2. They are more secretive: This is probably the most obvious sign that something is awry in the relationship. Couples shouldn't keep secrets from each other. 3. An overall change in behavior: If your partner's mood and behavior have done a complete 180, there must be a reason for it. The celebrity couple who travels together, stays together! What are some ways going on a trip together can strengthen your relationship?

Cupid's Advice:

You don't have to be a celebrity couple to travel together. Why wouldn't you want to travel with your partner, anyway?

Cupid has three reasons that traveling with your partner is a great idea.

1. Sharing adventures: By going on trips with your partner, you get to share whatever adventure you're going on. Even if it's somewhere that seems like it would be no big deal, such as visiting family, bring your partner along! There are memories to be made!

Kat Von D and Deadmau5 Call It Quits

Kat Von D and Deadmau5 have broken up ... again. According to UsMagazine.com, on June 26, Kat tweeted that she had ended her engagement to the deejay on grounds of infidelity. Deadmau5 clarified on his Facebook page that he did have relations with another woman while he and Kat were taking a break last November. "Following that, Kat and I reconciled and I acknowledged being intimate with another person while we were estranged ... At the end of June, it was clear that the relationship was not working and we mutually ended the engagement. I was not, at any point, unfaithful to Kat during our time together."

How do you know when it's time to call it quits on a relationship?

Cupid's Advice:

Sometimes it's difficult to tell if a relationship is worth salvaging or not. At what point do you know it's time to break up? Cupid is here to help:

1. The bad outweighs the good: Every relationship has rough patches. However, the good parts of a relationship ought to outnumber and outweigh the bad. If this isn't the case, then you need to seriously reconsider your relationship.

2. You're holding each other back: If you or your partner have turned job offers down, forgone opportunities to travel or rejected other exciting propositions for the sake of your relationship, you two need to discuss if this relationship is really the best thing for you both.

3. You're not happy: Ultimately, if you are unhappy in your relationship, that is reason enough to end it.

Six Famous Relationships That Started with Celebrity Scandals

By Jessica Smith

Nothing in Hollywood is juicier than a celebrity scandal. Many Hollywood couples work through humiliating experiences while dating, including Kim Kardashian and Reggie Bush, who went through a sex tape scandal; Justin Bieber and Selena Gomez, who recently dealt with Bieber's accusation of getting a fan pregnant; and Miley Cyrus and Liam Hemsworth, who had to deal with negative press on Cyrus' sexual antics.

Many of us can relate to similar problems on a smaller scale, but it can still be exhilarating and deeply saddening to watch our favorite famous relationships let us down in these ways. Sometimes, celebrity couples even begin their love lives under this sort of scrutiny. Although not all celebrity affairs work out, some blossom into long-lasting relationships and love. Here are six famous couples that made the headlines with their scandalous splits, affairs, and ensuing sprint to the altar.

Celebrity Scandals That Turned Into Celebrity Relationships

1. Brad Pitt and Angelina Jolie: After being married to the beautiful Jennifer Aniston for five years, Brad Pitt and Aniston's relationship began to fail when he confessed his love for Angelina Jolie. Pitt and Jolie worked together on the set of *Mr. & Mrs. Smith* as a sexy spy couple, and they took their on-screen romance off-screen – even while Pitt was still married. The humanitarian couple has now been together for seven years. We can thank their six children for pressuring them to get engaged, so they can *finally* tie the knot.

2. LeAnn Rimes and Eddie Cibrian: These two stars met on the set of *Northern Lights*, where their characters' relationship spiraled into a real-world celebrity affair that ended both of their marriages. While LeAnn Rimes and her ex-husband Dean Sheremet claimed to go their separate ways with plans to remain loving friends, Eddie Cibrian's ex only had negative things to say about him. Rimes and Cibrian are now happily married.

3. Richie Sambora and Denise Richards: This was a celebrity scandal that cost Denise Richards a friendship but gained her a new man. Richie Sambora was married to Heather Locklear for 12 years before things started to get shaky between them. Richards encouraged her good friend Locklear to file for divorce, and despite girl code, Sambora and Richards were caught making out like teenagers a few weeks later. This seemingly-forbidden romance also required Sambora and Richards to deal with some pretty messy divorces of their own. Unfortunately, their relationship recently ended.

4. Tori Spelling and Dean McDermott: Tori Spelling and Dean McDermott fell in love on the set of the Lifetime movie *Mind*

Over Murder, but they were both married at the time. The two quickly separated from their spouses. Before either one was legally divorced, they decided to announce their celebrity engagement. The two were married just a month after Spelling's divorce was finalized, and they have been married since 2006. They have three children and recently announced that they are expecting their fourth celebrity baby.

From Celebrity Affair To Celebrity Engagement

5. Jesse James and Kat Von D: Jesse James and Sandra Bullock were married for five years and had just adopted a son together when rumors began about James' unfaithfulness. After confirmation of numerous affairs, Bullock filed for a celebrity divorce and decided to raise her son as a single parent. Not soon after, James started dating tattoo artist Kat Von D. The two made it as far as an engagement, but they never made it to their wedding day.

6. Blake Lively and Ryan Reynolds: Although the two didn't date immediately after Ryan Reynolds' divorce from wife Scarlett Johansson, it's believed that Blake Lively was a factor that led to their split. Considering their marriage seemed to be going smoothly, their celebrity divorce announcement was surprising. The actor jumped from one serious relationship to another, as the celebrity couple was recently spotted house hunting.

How do you know when your relationship is over for good?

Cupid's Advice:

1. Your relationship is unstable: If your friends and loved ones can't keep up with your relationship status, it's time to call it quits.

2. No change: When neither of you are trying to change what is wrong in the relationship, than there's no point in keeping the relationship going.

3. It's okay to let go: Sometimes we can become familiar with a person and become scared to move on. The thing is, if moving on means being happy, than a little fear is worth it.

In the end, home is where the heart is, and my heart's with him. " Unfortunately, the couple couldn't keep doing the long distance thing.

What are some ways to keep a long distance relationship strong?

Cupid's Advice:

Surviving a long distance relationship can be tough. Cupid has some tips on how to prevent letting distance loosen the bond:

1. Communicate: Make an effort to frequently communicate. You're probably both caught up in your daily routines, but

make sure to schedule a regular time to talk to your loved one via skype or phone. You can also keep each other up-to-date via email and text, but it's important that you hear each other's voices.

2. Visit: Of course the sound of your partner's voice isn't always going to be enough. You'll need some physical contact in order for the relationship to persevere. Take turns making trips to see one another, and make sure that you share the responsibility equitably.

3. Trust: Starting a long distance relationship means unforeseeable changes and challenges in both of your lives. If your partner starts forming new circles of friends or engaging in new activities, don't assume the worst. Just take a breather and have faith that your partner will remain loyal to you.

How do you know if you can trust your partner after past indiscretions?

Cupid's Advice:

After your mate is unfaithful, it's hard to trust them completely again. Cupid has some tips on how to know if your partner really has changed for good:

- 1. Accept the apology:** If your partner made one mistake and is truly sorry, think before throwing away your entire relationship. Give your mate another shot if you feel they are being genuine.
- 2. Don't forgive multiple affairs:** If your significant other

has had multiple indiscretions in the past and doesn't seem fully committed to your relationship, you probably can't trust them to stay faithful in the future.

3. Have faith: The bottom line is, you'll never know for sure if your partner is going to cheat again. But if you decide to give them another chance, give them your complete trust. There's no point in starting over and giving the relationship a shot if you're not fully trustful.

Jesse James Compares Sandra Bullock and Kat Von D

We all make mistakes in relationships, but Jesse James doesn't regret any of his. The former Discovery channel star told Howard Stern Thursday that Kat Von D is more fun in bed than Bullock. "She's a vixen," he raved of his bride-to-be. "The way she gets in my head and makes me feel." James, who according to UsMagazine.com, loved and cared about Bullock, has found exactly what he was looking for with Von D. He sometimes felt insecure with a big-time movie star. "I've met someone that makes me happy – an amazing woman that is willing to accept me for my faults and not try to change me and loves me like crazy and has my back," the former *Monster Garage* star explained.

How do you keep from comparing your ex and your new partner?

Cupid's Advice:

Finding someone new is one of the most amazing things to come from a break-up. That said, you need to make sure that you're ready and that your ex is out of your head. Cupid has some tips on how to avoid comparing potential new love interests to exes:

1. Look on the bright side: Your ex is your ex for a reason. If someone new comes into your life, think of the positive things ... but avoid thinking about why your current relationship is better than your old. They're completely separate from each other!

2. Keep an open mind: We all need to adjust to new things, and it's easy to always refer to past relationships, especially long-term ones. If you have doubts, remind yourself this is new and will be different.

3. Go with the flow: Have fun with it, and give things a chance. Everything happens for a reason, and there could be a very good one as to why this person is in your life. If it doesn't work out, just move on. Eventually, we all get it right.

How should you deal with a vengeful ex?

Cupid's Advice:

It's hard to put a relationship behind you when its issues are still frequently coming up. Though you may have coped with the breakup, your ex may still be hurting. Here are a few ways to deal with a vengeful ex:

1. Try to smooth over hurt feelings: Vengeful feelings can spring from a tough breakup. Though it may be awkward, talking

to your ex and smoothing over hurt feelings may be the best way for you and your ex to put the past behind you.

2. Ask him to stop: If negotiating with your ex is out of the question, you can always ask him to stop his hurtful behavior. This approach must be done tactfully, but if you appeal to his better nature and make him see that his actions are helping no one, he may be inclined to stop.

3. Ignore him: If your ex is resisting all negotiation, ignore his antics. He's probably only trying to hurt you with his behavior, and will stop when he sees his efforts are useless.

The Law of Attraction Between Celebrity Couples

By Yolanda Shoshana, Luscious Lifestyle Diva

Biker boy and ex-husband to America's sweetheart, Jesse James recently declared that 2010 was the best year of his life.

That declaration definitely made some people raise an eyebrow or two. Since when does a messy divorce and the possibility of losing your child constitute the time of one's life? But according to James, it all led to him finding love with Kat Von D. When he announced his engagement to Von D, people said they are perfect for each other, which was not necessarily a compliment in their case. That said, there's no doubt that the law of attraction was working its magic when the two of them met.

Simply speaking, the law of attraction is when "like" attracts "like." Take a look at Jesse James and Sandra Bullock's different places in life. Clearly, they had perspectives and ideals that simply didn't match, whereas James and Von D are on the same page.

Another example of the law of attraction at work is between celebrity couple Angelina Jolie and Brad Pitt. They ended up

together not just because of physical attraction, but also due to other attraction elements. Chances are there were issues in the Pitt and Aniston marriage, which allowed Jolie to swoop in. Now, people see Aniston as a woman who can't find love, while I see her as a woman who likes freedom, loves her body, likes a good looking dude, and just wasn't about to have a tribe of children. Aniston's attraction to Pitt didn't last because they simply have different energies and wants in life. In other words, they broke the law of attraction.

The law of attraction is a key ingredient when it comes to finding the love of your life. To utilize it in your search for love, all you have to do is ask, believe and receive with full clarity. As simple as that sounds, people get impatient when it comes to the "believe" part. While it would be fabulous if the love of your life arrived five minutes after you incorporated the law of attraction, it doesn't happen that way. Sometimes it takes time for the opportunity to present itself, but know that it's well worth the wait.

Even Jesse James Deserves a Second Chance

Right now, it seems the internet is a buzz with the news of Jesse James and Kat Von D's engagement. I was fairly surprised at the intense debate their announcement fueled, but then I got to thinking about second chances and leaving the past in the past. We all know what transpired between Jesse James and Sandra Bullock. America's sweetheart was left betrayed and left to adopt a son alone, so who wouldn't be on her side? Now there's Jesse, the resident bad boy now starting a new life with Kat Von D, who is about as opposite from a Sandra Bullock type as you can get. Same story, different couple.

The thing is, nobody really knows what goes on in a relationship, but the two people who are in it. Jesse James and Sandra Bullock are no more, but does that mean that Jesse doesn't deserve happiness with someone else? I'm not saying Jesse and Kat will last forever, but who can you really say that about, as nothing in life is guaranteed, anyway?

People can change, although to what extent, nobody knows. People also do really terrible things in relationships and hearts get broken ... but life goes on and hearts continue to

beat. I don't believe someone should be punished for the rest of their life after one mistake. It's so easy for us to write someone off as a horrible person; in fact, it's too easy. It's more difficult to give someone the chance to redeem him or herself, and second chances can be so worth it.

Should Kat be aware of what she's getting into? Heck yes! I am not suggesting one should disregard the past actions of another. I'm fairly certain there are tons of people just waiting to tell her, "I told you so!" But if it feels right in her heart, then really, who are we to judge?

Speaking of judgment, what do you guys think of this announcement? Comment below.

Jesse James and Kat Von D Are Engaged

It's wedding bells for one of the most controversial couples in Hollywood: Jesse James and Kat Von D have announced their engagement. James and now ex-wife Sandra Bullock split in June after news of his multiple affairs surfaced. The motorcycle mogul, who began dating Kat Von D shortly after the divorce, professed his love for his fiancée to *People*. "You know sometimes the public and press gets it wrong. This is one of those times. 2010 was actually the best year of my life because I fell in love with my best friend. An amazing woman who stood behind me when the world turned their backs."

How do you know when someone is truly committed?

Cupid's Advice:

It can be tough to tell if the person you're dating is planning on being in the relationship for the long haul.

Cupid has some ideas and how to tell if he's truly committed:

1. There for you: When the going gets tough, and your partner stands by you in a time of crisis, it's safe to say he's not a flight risk.

2. All about PDA: If your mate isn't afraid to sing your praises in front of anyone and everyone, it's more than likely true love.

3. Don't care what people think: When it comes to your relationship, sometimes there will be naysayers. If your partner doesn't seem to care about the critics, he's there for the count.

Is Denise Richards Dating Rocker Nikki Sixx?

Talk about picking the same kind of men. [People](#) reports that

Denise Richards admitted she had “gone on a couple dates” with rocker and radio host Nikki Sixx, 52. Richards, 39, has had her share of experience with bad boys, including a complicated marriage to Charlie Sheen and a relationship with Bon Jovi guitarist Richie Sambora. With her new bad boy, who recently broke up with Kat Von D, Richards admits, “The God’s honest truth is we’re taking it very slowly.” **Why are women attracted to bad boys?**

Cupid’s Advice:

Cupid has some ideas on why it’s so hard to stay away from a bad boy:

1. He’s confident: Bad boys attract women because of their rebellious nature and self-confidence. Many women find the combination irresistible. But keep in mind that a guy can be confident and not bad.

2. He needs to be rescued: If you love the idea of a fixer-upper, you may flock to a bad boy because you think he’s damaged and needs to be rescued. That said, it’s not always the best idea for a stable relationship.

3. He doesn’t like commitment: Some women may not be ready for a long-term relationship and will sabotage the relationship from the beginning by dating a heartbreaker. There’s nothing wrong with dating around, but when you’re ready for a relationship, cut it out with the bad boys!

Jesse James and Kat Von D: On

or Off?

Sandra Bullock's ex Jesse James and Kat Von D effectively squashed all recent breakup rumors, as the pair was caught kissing while at a restaurant over lunch recently. Rumors were swirling over James' recent move to Austin, Texas. In fact, [People](#) reported that Von D is unhappy with the long-distance "go-between" relationship. Von D has also reportedly been seen with ex-flames Nikki Sixx and Bam Margera. Despite the rumors, the much-talked-about duo seemed to enjoy lunch and left a generous tip before leaving the restaurant. **What can excessive PDA mean?**

Cupid's Advice:

While some couples have no qualms about publicly displaying their affection, most couples are a little more conservative. If excessive PDA is coming from a couple who usually keeps it

tame, it's safe to say there's probably an ulterior motive. Here are a few things it could mean:

1. Insecurity: If a couple shows their affection in public, it could mean that they're insecure in their relationship. They are trying to prove to others (and themselves) that their relationship is still going strong, even though it may be rocky at the moment.

2. Need for attention: Those who step outside the lines of public decency by excessively showing affection may only wish to shock others. They have a need for attention that can be satisfied by some major PDA.

3. Face value: While PDA could have underlying meaning, sometimes it's necessary to take the PDA for what it is – affection. Therefore, it might just mean they're lustful!
