In an exclusive interview with [Harper's Bazaar](#), the celebrity couple spoke on a variety of topics, one of them being Kardashian's viral nude selfies. Perhaps now we know how this [celebrity couple](#) keeps the passion alive in their relationship!

**This is certainly risque celebrity news! How do you know if nude**

# selfies are right for your relationship?

## Cupid's Advice:

Nude selfies have become increasingly popular in the dating scene and even in long-term relationships, as we've seen in this celebrity news. Though it may be fun to send a flirty text, there is always a risk in doing so. Cupid is here to help you figure out if nude selfies are right for your relationship:

**1. Know your partner:** First and foremost, you need to take into account who your partner is. Do you know them well? How long have you been together? Are they trustworthy and mature? These are all questions you should ask yourself before you snap that picture and hit send. You don't want this intimate part of yourself to be accidentally or vindictively leaked.

**Related Link:** [Do's and Don'ts of Flirtexting and Sexting](#)

**2. Only do it if you want to:** Sometimes a significant other may pressure you to send a nude photo. Don't let them bully you into it. The person you're with should respect your wishes if you don't want to do it, and understand your apprehension if you're unsure if it's the right time to do so. Something of this nature should be your choice alone. You don't owe anyone a nude selfie, not even a wife or husband.

**3. Protect your identity:** If you decide that you're ready to send a nude selfie, do so in a way that protects your identity. Your face doesn't have to be visible (you don't have to follow Kim's example). Even consider using a messaging app that provides an alternate phone number. Do whatever you can

to ensure your privacy.

# are some ways to document your pre-parenthood experience?

## Cupid's Advice:

While this celebrity baby will have a very high profile life, others are not as fortunate to be able to look online and see baby photos of themselves everywhere, or even pre-baby photos of their parents. Below are a few ways that you can document your pre-parenthood experience, even if you and your significant other aren't a celebrity couple:

**1. Scrapbook:** It may be "old fashioned," but having something tangible for your child to look at as they grow up can be very special. Document your time with your significant other through photos to put in a scrapbook. Take pictures of trips that you took together while pregnant, take photos of the first crib, etc.

**Related Link:** [Kanye West Sends Celebrity Love Kim Kardashian Gushing Anniversary Twitter Message One Day Late](#)

**2. Collectibles:** You don't have to make a scrapbook of pictures before the baby comes. Why not create a box full of tangible memories? Maybe your mom found out that you were pregnant and gave you a teddy bear from your youth that you didn't know she kept. Create a box full of memories, or even ideas of memories you would like to create in the future.

**3. Social media:** We obviously can't leave out social media. Create a Facebook photo album, pinterest board, post pictures to instagram, create a vine every day, you name it, you can do it on the Internet.
