was only six when Sharon Stone starred in *Basic Instinct*, but that was years ago, right?

Mariah Carey and Nick Cannon: Mariah's first husband, Tommy

Mottola, was over 20 years older than she was. Naturally, Mariah decided to go 11 years younger when she married Nick Cannon. These two haven't let age compromise their marriage; they have been married over 5 years and have two adorable children together.

Julianne Moore and Bart Freundlich: These two have a 9 $\frac{1}{2}$ -year age difference, but the actress and director have two children together. Moore stated that when she first began dating Freundlich, she was unsure their relationship would work. But as their relationship progressed, it didn't remain as a standing issue.

Kathy Griffin and Randy Bick: This pair has a near-20 year age difference. The comedienne and her marketing executive-boyfriend met at a food festival over a year ago. Kathy says she "hunted him down." Meow, cougar!

Danielle Fishel and Tim Belusko: These lovers just tied the knot on October 19 in Los Angeles. Their 7-year age gap doesn't stop them from being happy and finding their soulmates; The *Boy Meets World* star had previously said, "Tim is the one. He accepts me for exactly who I am!"

Jennifer Lopez and Casper Smart: Lopez is 18-years Smart's senior, but these two have been going strong publically since July 2012. The singer revealed to Katie Couric, "It's hard for me to think of my age... I feel very youthful... And it's funny, until somebody brings up [the age difference], I don't think we really think about it." Well, we're happy for them!

Dating younger is how some people reach Cloud 9 – and it's not a bad thing. As long as these couples keep in mind that age is

just a number, they will continue to be happily in love!

Now Mr. Weaver is off to play the single world with some help as he plays wingman to Jacob Palmer (Ryan Gosling), a handsome player. Sure the makeover

is helping Weaver play the field, but one thing that didn't change is his love for Emily.

What are the best ways to handle a break-up?

Cupid's Advice:

Everyone responds differently when a relationship ends, but there are somethings to consider. Cupid's got some answers.

1. Patience is a virtue: Although there's no scientific method to determine the "mourning period," rushing into another relationship can be a quick fix, but in the end is more damaging.

2. Soul-searching: Take the "mourning period" to focus on yourself; evaluate your past relationship and find out what you've learned and what you can do differently when you are once again ready to date.

3. Closure is crucial: Whether it's getting your favorite shirt back or keeping distance for a long time, it's important to close the door on your relationship. Nobody wants to date someone else while they are thinking of a past lover.

'The Kids Are All Right,' Starring Annette Bening, Julianne Moore & Mark Ruffalo

If you like to watch movies with unusual plots on love, then *The Kids Are All Right* should pique your interest. In the favorite at the Sundance Film Festival last January, sperm donor Nick (Mark Ruffalo) aids Jules and Nic (Julianne Moore and Annette Bening, respectively) in having two children via artificial insemination. When the children are teenagers, they become interested in learning about their birth father, and decide to bring him into their family mix, turning everyone's world upside down. Jules – who is dedicated to her life partner – even ends up falling in love with man who helped create her children. This movie is a comedic look at a not-so-ordinary home, and shows how you can find love in

unexpected places.

Cupid's Advice:

This film has unusual plot twists that raise the flag of 'what if,' while including the growing trend of same sex parents. Here are three ways to help maintain a strong family connection when conflict arises in any family situation:

1. Maintain a line of communication: You often hear this when struggling with conflict in the home. Talking through disagreements and problems will go further in resolving them than simply ignoring the issues.

2. Open the door for suggestions: When you are up front with your partner and your kids with issues that could cause stress within the family dynamic, you can work together instead of against each other to come to a resolution that works for all.

3. Think of what the future holds: Whatever is causing turmoil now will eventually fade into the past. Working through it is the hardest part, but perseverance is the key to success in any arrangement.
