How do you balance parenthood and your career?

Cupid's Advice:

It's the 21st century and gender roles have changed. Mothers

and fathers alike are expected to manage both parenthood and careers. Cupid has some advice for how to strike the balance:

1. Weigh the costs: Would it be more economical to pay for day care or to forgo your career and be a stay at home parent? Nobody likes to boil family matters down to money but, unfortunately, cost can determine the more practical lifestyle for you and your child.

2. Consider logistics: In deciding whether you want to work full-time, part-time or be a stay-at-home parent, you have to consider the logistics of daily life. How will you get your child to school? Will that interfere with your commute? Where will your child be while you're at work? These are important things to work out ahead of time.

3. Happiness: Ultimately, the balance between parenthood and your career will not work if you are unhappy. While your child's welfare is, of course, a priority, your own satisfaction needs to be taken into serious consideration too.

How have you managed to balance parenthood and your career? Tell us below.

Beyonce Puts Pregnancy Rumors to Rest by Baring Midriff

What are some ways to avoid pressure to have kids?

Cupid's Advice:

Don't let peer pressure force you into having kids. Cupid has some advice about how to stay above it all:

1. You do you: It's your life so no one has the right to decide when or how many children you want to have. The decision is one hundred and ten percent your own and your partner's, don't let other attempt to sway you.

2. Know what you want: People will be able to change your mind easily if you're not fully sure what you want. Think about the logistics of it all and about how many kids you can really see yourself raising that way if someone tries to convince you otherwise you know your talking points.

3. Follow your instincts: In the end you know what's best for

you. If you get a bad feeling when you think about having more kids, then it probably isn't for you. Kids really effect a relationship, so it's understandable to not want too many. Follow your gut, as it knows what you really want.

Kim Kardashian Calls Kanye West the "Love of My Life"

By Petra Halbur

Last Saturday, Kim Kardashian declared her love for Kanye West to the world via Instagram. On June 8, West's birthday, the *Keeping Up With The Karashians* star posted a collage of photos of her and her beau on Instragram. She wrote, "Happy Birthday to my best friend, the love of my life, my soul!!!!" According

to UsMagazine.com, the couple have been together since April 2012 and are expecting a baby girl in July.

What are some ways to say “I love you”?

Cupid’s Advice:

“I. Love. You.” Over time, those three little words can lose their significance through overuse. That’s not to say, though, that you can’t still find new and meaningful ways to let your partner know how much you care. Cupid has some ideas:

1. Bite the bullet: Take some chores off of your partner’s hands. Volunteer to do the dishes after dinner or to walk the dog. It may not be romantic, but it’s often the the mundane things in life that stand out the most.

2. Spontaneous date night: A bottle of wine and some lit some candles can transform an otherwise ordinary dinner into a romantic evening.

3. Say the words ... and mean them: “I love you” doesn’t have to be a hollow line delivery. Saying them while looking deep into your partner’s eyes and holding hands can make all the difference.

Kim Kardashian and Kanye West Reveal Gender of Baby-to-Be

By Kerri Sheehan

On the Sunday premiere of the new season of *Keeping Up with the Kardashians*, reality television star Kim Kardashian announced that her baby bump is housing a little girl. Her and baby daddy Kanye West will be expecting their bundle of pink joy sometime in July. While out shopping for baby clothes the two have employed stealthy moves to keep the baby's gender a secret. According to [People](#), Kardashian said, "We buy all white, or we'll go and buy both [girl and boy clothing], and then no one will know!"

What are some ways to prepare for a daughter versus a son?

Cupid's Advice:

Preparing for a baby is often an overwhelming task. Cupid has some advice about how to stay on top of things:

1. General supplies: For the first 12 or so weeks you probably won't be able to tell the gender of your baby. This is the perfect time to gather the bare essentials that you would need

gender regardless. Some gender-neutral furniture for the baby's room can be purchased as well as a changing table. You can also take this time to read up about the general birthing process as this will help understand what you will be in for in a few months' time.

2. Getting specific: After the three month mark is generally when you will be able to find out the sex of your child. This is when you can go crazy picking out all sorts of outfits for your baby girl. Clothes in the pink and purple color family will save you from having to answer the question of whether or not your child is a boy or a girl. Also think about purchasing some cute and comfortable headbands for your baby. Who doesn't love a baby with a bow?!

3. Finishing touches: The third trimester is really when you should start making sure you've done everything you meant to up to this point. Your partner can assemble the crib while you make sure you have sheets for the crib as well as a mobile for above the crib. Patterns with butterflies and flowers are perfect for any baby girl.

What are some ways to support your partner during pregnancy?

Cupid's Advice:

You and your love found out there is a baby on the way a few months ago. As it gets closer and closer to the due date, your partner's nerves and concerns begin to intensify. Cupid is here to show you ways to ease their worried minds during pregnancy:

1. Constant support: The best way to show your spouse that everything will be fine is to be there every step of the way. Whenever your partner feels scared of being a parent, make

sure you are by their side. This will show your love they are never alone. When it's time for the baby to come, they know you'll support the family no matter what.

2. Tell them it's ok: The idea of becoming a parent can be a scary one—and that's completely normal. Let your spouse know it is okay to have fears about having a child—and that you are nervous as well. They will feel comforted knowing they are not the only one worrying about the future.

3. Get them excited: Aside from all the responsibilities of becoming a parent, there are of course numerous joys that come with the territory. Remind your partner of the fun things to come—birthday parties, first steps, days at the park. Being a parent has its perks and knowing them will help to ease your love's worried mind.

What are some ways to support your partner's take on fashion?

Cupid's Advice:

It's a strong possibility that your partner could have a different fashion sense than you do. Being in a relationship means you need to be supportive. This being said, there are numerous ways to support your partner when it comes to their take on fashion. Check it out:

1. Embrace: With any hobby, trait or characteristic your mate may have, it is essential that you embrace it no matter what. If your partner loves wearing sweatpants and converse, embrace that. Tell them how much you love their take on fashion.

Express your feelings by complimenting them on their day to day outfits.

2. Gifts: It is easy to support your partner's take on fashion – buy them the clothes and accessories they enjoy. The new Michael Kors taupe bag that just came out, go out and buy it for them. If they like wearing \$400 shoes, splurge and buy a pair for your mate. It will not only show them how much you care about them. However, they will realize that you support them in their fashion sense.

3. Participate: Supporting your partner's fashion sense is easy if you dress the way they do. It may not be anything you would ever wear. However, if you do dress up like your mate, they will see how much you care. So pick a random day, or a weekend at home, a grocery store trip – and dress exactly like your partner.

Dating Advice: 3 Ways to Use the Psychic Edge to Find Mr. Right

By Louise Helene

Celebrities face the same challenges in love as everyone else, only their mistakes and heartbreaks are made public. Many of them seem to be repeating the same mistakes. If they would just listen to their inner intuition, or their “psychic edge,” their love lives would be much happier. Here are a few exercises that can help them *and* you:

Related: [Is That You, Mr. Right?](#)

1. Visualize Your Dream Man

Visualization is a powerful tool not only to draw to us what we want, but to exercise our psychic muscles. When we focus on something, we help the universe send it to us. I psychically feel Kim Kardashian longs for her soulmate. Because of her numerous failed relationships, many people wonder if it will last with Kanye West. Kim should lie down in a quiet place and get comfortable, closing her eyes and taking a few deep breaths. When she is totally relaxed, she should visualize the man of her dreams, being as detailed as possible. Once she has a clear image, she needs to say out loud, “Darling, I will know you when I meet you,” repeating this five times. Kim’s main problem is not recognizing her dream man when he comes along; this exercise will help her –

and you – to do just that.

2. Command Him into Your Life

Never underestimate the power of sound, especially your own voice. Sound vibrations are very powerful in the universe and help us focus intuitively, helping us make the right decisions. Taylor Swift is one celebrity who's famous for singing about her Mr. Wrongs. She could use a psychic nudge to attract Mr. Right.

Every morning when Taylor wakes up, she should look in the mirror, close her eyes and take three deep, relaxing breaths before saying out loud, "Love of my life, come to me." She should say this three times, with confidence and belief, and repeat this mantra before she goes to bed. Done regularly, she might be planning a wedding in the coming year.

3. Write Down the Possibilities

There are many potential conclusions to any romance. Writing down these possibilities gives us a powerful psychic edge. What does your gut say? Just imagine the heartbreak that could have been avoided if Katy Perry, Selena Gomez, or Demi Moore had tried this simple exercise.

Whenever you have a question about a man in your life, write several statements about him down on slips of paper and fold them in half. For example: "he is a cheater," "he loves his ex," or "he is my soulmate." Put all the slips of paper in a bowl. Close your eyes and meditate for a moment before randomly choosing one of the slips of paper. What is your immediate reaction to the statement? Many times our conscious mind suppresses our natural insight. This is a wonderful way to feel the subtle sensations of your own intuition.

Romance is very challenging for all women, famous or not;

that's one thing we all have in common. We need to start using our psychic edge to find the happiness we deserve.

Celebrity Couple Kim Kardashian and Kanye West Spend Easter Weekend in Paris

By Andrea Surujnauth

Kim Kardashian and her beau, Kanye West, were seen strolling

around Paris on April 2nd looking at baby clothes for their daughter who is expected to arrive in July. Kardashian, who seemed to be getting a lot of heat for her outfit choices, was wearing an all black ensemble that generously covered up her growing baby bump reported UsMagazine.com. Critics have been keeping a close eye on the reality stars outfits and making comments every chance they get. However, Kardashian refuses to let the comments bring her down. Kourtney warned me when you become a mom and become pregnant, there will be this whole new group of critics that will criticize me for everything you do," she said on *Good Morning America* on March 26. "If I wear one color clothes, I'm in this kind of mood. Or if I wear heels, they're harmful." The star went on to explain why she doesn't care for flats and would rather opt for the heels instead. "You know what, they actually hurt my back. I love high heels ... Whatever makes me feel good, I want to wear. And I love wearing heels. I'm trying the flats, but we'll see." Kim and Kanye have reportedly been dashing around Paris all week buying baby clothes. Just the day before, on April 1st, the two were shopping at Bonpoint, a french children's store. On March 30th they were also spotted racing around the city in a black sports car, once again shopping for their bundle of joy.

What are some ways to involve your man in your nesting process?

Cupid's Advice:

Your carrying the baby, your feeding the baby, what's your man doing? Chances are he is eager to somehow get involved with your pregnancy but there is really not much he can do until the baby is actually born. How can you get him involved in this stage of the baby's life? Cupid has some suggestions.

1. Take child birth classes: Bring your sweetheart to your childbirthing classes. This way they will know what is

going on during delivery and they will feel like that are a part of the experience.

2. Go shopping: Kanye and Kim have the right idea with this one. Going shopping for baby clothes and furniture is a great way to get your man involved with the pregnancy. This way the two of you are spending time together and making important baby-related decisions together.

3. Decorate: Decorating and setting up the nursery will help your man feel involved with the baby preparations and he will feel that his manly nature is being put to good use. Get him to paint and put the furniture together so he feels needed.

Celebrity Mom: Kim Kardashian Admits Pregnancy Is Tougher Than She Thought

By Andrea Surujnauth

Kim Kardashian shared the experience of her first pregnancy with [People](#), and unfortunately, her experience is not what she expected. “Being pregnant is not as easy as my sister [Kourtney] made it look or as my mom [Kris Jenner] has made it look,” Kardashian told *E!*. The 32-year-old admitted that she hasn’t been able to be as active as she usually is. “It’s a little painful. I’ve gotten sick a couple times, and that puts you out. I like to be active ... but I’ve been chilling out. I took a week off just to rest. It was amazing,” she said. And what has Kim Kardashian been craving throughout her pregnancy so far? “I’m craving carrots and ranch dressing,” she said. “I used to love sweets – not anymore. [I] can’t even eat chocolate.” This will be her and her boyfriend, Kanye West’s, first child.

What are some ways to help your partner through the tough parts of pregnancy?

Cupid’s Advice:

When your partner is pregnant, it may be difficult to figure out what you could do to help her out. You see her getting sick constantly and feeling tired most of the days. What can you do to help her? No worries, Cupid is here with some

suggestions for you:

1. Nausea: Help your sweetheart through her morning sickness by keeping the house stocked up with ginger ale, crackers, and ginger or peppermint tea. All of these remedies can help her and if you're the one to serve it to her, she will be extremely grateful!

2. Exhaustion: While pregnant your love may feel tired most of the time. Help her out by doing some of the household chores so she will have some extra sleep time.

3. Pain: Being pregnant can also be a painful experience. Having a little person kick you from the inside is definitely not a walk in the park. The weight of her growing tummy is also taking a toll on her back. Give her a backrub before bed. This will do wonders for her. And remember, a happy mommy is a happy baby!

Kim Kardashian and Kanye West Are Expecting a Baby Girl

By Jessica

Conigliaro

Celebrity couple Kim Kardashian and Kanye West recently discovered they're having a baby girl—and couldn't be happier about the news. UsMagazine.com reports a good friend of the couple saying "They're over the moon... Kanye always wanted a girl." Back in January, Kardashian appeared on *Jimmy Kimmel Live* saying, "If anyone knows Kanye, they just know how into fashion he is, and I think he's going to have things specially made."

How do you prepare for a baby boy versus a girl?

Cupid's Advice:

You just heard the news that you're having a baby girl—what do you do now? Finding out the gender of your baby certainly makes everything feel more real. There's not just a growing baby inside you anymore; there's a growing baby girl. Cupid offers some tips on how to prepare:

1. Pink vs. Blue: One of the most exciting parts of pregnancy is nesting, which occurs when the mother-to-be prepares for her baby. Painting the baby room is a major step. Once you find out it's a girl, get ready to buy a lot of pink paint, furniture, and toys!

2. Dress shopping: What mother doesn't enjoy dressing up her baby? If you're having a girl, start shopping for those little dresses—what you've been waiting to do forever. If it's a boy, how can you resist those tiny dress shirts and ties? Buying baby clothes will get you excited to meet your new baby.

3. Gender parties: Finding out the sex of your child is such an exciting and memorable moment. Why not share the occasion with family and friends? Let one of your friends learn the sex of the baby before you and your partner; have them buy a cake with either pink or blue frosting inside—depending on the baby's gender. At the party, the soon to be parents get to discover the sex of their child in front of all their loved ones after slicing the cake. You get to celebrate your baby before he/she even arrives!

From Kanye and Kim to Justin and Jessica: Which Celeb Couples are Really Compatible?

By Stephanie Caramel

li

We see them on the red carpet, walking through the airport or taking a stroll on the beach. Celebrity couples are everywhere and we can't get enough of them. Supermarket magazines fly off the shelves when there's a famous couple on the cover.

So how compatible are these celeb couples when there's no paparazzi around? Gary Goldschneider's bestselling book "The Secret Language of Relationships" offers a very revealing look at different relationship combinations. Let's put some of Hollywood's hottest relationships to the Secret Language test:

1. Kim Kardashian and Kanye West: This relationship combo is all about being center stage. It almost always focuses on issues greater than the partners' feelings for each other. Marriage is possible, but this relationship dynamic is more about Kim and Kanye's joint impact on the world, and less about true love.

2. Justin Timberlake and Jessica Biel: One word: boring. Love affairs between these two are affectionate, but rarely passionate. Jessica and Justin's marriage could go for years

at a very ho-hum pace. The relationship will be satisfying, but uneventful.

3. Channing Tatum and Jenna Dewan: Channing loves spoiling Jenna and feels like her protector. This combination is good as long as they don't keep secrets from each other. Tatum and Jenna really need to relate on a deep, emotional level for this marriage to work. Overall, though, it's a winning combination and ideal for marriage.

4. Blake Lively and Ryan Reynolds: Sparks definitely fly between Blake and Ryan. Love affairs in this combination are extremely passionate, but there is an emphasis on superficial things that could be destructive in the long run. For these two, the chemistry is great, as long as they don't lose their looks! The combination is most ideal for a love affair.

5. Gwen Stefani and Gavin Rossdale: The relationship between Gwen and Gavin can work, as long as power trips don't get in the way. Love and marriage can fall apart in this combination if one or both of the partners let their ambitions get out of control. Gwen and Gavin are better suited as friends.

Kim Kardashian Tells the Judge She Needs a Divorce Now for Her Baby's Sake

By Meghan Fitzgerald

Kim Kardashian is trying her best to end her marriage with Kris Humphries before her baby is born. According to [People](#), Kardashian stated “I firmly believe that an immediate dissolution of our marriage will help create a new, full life for me.” Kim explained in court that she is pregnant with another man’s baby, not Humphries. [Huffington Post](#) reported that Kim simply did not wish to be married to Kris since she is having a baby with current beau, Kanye West. Kim is struggling through paper work and court appearances trying to make a good life for her baby.

What do you do if you have a baby with someone else before you're divorced?

Cupid's Advice:

Having a divorce is stressful, and learning to love after a divorce is challenging. If you do find another person who you love after a rough divorce, hold on to that. If you happen to get pregnant, do not worry about it. Cupid has some advice:

1. No worries: Don't worry about a single thing, worrying about how your soon to be ex-husband may feel about your new child will only stress you out more. You have to focus on yourself and your family to be. There is no need to concern the troubles which might occur, simply focus on you and your incoming child.

2. Explain the situation: Talk to your soon to be ex-husband about the situation going on. If you thoroughly explain what is happening in your life at the moment and how happy you are, he will hopefully understand. If he doesn't understand, that is his fault and not yours. You are moving on with your life and should not be punished for being in love.

3. Life goes on: You must realize that your life has to go on! You can not wallow in your own self despair and constantly be sad. You must soldier on darling. Put on your big girl pants and trump your way on.

What are some alternatives to expensive jewelry for "just because" gifts to your partner?

Cupid's Advice:

Giving gifts to your loved one is a great way to show your appreciation. Fortunately, that does not mean you have to empty your bank account in order to do so. There are countless ways to give that special someone a gift without going broke. Here are some presents straight from the heart without the heartbreaking price tags:

1. Bake for your beau: Who wouldn't have a smile on their face after receiving freshly baked goodies from their sweetheart? Baked goods are excellent presents for that special someone. Pillsbury cookie dough: \$3. Super Moist cake mix: \$2. The look on your partner's face after receiving these yummy presents: Priceless!

2. Make a scrapbook: Show your significant other that you appreciate every moment with them. Make a scrapbook of all of those wonderful memories that you hold deep in your heart. The best gift to get from the person you love is a sign of appreciation and love, a scrapbook would do just that.

3. Plan a "stay-cation": Rather than taking your sweetheart to an expensive trip in Paris, plan a trip right in your own town. Visit museums and historical aspects of your town. Go to a relaxing park in the area. Pamper your loved one in the comfort of their own home by creating an at-home spa. Make tropical drinks with the fruits in your refrigerator. Creating a vacation can be just as enjoyable as going on one.

Kim Kardashian Says She Would Love to Be Divorced

By Meghan Fitzgerald

Kim Kardashian wishes to be legally single again. She wants to commit herself to her current boyfriend and baby daddy-to-be Kanye West. According to [People](#), Kardashian is done with all of the rumors and wants to settle down in life with someone who is worth her love. Her retort to rumors that her marriage to Kris Humphries was all for press is, "...that staying married for the sake of the public's opinion is what *really* would have been fraudulent," according to [Hollywood Life](#).

What are some reasons to start dating before your divorce is finalized?

Cupid's Advice:

1. Love: Love is love. You can't stop the movement of love

upon another person. Love is a strong gust of wind that comes in unexpectedly and is only embraced, never pushed away. Even though the divorce may not be finalized, you shouldn't be penalized for falling in a deeper love than your soon to be ex-husband. If you believe that you love another person, don't wait until the divorce is finalized, don't lose that person by waiting. Go for it.

2. Rough divorce: Experiencing a turbulent divorce can take a heavy toll on a woman. Their vulnerability is high, their confidence is low, they're looking for someone to treat them better than their ex did. Trying to rid themselves of these horrendous feelings, it is okay to jump in and start dating again. You need to find a sense of hope and love in the world because your life lacks both of the two. So don't feel bad to try and find love again, you deserve it.

3. Emotions: Your emotions are most likely scattered if you are going through a divorce, whether it was a rough divorce or not. Dating again will inevitably settle out the mixed feelings.

Kim Kardashian and Kate Middleton Are Both Expecting in July

By Nic Baird

Kim Kardashian and Kate Middleton each revealed this week that they are due to have their first child in July, UsMagazine.com reports. The Duchess of Cambridge revealed the news on Monday, while Kardashian shared her due date on the *Today* show on Tuesday. Kardashian has faced criticism over her pregnancy with boyfriend Kanye West, despite being still legally married to Kris Humphries, though she filed for divorce in 2011.

How do you keep your pregnancy under wraps at first?

Cupid's Advice:

Maybe you haven't figured out all the details of your pregnancy and birth, or maybe you're not ready to announce it to the world, but whatever the reason you have a right to keep your affairs to yourself. Make sure that you're doing it for the right reasons, and never shy away from confronting your long term plan. Otherwise, complications will keep building up!

1. Trust someone: If you think your relationship is too rocky, find a friend or a family member, but don't try and keep this a secret by yourself. This is a crucial time when you need support in your life, don't be a lone wolf. Two heads are better than one, so find another.

2. Focus on yourself: Sports, exercise, art, music, new skills, new projects, and anything that is healthy to do in your condition. Research how you can be healthier as a pregnant woman, and find the knowledge you'll need as the child develops. Take up your time with these productive ventures and you'll have a way to acknowledge your secret without sharing it.

3. Camouflage: Actively trying to hide something takes work. Make sure you have excuses for any pregnant behaviour, like sickness, appetite, or energy. Obviously your wardrobe will have to simultaneously conceal your pregnancy without drawing attention to your stylistic choices. Again, having a friend for a second opinion could help a lot!

Is Kim Kardashian Still Upset that Kanye West Shared Their Pregnancy News? What Their Body Language Tells Us

By Jared Sais

When Kanye West recently publicized that he and his girlfriend Kim Kardashian are expecting their first child at his concert in Atlantic City, some reports indicated that Kim wasn't thrilled with her beau's impromptu announcement. But after ringing in the New Year together and with their bundle of joy arriving in only a few months, our celebrity detective analyzed some recent photos to see if Kanye is still in the doghouse and if he will be keeping up with this Kardashian for the long haul.

Related Link: [Kim Kardashian Steps Out and Embraces Pregnancy Curves](#)

Picture #1: Holding Hands (moving clockwise from the top left)

From the time we are children, we learn that holding hands is not only a way to show comfort and unity, but it's a form of affection as well. Since we get pleasure simply from the act of touching, holding hands naturally feels right, especially when it's with those we genuinely care about. That's why I

always tell students in my seminars that frequent massages are one of the keys to a healthy relationship. In this photo, it's easy to see that Kimye are definitely feeling secure and strong in their love for each other. Kanye leads his girlfriend in the traditionally dominant position with open body language and a broad, slightly puffed out chest.

Kanye has his other hand in his pocket (usually a defense mechanism designed to shield one's self from discomfort) and is sporting a half-full smile (possible sign of preoccupation or worry). Even so, it could be nothing more than an indication that, unlike his bombastic stage persona, the rapper is still unaccustomed to having his personal life – especially his relationship – on display for all to see.

Picture #2: A Genuine Gesture of True Love

If you thought holding hands was cute, look how Kanye and Kim exchange two of the most frequently used non-verbal signs for attraction: Kanye with his arm wrapped around Kim, pulling her close, and Kim with her hand literally latching on to Kanye. This is certainly a common display of affection for Kim, who employed the same clothing grasp on her (not yet ex) husband Kris Humphries. This expression of fondness is at least consistent, if not genuine.

Kanye's left hand is still in his pocket, and he's continuing to exhibit his uneasiness with his surroundings (bizarre as it might seem for someone as brash as Kanye). Just because he is a performer doesn't mean he is immune to wanting to shy away or hide from time to time. But since celebrities don't always have that luxury, the most frequently employed non-verbal is to place your hand as close to yourself as possible in a comforting, defensive position.

It's what he is doing with his right hand that tells me that Kanye genuinely loves Kim. He embraces her with an open hand, showing that he is open to her love and is allowing himself to

be a little vulnerable.

More importantly, Kim and Kanye employ two of the distinct signs of non-verbal flirtation by smiling while gazing into each other's eyes (despite him getting caught mid-blink) and tilting their bodies towards each other. As we learned in my previous article about J. Lo and Casper Smart, closeness implies closeness, and once again, these two are inseparable.

Picture #3: A Perfectly Posed Photo

Despite the fact that this photo features a posed Kanye and Kim (meaning they both had time to prepare themselves), it is nonetheless revealing. A picture does say a thousand words, and in this case, the picture says adorable, as it perfectly captures their feelings for each other. Their arms and hands are interlocked, but like everything, the devil is in the details. Time to break out the trusty magnifying glass! Zoom in on their hands, and you will see that Kim's left thumb is positioned directly on Kanye's left hand in an almost-caressing manner, an obvious and revealing sign of love and affection.

Kim is absolutely glowing, and even though a Lance Bass look-a-like is giving a more natural smile in the background, it is clear that she is very much in love with Kanye, evidenced by her tilted head that is gently nuzzled into Kanye's. As for Kanye, though he is not smiling, his chin is up and his right eyebrow is raised just a bit, displaying how proud he feels about his relationship with Kim.

Conclusion

Kim is head-over-heels in love with Kanye and has definitely forgiven him for letting their pregnancy news slip. While Kanye might be in more of the lust phase now, by the time

their child is born, I suspect that he 'll prove that this relationship can only be "made in America." It's a love that will last much longer than many people expected.

Kim Kardashian Steps Out and Embraces Pregnancy Curves

By Michelle Danzig

Kim Kardashian isn't afraid to show off her pregnancy curves, UsMagazine.com reports. Only three months pregnant, Kardashian sported a sheer black shirt and black bra on the red carpet of 17th annual ICED Festival at Cowboys Dance Hall in Calgary, Canada, on Friday. With little to no sign of a baby bump, Kardashian, 32, said she feels good, but is definitely adjusting to all the changes in her body. Her boyfriend, rapper Kanye West publicly announced her pregnancy the day

before New Year's Eve at a concert in New Jersey. To stay in shape during her pregnancy, the *Keeping Up With the Kardashians* star is working with celebrity trainer Tracy Anderson, who helped sister Kourtney Kardashian lose 44 pounds in six months.

What are some ways to encourage the mother of your child to embrace her new body?

Cupid's Advice:

Weight gain and body changes are inevitable during pregnancy. Add in the increased hormones and women become extra sensitive about their appearance. Because it may be difficult for the mother of your child to embrace her new figure, here are some ways you can help her feel more confident and beautiful:

1. Tell her she looks beautiful before she even asks: When women aren't pregnant they will ask the inevitable, "Do I look fat in this?" question. If you spontaneously tell your partner that she looks beautiful, she will feel more comfortable in her new body.

2. Encourage her to wear something form-fitting: Most women work extra hard to cover up their baby bump. If you occasionally suggest that she wear the black dress you like so much when you go out on your dinner date, she may feel better showing off her curves.

3. Touch her—and her belly!: Show her some affection. Many men find pregnancy extremely attractive on women. Show her that you still find her body beautiful by touching her more often. Cuddling or simple just rubbing her belly will show that you appreciate the way she looks.

Pregnant Kim Kardashian and Baby Daddy Kanye West Spend NYE in Vegas

By [Jessica DeRubbo](#)

Kim Kardashian didn't let her recently announced pregnancy keep her inside for New Year's Eve, according to [People](#). In fact, she did the opposite, as she and baby daddy Kanye West attended a party in Las Vegas. "I wish I could share a drink with you all, but I can't for a little while," she told the crowd at Mirage's 1 OAK. When the clock struck midnight, Kardashian and West shared a passionate kiss while the crowd was cheering and confetti was flying. "It's been so exciting," said Kardashian about finding out she was pregnant. "We're very, very happy."

What are some ways to celebrate holidays when you're pregnant?

Cupid's Advice:

It can be tempting to join in the fun with a drink on holidays, but when you're pregnant, it's not an option. Cupid has some alternatives:

1. Flavored sparkling water: You may not be able to drink champagne, but that doesn't mean that you can't indulge in a sparkling refreshment with everyone else. Make a drink that looks and feels like the real thing instead.

2. Eat instead: One of the good things about being pregnant is that no one's going to judge how much you eat when you're eating for two. Plus, your body needs more food than it used to need. Indulge in some yummy snacks to take the place of drinking!

3. A glass of wine: Many doctors these days admit that having one glass of wine every now and again isn't going to hurt your baby. Make sure to check again with your personal doctor, but a strategically timed class of red wine will help you feel part of the holiday fun.

By Nic Baird

Kanye West announced at a Sunday concert in Atlantic City that he and girlfriend Kim Kardashian are expecting a child, according to [People](#). During the last song, "Lost in the World," West cut the music and asked the audience to applaud for his baby mama. Kardashian confirmed her pregnancy in a blog post. "Looking forward to great new beginnings in 2013."

What are some ways to celebrate your pregnancy with your partner?

Cupid's Advice:

If you're going to become a parent, you shouldn't stop congratulating yourself. Make sure you and your partner take time to reflect on your happiness together. Be excited! Here's how you can channel your elation:

1. Throw a party: Don't be too shy to share the good news! Throw a party together to announce the pregnancy. It's a great way to get the word out and express how excited you are to become a parent. Don't forget baby showers either. There are many opportunities for you and your partner to celebrate an upcoming child with friends and family.

2. Find new activities: They'll have to be some lifestyle changes during the pregnancy, so maybe you need to look at new activities you and your partner can do together. It's important to stay active, but reduce stress. Explore your options, and find activities that will work as quality time for you and your partner.

3. Prepare for the baby: A great way to celebrate a child is to get things ready for after the birth. Research what you'll need to get for a healthy baby, and understand how you'll have to change your home. The anticipation you'll share with your partner will help build the excitement!

12-12-12: Show Your Love & Support for the Victims of Hurricane Sandy

Here at

CupidsPulse.com, we saw firsthand the true devastation caused by Hurricane Sandy. Our offices were located in the center of the storm, and we feel very fortunate that only a portion of our office was impacted. We were out of power for 13 days, but that is nothing compared to what so many other people faced – and are still facing. Many New Yorkers continue to experience distress: they have no place to live, their personal belongings are gone and they have no place to celebrate the holidays.

In hopes of helping these people rebuild their lives and their homes, a very special event takes place tonight: “12-12-12,” the biggest concert ever staged at Madison Square Garden, will begin at 7:30 p.m. EST and focus on the impact of Hurricane Sandy. The concert includes performers such as Bon Jovi, Eric Clapton, Alicia Keys, Kanye West, Billy Joel and The Rolling Stones. Additionally, stars including Leonardo DiCaprio, Jake Gyllenhaal, Adam Sandler, Kristen Stewart, Jessica Chastain and more will participate in the show to help the victims of the Superstorm.

Every single penny raised by the telethon will go to organizations serving the victims of Hurricane Sandy through the Robin Hood Relief Fund, which provides money, material and know-how to local organizations that are serving those hit

hardest by the storm. Moreover, Tommy Hilfiger has agreed to donate t-shirts as part of the merchandise offerings for “12-12-12.”

If you can't be there in person, “12-12-12” will be distributed to nearly two billion people through television feeds, radio and online streaming. Given that the holiday season is all about love, be sure to tune in and show your support to the many New Yorkers still suffering.

Extravagant Hollywood Couples' Gifts Within Reach of Your Budget

By Shelly Cone

Ah, to be in love around the holidays! The peace, the goodwill ... and the gifts. Of course, any holiday gift from your loved one is special, but if you happen to be in [celebrity relationship](#), you can bet that special comes with a high price tag. As the holiday season draws near, we can only guess at what some of the most celebrated Hollywood couples are buying for each other. But based on what some celebrity couples have already given each other this year, it's likely there will be some luxury under their trees.

Hollywood Couples' Over-the-Top Gifts

There's no word yet on what gifts newlyweds Justin Timberlake and Jessica Biel will exchange for their first Christmas as a married celebrity couple, but with thoughtful Timberlake, it must be something good. When they wed earlier this year, he gave his new bride four stackable wedding rings that matched her 18-karat celebrity engagement ring.

Jennifer Lopez's celebrity love Casper Smart will likely be waiting with anticipation at what lays under the tree for him

this Christmas, considering Lopez gifted him with a white Dodge Ram truck for his 25th birthday this year. And when [Kim Kardashian](#) went birthday shopping for beau Kanye West (maybe she's hoping for a ring this Christmas?), she selected a \$750,000 Lamborghini as a gift. Wonder how she'll top that!

Then, of course, there's the queen of gift-giving [Angelina Jolie](#), who reportedly has bestowed on her husband a \$1.6 million helicopter with flying lessons and a \$12,000 olive tree, among other things. Last Christmas, she gave Brad Pitt his own waterfall in California so that he can build his dream home.

So if you're not a member of the elite or in a Hollywood couple, how do you express your million dollar love without spending that much? Maybe you can't buy your loved one a waterfall or a helicopter, but you can buy a gift that can help satisfy a passion for travel. Gifts for travelers can be extravagant or fit into any budget. If you are in California, a simple hike to the Nojoqui Falls in the Santa Ynez Valley or water rafting on the Kern River can easily fit into any budget and may be a fun substitute for giving your love a waterfall this Christmas. Just remember to gear up with some gifts for hikers before your trip!

For an even more budget-friendly gift, print out photos of him in his various travels and frame them in variety of sizes in a montage to his international experiences. Make sure the photos capture him looking his most worldly and he'll be ecstatic about showing off your gift.

Maybe your honey isn't so much into travel, and instead, the waterfall is the thing that calms the senses of your practicing yogi sweetie. Help your gentle one find their peace without having to book a trip away from home. Some yoga DVDs can help them find their center. Add some yoga accessories, and you'll be their hero – the kind, sensitive hero with the great abs.

Who wouldn't want a luxury car? Unless you're a socialite or a member of Hollywood royalty, keep dreaming. We'd all like that spectacular sports car as a gift, but the average person will be overjoyed over any gifted vehicle. Show your love you care for them as well as the environment with an eco-friendly (and budget-friendly) Honda fit. For less than \$20,000, you can give your better half the nimble and fun to drive car that U.S. News and World Report ranks the number one affordable small car. With 28/35 miles per gallon, the Fit will prove to be a great fit for your bank account and your environmentally responsible sensibility.

But perhaps you want to put a sparkle in her eyes. While I'm sure the new Mrs. Timberlake is thrilled with her bling, it may not be in your best interest to buy the girl in your life a ring, unless she is The One. If you want the bling but want to keep things on the lighter side or maybe you've already given her that sparkler and want to buy her something fashionable, check out DuePunti Diamond Rings. The ultra affordable rings come in a variety of fashionable colors perfect for stacking along with a .02 ct. diamond ring in the center of each one. Your lady can mix and match or wear them all. And with the price, you can afford to buy several!

Your wallet may not be loaded, but there's no doubting the love in your heart. Take a cue from those extravagant gift-giving celebs and buy something fantastically thoughtful but totally within reason. You don't have to spend Kardashian money to give someone a happy holiday!

Pal Says Kim Kardashian Hopes to Get Engaged and Pregnant Post-Divorce

By Jennifer Ross

Kim Kardashian wants to start planning for her future with Kanye West; that is once her divorce papers come in. Kardashian, 32, recently set the record straight to UsMagazine.com, confirming that she is not pregnant nor having a “surprise wedding” with West. Technically, she her divorce

to Brooklyn Nets Kris Humphries is not official and continues at a snail's pace. However, a close source reveals that the couple does have a plan for their future. "Kim thinks they'll get engaged and try for a baby once the divorce is final...Kanye is actually being very patient." All that is needed is ink to dry on Kardashian's walking papers.

What are some things to be careful of in a relationship after your divorce?

Cupid's Advice:

Dating again post-divorce can be both exciting and challenging, especially if you have been off the market for quite some time. While you may feel you are ready to start a love life once more, there are many things to be careful about in new relationships. Some things will be obvious and some will sneak up on you. So to get you started, here are a few no-no's to think about when saying yes to a date:

1. Jumping in too soon: While there is no set time for when to start dating again, you can jump into the dating pool too soon. The main thing to focus on is whether you have healed from your divorce. Taking the time to get to loving your single self and realizing what you did wrong before will help you not to make the same mistakes again.

2. Comparing your ex to your new partner: One thing a potential partner hates is being compared to the ex or even listening about him/her over dinner. So try not to do it. While you do not want to find an exact replacement to your ex, keep in mind that every person is different and will not necessarily act the same as your ex in a similar past situation. Bottom line, keep your ex in the past.

3. Repeating the same mistakes: A common thing to do when you are not ready to date is to repeat the same mistakes. This usually happens in not taking the time to analyze what went

wrong in your previous marriage and what responsibility you had in those mistakes. Without unlearning the wrong way and relearning the right way to handle a conflict, you are doomed to repeat.

By Daniela Agurcia

yourself won't get you anywhere, and won't help you move on to bigger and better things, which is what you should want. Regardless of the reasons of why you and your partner ended things, you should want to look better than ever and get back into the dating scene.

You rebound to find that hot and heavy romance you were lacking in your previous relationship, and that's just what these celebrities did:

2. Eva Longoria and Eduardo Cruz: It was a tragic ending for Desperate Housewives star Eva Longoria's three-year marriage with Tony Parker when he was found cheating. Just months later in February, 2011 the latin beauty began dating a man ten years younger than her, Penelope Cruz's brother, Eduardo Cruz. The on and off again couple keep laying on the PDA that has the unavoidable sparks flying between the two. Post-divorce has never looked so good, having now dated someone younger has the star looking younger and hotter than ever.

3. Ashton Kutcher and Mila Kunis: Even though Ashton Kutcher and Mila Kunis were always rumored to have a fling with one another after years of filming *That 70's Show* together, it's finally official. It was never the right timing between the two since Kutcher was married for the past six years to 49-year-old Demi Moore. But ever since last November, when Moore and Kutcher split, rumors have been flying and Kunis was finally captured smooching Moore's ex at an LA party. We can't all help but wonder how it feels for Kutcher, 36, to go from dating a woman 13 years older than him to almost ten years younger than him. Even the new pair is trying to keep their distance in public as a respect for Moore, their chemistry is raging and you can see the love from miles away.

Kim and Kanye Double Date with Scott and Kourtney on Halloween

By Nicole Weintraub

Sisters Kourtney and Kim Kardashian double dated for Halloween in Miami with their respective men – Scott Disick and Kanye West, according to UsMagazine.com. The sisters are currently filming *Kourtney & Kim Take Miami* where they went out on a double date with their boyfriends, deciding to not have a big extravaganza for Halloween this year. Kourtney, Disick and West wore light colors in white and beige while Kim stood out in black leather pants and a black mesh top revealing a black bra underneath. Ever since Kim and West have come out as an official couple, he has been helping dress her. Kim and West have just recently starting dating, but have been friends for several years. Kourtney and Disick have been together for several years, having two children together.

Is double dating a good idea?

Cupid's Advice:

Double dating can be a great way to relieve the pressure, or it can be a disastrous way of ruining your one on one time with your date. Here are ways it can be good or bad:

1. The more the merrier: While it may be a good idea to have a double date or even a group date in the beginning of dating, it can also take away from one on one time. Double dating is a great way of relieving tension and keeping the conversation going, but it takes the intimacy away from an actual date.

2. Different relationships: Kourtney and Scott have two children together while Kim and Kanye are in a brand new relationship. If you are going to double date, try to go out with a couple that are on the same page with their relationship. The more the two couples have in common, the more there will be to talk about.

3. Four different people: A double date can quickly go from two couples spending time together to four people hanging out with one another. Make sure that while you are still conversing and spending time with the other couple that you are not ignoring your partner.
