### **Cupid's Advice:**

Many couples break up, but sometimes couple who break up can't stay away from each other and continue to get back together. When it comes to deciding whether you should give it another go with your ex there are many things to consider and think about. Cupid has some advice on how to weigh the pros and cons about whether to get back together with an ex:

**1. The con or why you shouldn't get back together:** Sometimes someone just isn't right for you and deep down you know when someone just doesn't cut it for you. If you find you could never trust them before than you probably won't trust them the second time around. If you find you two never get along well, or have a hard time trusting one another, it's probably best to let them go, why waste your time with someone who isn't right for you.

**2. The pro or why you should give it another go:** Sometimes relationships don't work out, because it just wasn't the right time in your lives to really be with someone. So what if now in the future you are both in the right places in your life for a committed relationship and still find yourself still drawn to your ex? If you still keep in contact, get along well and are still attracted to your old lover, getting back together might be just what you need.

If there are more positive reason on why you should get back together with your old flame, such as even with the negative you accept them or find them endearing. According to [UsMagazine.com](http://UsMagazine.com), the 24-year-old songstress has dropped Selena Gomez as a friend after the Disney starlet rekindled things with Bieber. The “I Knew You Were Trouble” singer is disgusted by their relationship. During the summer, tweeted a birthday post to Selena, referencing her as “the closest thing I’ve ever had to a sister.” However, this is not the first strike. The source also claimed that Gomez used Swift’s good friend Ed Sheeran as a rebound last June to ruffle Bieber’s feathers. “After Selena pulled that move, Taylor started distancing herself,” said the source.

**What are some ways to help your friend make good relationship decisions?**

**Cupid’s Advice:**

No one ever said being a friend is easy, especially when it is time to pitch in decision advice about relationships. The conversation can go either two ways, good or bad. Here are

some ways to help your friend out without being offensive:

**1. Remain courteous:** Take into consideration your friend's feelings at all times. There is a way to be honest without delivering a harsh tone. Let him or her know of the signs in their relationship that may concern you, but do not repeatedly bring up this conversation. Your friend is completely aware of your possible worry. It is up to them to try to ease your apprehension.

## What are some ways to show you love your partner publicly?

### Cupid's Advice:

It can be hard to show or share your feeling, especially in front of other people, but it is important to give your lover the reassurance that you are into them and care about them. Cupid has some advice on ways to show you love your partner publicly:

**1. Show physical affection in public:** The number one way to show your love is through physical affection. Next time you see your significant other give them a big hug or a quick kiss on the cheek or lips even when they're with their family or friends: Hold their hand walking down the street or wrap your arms around their waist. It doesn't matter what you do just doing little physical gestures now and then is nice way to show you are with them and aren't ashamed of being with them. Both parties in a relationship need that reassurance from their lover and indulging in PDA from time to time can't hurt you.

### **Cupid's Advice:**

Sometimes when a relationship ends, the connection doesn't go away. Deciding whether you should get back together with someone is hard, especially if you don't know what the best choice to make is. Cupid has some advice on how to know if you should get back together with your ex:

**1. You've worked past issues out:** The first major thing you need to think about before even considering on rekindling the

flames with an ex is if the two of you have talked and worked on past relationship mistakes. It's not good to bury issues, because they will come back to haunt you. There was probably a reason you broke up in the first place. Unless you've worked out the problems or have come to a mutual understanding, you might just end up breaking up again for the same reasons.

**2. The attraction is still there:** If you still get butterflies in your stomach every time you see or speak with them, chances are you're not over them. If you feel like you will regret not giving your ex lover another chance, especially if you still have the hots for them, take the plunge and get back together. Make sure you are still attracted to them emotionally and physically before dating again however, because a solid relationship foundation needs both.

After all, no one knows what's in your heart better than you, and if you feel like the best thing for you and your ex to do is to be sweethearts again, than go for it. Giving your relationship another go might give you the closure you both need, or could be the beginning to a long-lasting union.

# 5 Cutest Teen Celebrity Couples

By [Whitney Johnson](#)

Lately, it seems like the heavyweights in Hollywood are getting younger and younger. After all, it was just last year that Jennifer Lawrence won her first Academy Award for Best Actress Oscar at only 22 years old. Given their full-time jobs and big paychecks, these stars often grow up a bit faster than your average youngster – which means they also experience love and heartbreak earlier in their lives. With this thought in mind, we developed a list of our five favorite teen celebrity couples:

**1. Bella Thorne and Tristan Klier:** The 16-year-old star of

Disney's popular show *Shake It Up* has been dating her blonde-haired boyfriend since 2012. When we caught up with the actress earlier this year, she revealed her favorite date night with her beau: "Just to sit on the couch and watch Netflix!"

**Related Link:** [Bella Thorne Shares Her Tips for Having a Memorable Valentine's Day](#)

**2. Britney Spears and Justin Timberlake:** Will there ever be a teen couple as adorable as these two pop stars? The pair, who met on the set of *The New Mickey Mouse Club*, were only 18 years old when they started dating and split after 3 years together. Recently, Spears even confirmed that Timberlake was her first kiss. Aw!

**3. Gigi Hadid and Cody Simpson:** The *Sports Illustrated* model and Australian singer, ages 18 and 17 respectively, were spotted at the Vanity Fair Oscars Party, looking every bit like a teenage dream. The lovebirds maintain a long-distance relationship – Hadid is at New York University, while Simpson lives in Los Angeles – but we hope to see the blonde beauty cheering her man on from the audience of *Dancing with the Stars*.

**4. Kylie Jenner and Jaden Smith:** While this duo hasn't confirmed their relationship status, they've been spotted around New York City, London, and Los Angeles. Plus, the so-called "best friends" have exhibited PDA on multiple occasions. Only time will tell if these teens have found true love!

**5. Selena Gomez and Justin Bieber:** Even though the problem-plagued pop star exited his teen years on March 1st and his on-again, off-again girlfriend is already a year into her 20s, we couldn't help but include this duo on our list. While

Bieber may be trying to prove his age with his recent antics, his fans are still primarily tweens and teens, making his love life of utmost importance to this age group.

**What are some things to consider before getting back together with an ex?**

**Cupid's Advice:**

Couples break up and get back together all the time. There are many causes for breakups. For example, maybe the relationship wasn't healthy or maybe you just weren't ready for one. Sometimes partners break up because they drift apart, but what happens when you find yourselves drifting closer together once again? Cupid has some advice on the subject:

**1. Have you talked and resolved all the issues behind your**

**break up?** Any conflicts or issues you may have had should be worked out. As partners you need to be on the same page and know the direction of where you want your relationship to go.

# Justin Bieber's Music Video Crush Talks Selena Gomez's Diss, Kissing the Superstar

By Brittany Stubbs

Jealousy might be in the air for Justin Bieber's ex Selena Gomez. In the superstar's latest music video "All That Matters," Cailin Russo stars as the object of Bieber's obsession. He later posted a picture of the blonde babe kissing him on the cheek. According to *UsMagazine.com*, Gomez recently posted a picture of herself on Instagram with a caption that said, "I thought he only liked the Latina category. Smh... #nomakeup #hatewhengirlssaythat," and Bieber's latest crush is convinced this was directed towards her. "It was clearly directed at him with me in the video, but like I said I was just doing my job," Russo shares in a recent interview with [Cosmopolitan](#). "Selena is a superstar and I'm just a girl in a video. She's his ex, and I'm sure they still have feelings for each other."

**How do you deal with your ex dating someone new?**

**Cupid's Advice:**

It's always difficult seeing your ex move on with someone else, even if you had an amicable breakup. But unfortunately

this is inevitable when any relationship ends. The best thing you can do is handle your situation with maturity and class:

**1. Avoid contact:** Nothing good ever comes from sending your ex a snarky text message about their new significant other or posting a passive aggressive comment online. So hide them from your social networks, even delete or block their number if necessary. We're all guilty of doing a little Facebook stalking to find out who our ex has moved on to, but honestly, when has this ever helped or made us feel better?

**Related:** [Selena Gomez Pulls Plug on Live Interview After Justin Bieber Question](#)

**2. Remind yourself why you broke up:** Sometimes seeing your ex with someone new can stir up old feelings, but remembering why things didn't work out between you two can often help you avoid feeling jealous. It might even make you happy your ex has met someone else.

**Related:** [Justin Bieber Surprises Selena Gomez with a Single Red Rose at her Birthday Party](#)

**3. Focus on you:** Remember that break ups mean moving on for the both of you. Use this as your motivation to do something for yourself. Whether that's getting back into the dating scene, or just devoting some time and energy to a new hobby, project, etc. While break ups signify endings, they also hold potential for bright, new beginnings.

## **What are the advantages to not rushing your relationship?**

### **Cupid’s Advice:**

Your relationship could end faster than you expect it to if you’re moving too fast too soon. Love doesn’t happen overnight. Both parties involved need to take the necessary steps in order to have a successful commitment. Cupid has some tips:

**1. Get to know each other better:** Unless it’s someone you’ve known for a while before you started dating, you’re not going to really know the person you’re getting into a relationship with. Slow things down and feel each other out before you decide to commit to each other.

**Related:** [Selena Gomez Pulls Plug on Live Interview After Justin Bieber Question](#)

**2. No pressure:** Rather than feeling like you have to get to know your significant other instantly, take your time with the relationship and let things fall into place naturally. Don’t worry about who your friends are dating and/or how long they’ve been dating their companions. Love shouldn’t be a competition. All of your focus should be going into this newfound romance and seeing how things go with this special individual.

**Related:** [Selena Gomez and Justin Bieber Split](#)

**3. You’ll know what to expect:** When you rush into a

relationship, you don't know if the person you're dating is expecting a long-term commitment or something that's purely physical. Before you officially call your new honey "yours," ask him/her what they're looking for. What you're hoping for versus what they want can be entirely two different things.

I mean, he's on tour and being pulled in a million different directions but we talk as much as he is able."

**What are some ways to support each other as parents?**

**Cupid's Advice:**

Letting go of your children can always seem tough but there are ways to support each other as parents. Cupid has some advice for you.

**1. Have rules:** Be sure that you and your partner are on board with the rules you set for your children. If you can't agree your children will not be respectful of what you expect from them.

# Top 3 Common Dating Mistakes College Students Make

By Chau Nguyen, "America's Hottest Dating Coach"

No parents, no rules and unlimited alcohol can trigger a lot of heartbreaks for many unsuspecting college students. Look at what happened to Justin Bieber and Selena Gomez. They have great songs, but their relationship is a train wreck! Protect yourself by learning the top 3 common mistakes college students make in dating.

**1. Thinking that dating doesn't exist in college anymore.**

I've interviewed hundreds of college students and asked them one question, *"Does dating still exist in college?"* Some students would tell me, *"Of course! I'm in a relationship right now,"* and others would say, *"No way! Dating is taboo in college."*

Everyone has an opinion on this topic, but the truth is that dating *does* exist in college.

Even if all of your college friends are hooking up, there are many others who are in exclusive relationships. So if you want to be in a serious relationship, remember there are guys who are looking for the exact same thing right now.

**Related:** [The Good, Bad and Ugly of Dating of Dating Advice Guides](#)

## **2. Believing that you have to put out.**

One college woman at the University of California, Irvine told me, *"All the girls are putting out, so if I don't do it, I can't compete with them."*

All her friends immediately nodded in agreement. That's a huge misconception among smart and beautiful college women. If they just want to explore their sexuality, then by all means, be safe and have fun! But many of the guys I interviewed told me that they would never consider getting serious with a woman after having a one-night stand with her.

Is that a double-standard? Completely. It's not fair for women, and I can sympathize with that. That's why the best cure for this is to control the pace of the interaction.

Women *do* have the power to veto. If you think he's moving too fast, stop him. He will respect you for standing your ground, and more importantly, you will respect yourself more.

**Related:** [Returning to the Dating World](#)

### 3. Waiting too long to bring up the “relationship status” talk.

Most women understandably hesitate to bring this topic up because they worry that it might scare the guy away. So they just play along until they find out that he’s been hooking up with other girls on the side.

You don’t have to force him to be your boyfriend the first day you meet him. But you need to make one thing very clear early on—is this going to be an exclusive relationship, or are you both free to date other people too? Just be sure to approach him from a place of confidence.

Tell him, *“Hey, I’m curious. We obviously like each other. So where is this going?”*

If he wants to be exclusive with you, you’ve hit the jackpot! If he doesn’t, you’ve saved yourself a lot of time, energy, and heartache. Either way, it’s a win-win situation for you.

# Selena Gomez Pulls Plug on Live Interview After Justin Bieber Question

By Petra Halbur

Selena Gomez took fairly drastic measures to avoid discussing her on-again-off-again relationship with Justin Bieber on July 22. According to [UsMagazine.com](http://UsMagazine.com), the 21-year old singer was making a live television appearance on WGN Entertainment when the host, Dean Richards, brought up the 19-year old heartthrob. "Is there something about him that we don't get or we don't understand?" he asked. "I mean there's one story after the other of pretty outrageous things that we are reading about. **What are some ways to address questions about your ex post-breakup?**

**Cupid’s Advice:**

The only thing worse than a breakup is the endless series of questions you have to face afterwards. How do you deal with them? Cupid is here to help:

**1. Keep it civil:** As angry as you may be after a breakup, resist the temptation to bash your ex. Unless your partner was abusive, he or she does not deserve such treatment and you won’t feel good about it either in the long run.

**2. Provide short answers:** “It was mutual” or “He didn’t see a future with me” are simple, short answers to complicated questions. If you find yourself fed up with the constant inquisition or reluctant to disclose all the ugly details, honest yet succinctly replies might be the best way to go.

**3. Decline to answer:** If a question is too personal or you just don’t feel like addressing such a painful topic, politely explain that you’d rather not talk about it. It’s not rude to make clear that some topics are off the discussion table.

# Celebrity Couples That Reunited

By [Whitney Johnson](#)

There are no set rules in the game of love, and it's easy to question if you're dating Mr. Right or Mr. Right Now. Such doubt often leads to broken hearts, but as many Hollywood pairs have proven, time apart may be just what the doctor ordered during the search for happily ever after. Here are five celebrity couples that reunited after a breakup and found lasting love (for now at least):

**Katy Perry and John Mayer:** This musically-talented twosome is keeping us all guessing! The couple was first seen together during the summer of 2012; they split briefly in August and

then reunited, even spending the holidays together. However, in March 2013, they broke up again. Addressing the split, Mayer reportedly said, "I'm on the same journey as everyone else. Coupling is a tricky thing." Even so, as recently as June 2013, they were seen together with pals at Chateau Marmont in West Hollywood.

**Jessica Biel and Justin Timberlake:** Biel and Timberlake first dated for over four years (a lifetime in Hollywood!) before splitting in March 2011. However, they were together again by fall, and in December, Timberlake proposed in the mountains of Jackson Hole, Wyoming. The star-powered duo married in a top-secret ceremony in Italy on October 19, 2012.

**Kristin Cavallari and Jay Cutler:** This Chicago-based pair first began dating in fall 2010 and confirmed their engagement in April 2011. However, the Chicago Bears quarterback called things off just a few months later. The couple reunited in November 2011 and announced the *Laguna Beach* star's pregnancy in January 2012. They took the next step in their relationship, tying the knot in Nashville on June 7, 2013.

**Selena Gomez and Justin Bieber:** It's hard to know if these two songbirds are on-again or off-again. The twosome split in November 2012, but always stayed in touch. In April 2013, they confirmed their renewed relationship when the *Spring Breakers* actress flew to Norway to be with her ex-beau. Keeping the romance alive, the couple appears to be going strong at the start of summer.

**Pink and Carey Hart:** Pop singer Pink proposed to motocross racer Hart in June 2005, and the couple married soon after in Costa Rica. After two years of marriage, the couple separated in February 2008. However, they remained friends – Hart even

appeared in Pink's video for her song "So What!" – and sought marriage counseling in hopes of reconciling. They reunited two years later, and the tattooed twosome have been happily together ever since.

## **New Celebrity Couple: Selena Gomez is Hooking Up with Ed Sheeran**

By Petra Halbur

Rumor has it that Selena Gomez has moved on from Justin Bieber and has started seeing singer-songwriter, Ed Sheeran. "They are hooking up," a source told [UsMagazine.com](http://UsMagazine.com). Though Sheeran said that he was single at the MuchMusic Video Awards on June 16, he admitted that he "wouldn't complain" to being paired with a pop star. A second source explained that Gomez is attracted to Sheeran's independence and maturity. "She got sick of having to take care of Justin [Bieber] like he was her child. This is a nice escape from the drama," the source said.

**How do you know when it's time to move on from an on-off relationship?**

**Cupid's Advice:**

You can only put up with an on-again-off-again relationship for so long. Eventually, you have to decide whether or not to just move on. Cupid has some advice:

- 1. The situation isn't improving:** If you keep breaking up over the same issues, then chances are those problems are not going away- ever. If these aren't flaws that you can live with, then you need to break things off now.
- 2. You're attracted to someone else:** If you've noticed someone else who you think could offer you a more stable relationship, that might be a sign to end things with your current partner.
- 3. You're unhappy:** You don't need a long, articulate excuse to justify ending your relationship. If being with your on-off partner isn't making you feel good, then that's validation enough to call it quits.

# Relationship Advice from Justin and Selena: Should You Get Back with Your Ex?

By Marni Battista

In recent years, Justin Bieber and Selena Gomez have had quite the whirlwind romance. The two pop stars were in a much-talked-about long-term relationship before they broke up and have subsequently reunited multiple times...although as of publication, their relationship status could easily have changed again. One thing we do know: breaking up and getting back together multiple times is mostly a good indicator that

you should NOT get back together. So should *you* get back with your ex?

There's no simple black-and-white answer. The answer will differ for each person and each situation. For example, if you ask your mom, she'll have a bevy of "solid" advice based on her experiences. Your sister will issue forth another set of breakup rules she created during her formative relationship experiences. Perhaps one best friend says "forget him," while the other, who just reconciled successfully with her ex, urges you to take it slow and give it a try.

If you're considering taking your ex back (and it isn't the fifth time around like Justin and Selena), what do you need to know first? Here are five things Dating with Dignity advises that you think about before you get back together with your ex.

**Related Link:** [Justin Bieber and Selena Gomez Confirm Rumors That They're Back Together!](#)

**1. Why do you want to get back together?** Is it because you're lonely? If you feel as if you'd literally be in a relationship with ANYONE – including the Starbucks barista – because you're missing a warm body next to yours each night (and he's not half bad-looking), you might need to reevaluate getting back together with your ex. However, reasons such as "I don't think we gave it a good enough shot" or "We've both been doing a lot of internal work, and I actually think it will be healthier and more fulfilling if we try again" are both good reasons to give it another go.

If you need to think about it, take at least a few hours and really make sure you're getting to the core of why you want to try again. Our best advice is don't respond to his text, email or call immediately. Let it soak in. Consider all the options and **then** form a responsive (rather than reactive), solid reply to his request.

**2. Why did you break up?** If any of the reasons for breaking up include addiction, behavior dysfunction, physical or emotional abuse or cheating, the answer is always going to be a clear-cut no. According to most addiction specialists, a person must be sober at least one full year before engaging in a relationship. That said, make sure the timing is right if the reason you broke up involved any form of addiction.

However, if it was a reason such as one of you wasn't fully out of a prior relationship or one of you needed to focus on some "loving myself" time to really be ready for a relationship, a redo could be a good idea to consider.

**3. Is the issue something that's consistent or a one-time event?** If cheating was the reason you broke up but it was an isolated incident, getting back together can be put on the table. However, if it was consistent cheating or a repetitive cycle of adultery or being disrespectful, the chances your relationship will be successful the second time around are very low. One-time events can be something that each individual can work on over time, but it still absolutely needs to be addressed.

**Related Link:** [Lessons We Can Learn from Queen of Heartbreak, Taylor Swift](#)

**4. How has your life changed since the split?** Evaluate your current lifestyle. Has it improved since your breakup? If yes, it's probably a good idea to steer clear of your ex. Perhaps you just didn't feel as good about yourself when you were with him, or your health wasn't a priority because you were so focused on the relationship. In that case, don't even think about it.

But if you feel like giving it another try could improve your quality of life, it may be worth reaching out or responding to him if he's been attempting to contact you. The reason to get back into a relationship isn't because you feel like you need

him to be complete or happy. Instead, make sure you're coming from a place of "wanting" the relationship to enhance an already fulfilling and sweet life.

**5. Let him show you, not tell you.** Is your ex starting to show up repeatedly? Can you see the changes in his life? Did he finalize his divorce or get a new job? Has his demeanor changed? Are your interactions different? Does it really seem as though he's worked on the shortcomings that led to the end of your relationship? Words are great, but actions are everything. So if you can see notable changes in someone, it can be a great indicator of a high chance of success in your "new relationship."

Remember, if you get back together with an ex, you must start over. The time you spent apart allows you a clean break for you to begin to date again. Don't rush into anything and don't try to pick up where you left off. Have realistic expectations and pace the relationship just as you would with a brand new suitor. Hopping into bed with your ex right away and assuming you'll be back to exactly how you were before is a great way NOT to be successful in trying again. Collect data, have fun, make sure to keep your non-negotiables in place, and make sure you keep your three c's top of mind: compatibility, chemistry and communication!

## **How do you keep rumors at bay in your relationship?**

### **Cupid's Advice:**

Rumors can endanger even the strongest relationships. How do you keep your relationship above water in a sea of gossip? Cupid has some suggestions:

- 1. Comment:** When a rumor is being spread about your love life, comment on the rumor if someone asks you. Let them know the truth. If you choose not to comment, the lies will spread and no one will know what is real and what isn't.
- 2. Closeness:** You and your sweetie need to have a tight bond and trust each other. This way when rumors are being spread, neither of you will be insecure enough to fall for it.
- 3. Verbalize:** Put the rumor out there for people to see. By acknowledging it in public, people will see that it is clearly just a rumor. Talk about the rumor with your partner so they know that the rumor is floating around so they can help publicly debunk it.

## **What are some ways to apologize for making your partner cry?**

### **Cupid's Advice:**

No matter the situation, it is never a great idea to make your partner cry. Although it is usually inevitable, you should try your hardest not to make your mate shed tears. Did you two get in a fight over money? Over the job you just lost? Or what your parents think of your love? Don't fume up over them, calm your temper and speak like adults. Cupid has some more advice:

**1. Flowers:** Flowers are pretty much the universal sign for 'I'm sorry.' They show your mate how much you care for them. Not really by how much you spent on them, I mean picking weed flowers won't do. It shows how much they mean to you. Even if you did make your partner cry, the flowers are a symbol for the love you have for your partner. Make sure you pick out their favorite flowers if you really messed up!

**2. 'I'm sorry' letter:** Letters show words, words show everything in the world. Emotions, feelings, power, strength, love; words can describe anything you wish to say. Say you made your partner cry over a petty fight, quickly grab a pen and paper and start writing away. In the letter, obviously apologize for whatever the situation may be, and express your feelings for your mate. How much they mean to you, how you cannot ever lose them, everything you're thinking.

**3. Date:** Take your beau out on a date for your mess up. Of course you should always take your partner out every once in a while. However, if you made your partner cry, they deserve a date asap. Take them to their favorite restaurant, or cook a meal at home. Combine the first two with this last one. Bring them flowers and the heartfelt letter you wrote for them on the date and you're all clear!

# Justin Bieber and Selena Gomez Reunite in L.A.

By Jessica Conigliaro

Only a month after they called it quits, Justin Bieber and Selena Gomez have been seen together. [UsMagazine.com](http://UsMagazine.com) reports that Gomez spending the night at his house in L.A. It is unknown if they will be getting back together or have even rekindled the romance in any way; however, the two celebrities can't seem to stay away from each other.

**How do you know whether to get back with your ex-partner or not?**

## **Cupid's Advice:**

Determining whether or not you should get back together with your boyfriend is something a lot of people struggle with. They were a big part of your life and now they are completely removed from it. You are left feeling empty and alone, no matter how the breakup occurred. Here are some ways to tell if you should get back together with your ex, or if the relationship was never meant to last:

**1. Offers emotional support:** In order to know if you are truly meant to be with someone, you have to figure out what is most important to you; if you are the type of person who needs a sensitive guy that lets you know how he feels, don't settle for anything else. If your ex was not able to support you emotionally, they should remain your ex. However, if you realize the breakup only occurred out of a stupid fight, reconsider the situation.

**2. Remember why you broke up:** In every relationship there are obstacles to overcome. Having made the decision to end things, there was clearly a major issue between you and your partner. Don't just focus on what you miss in your ex—focus on how bad it got as well. Otherwise, you'll find yourself making the same mistake twice.

**3. Ask what your friends think:** A great way to get a second opinion on the matter is by asking the people that are closest to you. They usually know what is best for you and will have strong perspectives. If they are completely shocked by the breakup and didn't see it coming, it is possible you made a rash decision out of anger and should try talking to your ex again.

# Selena Gomez is 'Having a Good Time' Post-Split with Justin Bieber

By Meghan Fitzgerald

Unfortunately, Selena Gomez and Justin Bieber are still broken up. Even though the couple were loved by many, they are learning to deal in separate ways. Gomez has been completely content with their breakup. According to [EOnline.com](http://EOnline.com), she said, "I've been recording, having a lot of fun with my girlfriends, having a good time." Bieber on the other hand is not handling the breakup well, reports [People](http://People). Gomez is even

using her breakup to separate herself from her Disney image.

**What are some ways to quickly get over a painful breakup?**

**Cupid's Advice:**

Breakups suck. It's as simple as that. They are not easy and they are not something a person wishes for; however, they do happen and there are ways to cope with them. Every person reacts to breakups differently and there are certain ways to get over them. Cupid has some advice:

**1. Rebound:** Although this may not be the most mature decision, rebounds get your mind away from the situation that you're in. You can simply delve into another person to forget about the person who just broke your heart. This will still hurt and it may not be easy for you to be intimate with someone else however, you will have fun and stop thinking about your ex.

**2. Drink your pain away:** Similar to the first scenario, drinking excessively may not be the best situation for you. Depending on how you live your life, drinking may not help you cope. However, for most women, a bottle of wine in, you will not remember the guy who broke your heart. All you will love is the bottle of Cabernet on your counter.

**3. Talk to your parents:** Who better to help you with your relationship problems than your mother or father? The most wise people on the planet are simply a phone call away. Even if your parents are not always the person you want to talk to, they have so much wisdom to spread. Also, you can cry to your parents and they won't judge you.

# Justin Bieber and Selena Gomez Break Up 'for Good'

By Nic Baird

Justin Bieber and Selena Gomez have ended their relationship for good, according to [UsMagazine.com](http://UsMagazine.com). Bieber has since been caught, days later, smoking weed in some TMZ photos. Bieber and Gomez did travel to Puerto Vallarta, Mexico, on a New Year's trip, but the holiday romance was cut short when Gomez abruptly flew home to Los Angeles on Dec. 30 where she spent the New Year with friends at a house party.

**How do you know when your relationship is truly over?**

**Cupid's Advice:**

There's nothing more painful than a one-sided relationship. Don't pour your heart down a bottomless pit. Relationships need sharing, vulnerability, and devotion. Find out if your partner has these qualities by looking for these signs:

**1. No values:** Getting a baseline for the personal values of your partner is a good way to decide if they're ready for a serious relationship. Discuss the principles you hold when you enter into a relationship, such as monogamy and honesty. It should be clear if they're looking for one person, or if they have a constant flirtatious attitude.

**2. Separate goals:** Does their lifestyle support your relationship? Recognize if they'd rather spend time with you, or go out drinking with mixed company. If they don't have room for you in their schedule, it could be that they're very career oriented, but make sure you're their preference. If they're willing to spend the time to develop as a couple, it shows sincerity.

**3. Growing distance:** Fostering a connection with your partner, takes time and patience. If they're afraid to open up to you, maybe they're afraid to be honest. Players, though charismatic will be reluctant to share too many details of their life. As zealously enigmatic creatures, the fact that you haven't yet figured out if they're a player or not is a bad sign.
